Chapter 20A. Alabama Sex Offender Registration and Community Notification Act. (Refs & Annos)

Ala.Code 1975 § 15-20A-2

§ 15-20A-2. Legislative findings.

Currentness

The Legislature makes all of the following findings:

(1) Registration and notification laws are a vital concern as the number of sex offenders continues to rise. The increasing numbers coupled with the danger of recidivism place society at risk. Registration and notification laws strive to reduce these dangers by increasing public safety and mandating the release of certain information to the public. This release of information creates better awareness and informs the public of the presence of sex offenders in the community, thereby enabling the public to take action to protect themselves. Registration and notification laws aid in public awareness and not only protect the community but serve to deter sex offenders from future crimes through frequent in-person registration. Frequent in-person registration maintains constant contact between sex offenders and law enforcement, providing law enforcement with priceless tools to aid them in their investigations including obtaining information for identifying, monitoring, and tracking sex offenders.

(2) Juvenile sex offenders also pose a risk to the community. Due to juvenile sex offenders offending in their formative years, it is imperative that they receive sex offender treatment. At the completion of sex offender treatment, all juvenile sex offenders must undergo a risk assessment, and a hearing must be held by the court to determine their level of risk to the community and the level of notification that should be provided to best protect the public. Juvenile sex offenders adjudicated delinquent of the most serious offenses who pose a greater threat should be subject to more stringent requirements.

(3) Homeless sex offenders are a group of sex offenders who need to be monitored more frequently for the protection of the public. Homeless sex offenders present a growing concern for law enforcement due to their mobility. As the number of homeless sex offenders increases, locating, tracking, and monitoring these offenders becomes more difficult.

(4) Sexually violent offenders also cause increased concern for law enforcement. These predators are repeat sexual offenders who use physical violence, offend on multiple victims, and prey on children. Due to their likelihood to engage in future sexually violent behavior, they present an extreme threat to the public safety. The Legislature declares that its intent in imposing additional tracking and monitoring requirements on sexually violent predators is to assist law enforcement in carrying out their duties and, most importantly, to protect the public, especially children.

(5) Sex offenders, due to the nature of their offenses, have a reduced expectation of privacy. In balancing the sex offender's rights, and the interest of public safety, the Legislature finds that releasing certain information to the public furthers the primary governmental interest of protecting vulnerable populations, particularly children. Employment and residence restrictions, together with monitoring and tracking, also further that interest. The Legislature declares that its intent in imposing certain registration, notification, monitoring, and tracking requirements on sex offenders is not to punish sex offenders but to protect the public and, most importantly, promote child safety.

§ 15-20A-18. Adult sex offender -- Identification requirements.

Currentness

(a) Every adult sex offender who is a resident of this state shall obtain from the Alabama State Law Enforcement Agency, and always have in his or her possession, a valid driver license or identification card issued by the Alabama State Law Enforcement Agency. If any adult sex offender is ineligible to be issued a driver license or official identification card, the Alabama State Law Enforcement Agency shall provide the adult sex offender some other form of identification card or documentation that, if it is kept in the possession of the adult sex offender, shall satisfy the requirements of this section. If any adult sex offender is determined to be indigent, an identification card, or other form of identification or documentation that satisfies the requirements of this section, shall be issued to the adult sex offender at no cost. Indigence shall be determined by order of the court prior to each issuance of a driver license or identification card.

(b) The adult sex offender shall obtain from the Alabama State Law Enforcement Agency a valid driver license or identification card bearing a designation that enables law enforcement officers to identify the licensee as a sex offender within 14 days of his or her initial registration following release, initial registration upon entering the state to become a resident, or immediately following his or her next registration after July 1, 2011.

(c) Whenever the Alabama State Law Enforcement Agency issues or renews a driver license or identification card to an adult sex offender, the driver license or identification card shall bear a designation that, at a minimum, enables law enforcement officers to identify the licensee as a sex offender.

(d) Upon obtaining or renewing a driver license or identification card bearing a designation that enables law enforcement officers to identify the licensee as a sex offender, the adult sex offender shall relinquish to the Alabama State Law Enforcement Agency any other driver license or identification card previously issued to him or her by a state motor vehicle agency which does not bear any designation enabling law enforcement officers to identify the licensee as a sex offender. Nothing in this section shall require an adult sex offender to relinquish, or preclude an adult sex offender from possessing, any form of identification issued to him or her by an entity other than a state motor vehicle agency, including, but not limited to, the United States, a federal department or agency, a municipal or county government entity, an educational institution, or a private employer.

(e) No adult sex offender shall mutilate, mar, change, reproduce, alter, deface, disfigure, or otherwise change the form of any driver license or identification card which is issued to the adult sex offender by the Alabama State Law Enforcement Agency and which bears any designation enabling law enforcement officers to identify the licensee as a sex offender. An adult sex offender having in his or her possession a driver license or identification card issued to him or her by the Alabama State Law Enforcement Agency bearing any designation enabling law enforcement officers to identify the licensee as a sex offender which has been mutilated, marred, changed, reproduced, altered, defaced, disfigured, or otherwise changed shall be prima facie evidence that he or she has violated this section.

(f) Any person who knowingly violates this section shall be guilty of a Class C felony.

  - (6) Any other evidence deemed relevant by the court.
- (f) If the state so petitions, it shall present clear and convincing evidence that the sex offender is likely to engage in one or more future sexually violent offenses or is likely to engage in future predatory sex offenses.
- (g) Any sex offender determined in any other state to be a sexually violent predator shall be considered a sexually violent predator in this state.
- (h) A sexually violent predator, as a condition of the sex offender's release from incarceration, shall be subject to electronic monitoring and be required to pay the costs of such monitoring, as set forth in Section 15-20A-20, for a period of no less than 10 years from the date of the sexually violent predator's release. (b) Each time an adult sex offender terminates his or her residence and establishes a new residence, he or she shall pay a registration fee in the amount of ten dollars (\$10) to each registering agency where the adult sex offender establishes a new residence.

Currentness

(a) In determining whether to apply notification requirements to a juvenile sex offender, the sentencing court shall consider any of the following factors relevant to the risk of re-offense:

- (1) Conditions of release that minimize the risk of re-offense, including, but not limited to, whether the juvenile sex offender is under supervision of probation, parole, or aftercare; receiving counseling, therapy, or treatment; or residing in a home situation that provides guidance and supervision.
- (2) Physical conditions that minimize the risk of re-offense, including, but not limited to, advanced age or debilitating illness.
- (3) Criminal history factors indicative of high risk of re-offense, including whether the conduct of the juvenile sex offender was found to be characterized by repetitive and compulsive behavior.
- (4) Whether psychological or psychiatric profiles indicate a risk of recidivism.
- (5) The relationship between the juvenile sex offender and the victim.
- (6) The particular facts and circumstances surrounding the offense.
- (7) The level of planning and participation in the offense.

(13) The protection of society.

(14) Any other factors deemed relevant by the court.

(b) If the sentencing court determines that the juvenile sex offender shall be subject to notification, the level of notification shall be applied as follows:

(1) If the risk of re-offense is low, notification that the juvenile sex offender will be establishing or has established a fixed residence shall be provided by local law enforcement to the principal of the public or nonpublic school where the juvenile sex offender will attend after release and, if a public school, to the local superintendent of education with jurisdiction over that school. This notification shall include the name, actual living address, date of birth of the juvenile sex offender, and a statement of the sex offense for which he or she has been adjudicated delinquent, including the age and gender of the victim. This information shall be considered confidential by the school and the local superintendent of education and be shared only with the teachers and staff with supervision over the juvenile sex offender. Whoever, except as specifically provided herein, directly or indirectly discloses or makes use of or knowingly permits the use of information concerning a juvenile sex offender described in this section, upon conviction thereof, shall be guilty of a Class C felony within the jurisdiction of the juvenile court.

(2) If the risk of re-offense is moderate, notification that the juvenile sex offender will be establishing, or has established, a fixed residence shall be provided by local law enforcement to all schools and childcare facilities within three miles of the declared fixed residence of the juvenile sex offender. A community notification flyer shall be mailed by regular mail or hand delivered to all schools or childcare facilities as required by this subsection.
