34-A M.R.S.A. § 11282

§ 11282. Duty of offender to register

Effective: October 15, 2015

Currentness

1. Notification by court, department, bureau or law enforcement agency. An offender has a duty to register under this chapter after notification has been given to the offender by a court of jurisdiction, the department, the bureau or a law enforcement agency. The court shall notify the offender at the time of sentence of the duty to register pursuant to this chapter. Notification of the duty to register under this chapter also may be given to the offender at any time after the imposition of sentence.

At any time, the bureau may correct the term of a registration erroneously assigned to an offender or registrant. In such instances, the bureau shall notify the offender or registrant, the district attorney and the court in the jurisdiction where the conviction occurred and the law enforcement agency having jurisdiction where the offender or registrant is domiciled, resides, is employed or attends college or school, if applicable.

2. When duty to register must be exercised. Following notification by a court, the department, the bureau or a law enforcement agency under subsection 1, an offender shall register as follows.

A. If the offender is sentenced to a wholly suspended sentence with probation or administrative release, or to a punishment alternative not involving imprisonment, the duty to register is triggered at the time the person commences in actual execution of the wholly suspended sentence or at the time of sentence imposition when no punishment alternative involving imprisonment is imposed, unless the court orders a stay of execution, in which event the duty is triggered by the termination of the stay.

B. If the offender is sentenced to a straight term of imprisonment or to a split sentence, the duty to register is triggered by discharge or conditional release.

C. If the offender is committed under Title 15, section 103, the duty to register is triggered by discharge or conditional release under Title 15, section 104-A.

D. If the events stated in paragraphs A to C have passed, an offender must register within 3 days after having received notice of that duty from a court, the department, the bureau or a law enforcement agency.

E. Proof that the name and date of birth of the person notified of the duty to register pursuant to this chapter are the same as those of a person who has been found not guilty by reason of insanity or convicted of an offense requiring registration

pursuant to this chapter gives rise to a permissible inference under the Maine Rules of Evidence, Rule 303 that the person notified of the duty to register is the same person as that person convicted of the offense requiring registration.

3. Duty to notify law enforcement agency. An offender shall notify the law enforcement agency having jurisdiction in those areas where the offender is domiciled, resides, works or attends school within 24 hours of becoming a domiciliary or a resident or beginning work or attending school. If the location is a municipality with an organized municipal police department, the law enforcement agency having jurisdiction is the municipal police department. If the location is a school having an organized police department, the law enforcement agency having jurisdiction is the campus police department. If the location is neither a municipality nor a school with an organized police department, the law enforcement agency having jurisdiction is the sheriff's department.

4. Responsibility of ensuring initial registration. The department, the county jail or the state mental health institute that has custody of an offender shall inform the offender, prior to discharge or conditional release, of the duty to register. If an offender does not serve a period of institutional confinement, the court shall inform the offender at the time of sentencing of the duty to register. The department, county jail, state mental health institute or court shall:

- A. Inform the offender of the duty to register and obtain the information required for the initial registration;
- B. Inform the offender of the requirement to notify the law enforcement agency having jurisdiction pursuant to subsection 3;
- C. Inform the offender that if the offender changes domicile or changes residence, place of employment or college or school being attended, the offender shall give the new address to the bureau in writing within 3 days and shall notify the law enforcement agency having jurisdiction within 24 hours;
- D. Inform the offender that if that offender changes domicile to another jurisdiction, the offender shall register the new address with the bureau and if the new jurisdiction has a registration requirement, the offender shall register with a designated law enforcement agency in the new state not later than 3 days after establishing domicile in the new state;
- E. Inform the offender that if that offender has part-time or full-time employment in another state, with or without compensation, for more than 14 consecutive days or for an aggregate period exceeding 30 days in a calendar year or if that offender enrolls in any type of school in another state on a part-time or full-time basis, the offender shall give the bureau the offender's place of employment or school to be attended in writing within 3 days after beginning work or attending school and if the other state has a registration requirement, shall register with the designated law enforcement agency in the other state;
- F. Obtain fingerprints and a current photograph of the offender. The court may order the offender to submit to the taking of fingerprints and a photograph at a specified law enforcement agency within 3 days if the fingerprints and photograph have not already been obtained in connection with the offense that necessitates registration; and
- G. Enforce the requirement that the offender read and sign a form provided by the bureau that states that the duty of the offender to register under this section has been explained.

5. Transfer of initial registration information to bureau and FBI. The department, county jail, state mental health institute or court within 3 days of receipt of the information described in subsection 4 shall forward the information to the bureau. If the court orders the offender to submit to the taking of fingerprints and a photograph at a specified law enforcement agency, the law enforcement agency shall submit the fingerprints and photograph to the bureau within 3 days. The bureau shall immediately enter the information into the registration system, notify the law enforcement agencies having jurisdiction where the offender expects to be domiciled and reside and transmit the information to the FBI for inclusion in the national FBI sex offender database.

6. Verification. During the period a registrant is required to register, the bureau shall require the registrant to verify all registration information unless verifications are suspended. The following provisions govern the verification of registration information.

A. At least 10 days prior to the required verification date, the bureau shall mail a nonforwardable verification form to the last reported mailing address of the registrant. The verification form is deemed received 3 days after mailing unless returned by postal authorities.

B. The registrant shall bring the completed verification form and a current photograph of the registrant to the law enforcement agency having jurisdiction within 5 days of receipt of the form.

C. The law enforcement agency having jurisdiction shall verify the registrant's identity, have the registrant sign the verification form, take the registrant's fingerprints, complete the law enforcement portion of the verification form and immediately forward the fingerprints, photograph and form to the bureau.

7. Frequency of verification. The frequency of in-person verification of registration information is dependent upon the registrant's tier classification as follows.

A. A Tier III registrant shall register for the duration of the registrant's life and shall verify registration information every 3 months after the registrant's initial registration date.

B. A Tier II registrant shall register for 25 years and shall verify registration information every 6 months after the registrant's initial registration date.

C. A Tier I registrant shall register for 10 years and shall verify registration information annually after the registrant's initial registration date.

8. Change of domicile, residence, place of employment or college or school being attended. An offender or registrant shall notify the bureau in writing of a change of residence, domicile, place of employment or college or school being attended within 3 days and shall notify the law enforcement agency having jurisdiction within 24 hours after changing that domicile, residence, place of employment or college or school being attended.

A. If the offender or registrant establishes a new domicile, residence, place of employment or college or school being attended in the State, the bureau shall notify, within 3 days, both the law enforcement agency having jurisdiction where

the offender or registrant was formerly domiciled or resided or was employed or enrolled and the law enforcement agency having jurisdiction where the offender or registrant is currently domiciled, residing, employed or enrolled.

B. If the offender or registrant establishes a domicile, residence, place of employment or college or school being attended in another state, the bureau shall notify, within 3 days, the law enforcement agency having jurisdiction where the offender or registrant was formerly domiciled or resided or was employed or enrolled and the law enforcement agency having jurisdiction where the offender or registrant is currently domiciled, residing, employed or enrolled.

The following provisions govern the duration of registration.

1. Offender convicted and sentenced in State for Tier I offense. An offender convicted and sentenced in this State for a Tier I offense shall register for a period of 10 years. The 10-year period commences from the date the person in fact initially registers once the legal duty arises under section 11282, subsection 2.

2. Offender convicted and sentenced in another jurisdiction for Tier I offense. An offender convicted and sentenced in another jurisdiction and required to register in this State pursuant to section 11283 or 11284 shall register for a period of 10 years or as provided in subsection 7. The following provisions apply.

A. A Tier I registrant shall register in this State for a period of 10 years if, pursuant to the other jurisdiction's sex offender registration statute, the registration period is for a period of no more than 10 years. The 10-year period commences from the date the person in fact initially registers in this State once the legal duty to register arises under section 11283 or 11284. However, the Tier I registrant may receive day-for-day credit for the time actually registered pursuant to the other jurisdiction's sex offender registration statute prior to registering in this State upon applying to the bureau for credit. The bureau may grant credit if the registrant provides sufficient documentation in accordance with any rules adopted by the bureau.

B. A Tier I registrant shall register for a period of 10 years if registration was not required in that other jurisdiction and the person has been sentenced in that jurisdiction for a crime that includes the essential elements of a Tier I offense. The 10-year period commences from the date the person in fact initially registers in this State once the legal duty to register arises under section 11283 or 11284. A. A Tier II registrant shall register in this State for a period of 25 years if, pursuant to the other jurisdiction's sex offender registration statute, the registration period is for a period of more than 10 years and no more than 25 years. The 25-year period commences from the date the person in fact initially registers in this State once the legal duty to register arises under section 11283 or 11284. Notwithstanding section 11273, subsections 14 and 15, a person who has been convicted and sentenced at any time for 2 or more offenses each of which is a Tier I offense or Tier II offense or includes the essential elements of a Tier I offense or Tier II offense is required to register as a Tier III registrant. For purposes of this subsection, convictions that occur on the same day count as separate offenses.

The sex offender internet database shall be updated regularly, based on information available to the board and shall be open to searches by the public at any time without charge or subscription. The board shall promulgate rules and regulations to implement, update and maintain such a sex offender internet database, to ensure the accuracy, integrity and security of information contained therein, to ensure the prompt and complete removal of registration data for persons whose duty to register has terminated or expired under section 178G, 178L or 178M or any other law and to protect against the inaccurate, improper or inadvertent publication of registration data on the internet.

The board shall develop standardized registration and verification forms, which shall include registration data as required pursuant to sections 178C to 178P. The board shall make blank copies of such forms available to all agencies having custody of sex offenders and all city and town police departments; provided, however, that the board shall determine the format for the collection and dissemination of registration data, which may include the electronic transmission of data. Records maintained in the sex offender registry shall be open to any law enforcement agency in the commonwealth, the United States or any other state. The board shall promulgate rules and regulations to implement the provisions of sections 178C to 178P, inclusive. Effective: December 20, 2006

Currentness

(a) Within 5 days of receiving upon sentence any sex offender required to register under sections 178C to 178Q, inclusive, the agency which has custody of the sex offender, including the department of correction, the department of youth services and each of the houses of correction, shall transmit to the board said sex offender's registration data, which shall include identifying factors, anticipated future residence, any anticipated secondary addresses, offense history, documentation of any treatment received for a mental abnormality, the official version of any sex offenses, the mittimus, any prior incarceration history, and the projected maximum release date and the earliest possible release date for the sex offender. All custodial agencies shall inform the board immediately of any transfers of sex offenders so that there may be contact with the offender throughout the classification process. The bureau shall classify such a sex offender at least 10 days before the offender's earliest possible release date. The board shall promptly transmit the registration data to the police departments in the municipalities where the sex offender intends to live, maintain any secondary address and work and where the offense was committed and to the Federal Bureau of Investigation. The sex offender shall be informed by, and shall acknowledge in writing to, the agency which has custody of the sex offender of the duty to register in the commonwealth and in any state where he resides, is employed, carries on a vocation or is a student, to verify registration information, to give notice of change of address or intended change of address within the commonwealth or in another state and the penalties for failure to do so and for giving false registration information, and of his right to submit to the board, according to section 178L, documentary evidence relative to his risk of reoffense, the degree of dangerousness posed to the public and of his duty to register under this section. If such sex offender is a juvenile at the time of such notification, notification shall also be mailed to such sex offender's legal guardian or agency having custody of the juvenile in the absence of a legal guardian and his most recent attorney of record. The agency shall transmit such acknowledgment to the board within ten days of receipt of such acknowledgment. Not later than two days before his release from custody, a sex offender shall register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution. No sex offender shall be released from custody unless such registration has been filled out, signed and mailed to the board.

(b) An agency that has supervision of a sex offender required to register pursuant to sections 178C to 178P, inclusive, on probation or parole shall, within five days of assuming supervision of such sex offender, transmit to the board such sex offender's registration data which, for purposes of this paragraph, shall include identifying factors, residential address or anticipated future residence, secondary addresses or anticipated secondary addresses, work address, offense history, documentation of any sex offender treatment and documentation of any treatment received for a mental abnormality. The agency shall also report any changes of address of any sex offender required to register pursuant to said sections 178E to 178P, inclusive, within its jurisdiction to the board. The board shall promptly transmit the registration data to the police departments in the municipalities where such sex offender intends to live and work and where the offense was committed and to the Federal Bureau

of Investigation. The sex offender shall be informed by, and shall acknowledge in writing to, the agency which has custody of the sex offender of the duty to register in the commonwealth and in any state where he resides, has any secondary addresses, is employed, carries on a vocation or is a student, to verify registration information and to give notice of change of address, or any secondary addresses or intended change of address within the commonwealth or in another state and the penalties for failure to do so and for giving false registration information, and of his right to submit to the board, according to section 178L, documentary evidence relative to his risk of reoffense, the degree of dangerousness posed to the public and his duty to register under this section. If such sex offender is a juvenile at the time of such notification, notification shall also be mailed to such sex offender's legal guardian or agency having custody of the juvenile in the absence of a legal guardian, and his most recent attorney of record. A sex offender shall, within two days of receiving such notice, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution.

(c) Any court which enters a conviction for a sex offense or adjudication as a youthful offender or as a delinquent juvenile by reason of a sex offense, but does not impose a sentence of confinement of 90 days or more to be served immediately shall inform the sex offender and require the sex offender to acknowledge, in writing, his duty to register in the commonwealth and in any state where he resides, is employed, carries on a vocation or is a student, to verify registration information and to give notice of change of address or intended change of address within the commonwealth or in another state and the penalties for failure to do so and for giving false registration information, and of his right to submit to the board, according to section 178L, documentary evidence relative to his risk of reoffense, the degree of dangerousness posed to the public and of his duty to register under this section. If such sex offender is a juvenile at the time of such adjudication, the legal guardian or agency having custody of the juvenile and his most recent attorney of record shall also be required to acknowledge, in writing, such information. The court shall cause such sex offender's registration data which, for purposes of this paragraph, shall include identifying factors, anticipated future residence, any anticipated secondary addresses, offense history and documentation of any treatment received for a mental abnormality to be transmitted to the board within five days of sentencing. The board shall promptly transmit the registration data to the police departments in the municipalities where such sex offender intends to live and work and where the offense was committed and to the Federal Bureau of Investigation. A sex offender shall, within two days of receiving such notice or of release from confinement, whichever is later, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution.

(d) Any court which accepts a plea for a sex offense shall inform the sex offender prior to acceptance and require the sex offender to acknowledge, in writing, that such plea may result in such sex offender being subject to the provisions of sections 178C to 178P, inclusive. Failure to so inform the sex offender shall not be grounds to vacate or invalidate the plea.

(e) Upon written motion of the commonwealth, a court which enters a conviction or adjudication of delinquent or as a youthful offender may, at the time of sentencing, having determined that the circumstances of the offense in conjunction with the offender's criminal history does not indicate a risk of reoffense or a danger to the public, find that a sex offender shall not be required to register under sections 178C to 178P, inclusive. Such motion by the commonwealth shall state the reasons for such motion with specificity. The court may not make such a finding if the sex offender has been determined to be a sexually violent predator; has been convicted of two or more sex offenses defined as sex offenses pursuant to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, 42 U.S.C. section 14071, committed on different occasions;

has been convicted of a sex offense involving a child or a sexually violent offense; or if the sex offender is otherwise subject to minimum or lifetime registration requirements as determined by the board pursuant to section 178D.

(f) In the case of a sex offender who has been convicted of a sex offense or adjudicated as a youthful offender or as a delinquent juvenile by reason of a sex offense, on or after December 12, 1999, and who has not been sentenced to immediate confinement, the court shall, within 14 days of sentencing, determine whether the circumstances of the offense in conjunction with the offender's criminal history indicate that the sex offender does not pose a risk of reoffense or a danger to the public. If the court so determines, the court shall relieve such sex offender of the obligation to register under sections 178C to 178P, inclusive. The court may not make such a determination or finding if the sex offender has been determined to be a sexually violent predator; has been convicted of two or more sex offenses defined as sex offenses pursuant to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, 42 U.S.C. section 14071, committed on different occasions; has been convicted of a sex offense involving a child or a sexually violent offense; or if the sex offender is otherwise subject to minimum or lifetime registration requirements as determined by the board pursuant to section 178D.

(g) A sex offender who moves into the commonwealth from another jurisdiction shall, within two days of moving into the commonwealth, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution. The board shall transmit the registration data to the police department in the municipality where such sex offender intends to live and work and, if the sex offender intends to work at or become a student at an institution of higher learning, to the police departments in the municipalities where the sex offender will work or attend such institution and shall transmit the same to the Federal Bureau of Investigation.

(h) A sex offender required to register pursuant to sections 178C to 178P, inclusive, who intends to move to a different city or town within the commonwealth shall, not later than ten days prior to establishing such new residence, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution. The board shall transmit notice of such change of address to all the police departments in the municipalities where the offense was committed, where the sex offender last registered and where the sex offender intends to live or attend an institution of higher learning and shall transmit the same to the Federal Bureau of Investigation. A sex offender required to register pursuant to said sections 178C to 178P, inclusive, who intends to change his address within a city or town shall notify the board in writing not later than ten days prior to establishing such new residence. The board shall transmit notice of the change of address to the police departments within such city or town, in the municipality where the offense was committed and to the Federal Bureau of Investigation.

(i) A sex offender required to register pursuant to sections 178C to 178P, inclusive, who intends to move out of the commonwealth shall notify the board not later than ten days before leaving the commonwealth. The board shall transmit notice of the change of address to the police departments in the municipalities where such sex offender last registered, where the offense was committed and to the Federal Bureau of Investigation. The board shall notify such sex offender of the duty to register in the new jurisdiction and shall forward a copy of his registration data to the appropriate law enforcement agency in such new jurisdiction.

(j) A sex offender required to register pursuant to sections 178C to 178P, inclusive, who intends to change his work address shall notify the board in writing not later than ten days prior to establishing the new work address. The board shall transmit notice of the change of address and, if the sex offender is or intends to become employed part-time or full-time at an institution of higher learning, the name and address of the institution to the police department in the municipalities where such sex offender previously worked, where such sex offender intends to work, where such sex offender resides or intends to reside and where the offense was committed. The board shall transmit notice of the change of address to the Federal Bureau of Investigation.

(k) The registrar of motor vehicles shall inform a person applying for or renewing a license to operate a motor vehicle that he has a duty to register with the board if such person is a sex offender, pursuant to regulations established by the board.

(l) Except as hereinbefore provided, a sex offender residing or working in the commonwealth or working at or attending an institution of higher learning in the commonwealth shall, within ten days of the effective date of this section, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address and, if the sex offender is or intends to become a part-time or full-time employee of an institution of higher learning, the name and address of the institution, and, if the sex offender is or intends to become a part-time or full-time student of an institution of higher learning, the name and address of the institution. The board shall promptly transmit the registration data to the police departments where the sex offender intends to live and work, where the offense was committed and, if the sex offender intends to work at or become a student at an institution of higher learning, to the police departments in the municipalities where the sex offender will work or attend such institution and to the Federal Bureau of Investigation. The board shall send written notification of the requirements of sections 178C to 178P, inclusive, to the last known address of all sex offenders residing in the commonwealth who, prior to the effective date of this section, have been released from all custody and supervision. If any such sex offender is a juvenile at the time of such notification, notification shall also be mailed to such sex offender's legal guardian or the agency having custody of the juvenile in the absence of a legal guardian and his most recent attorney of record.

(m) Upon registering, verifying registration information or giving notice of change of address or intended change of address under this section, a sex offender shall provide independent written verification of the address at which he is registered or, if changing address, will be registered.

(n) Registration data received by the board and disseminated to law enforcement pursuant to this section shall not be disseminated to the public except in accordance with sections 178D, 178I, 178J and 178K.

(o) A sex offender who plans to work at or attend an institution of higher learning part-time or full-time in the commonwealth shall, within 10 days prior to commencing employment or enrollment in classes at an institution of higher learning, register by mailing to the board on a form approved by the board and signed under the pains and penalties of perjury, the sex offender's name, date of birth, home address or intended home address, any secondary addresses or intended secondary addresses, work address or intended work address, and the name and address of the institution of higher learning. The board shall transmit notice of such change of address to all police departments in the municipalities where the sex offender plans to work at or attend an institution of higher learning and shall transmit the same to the Federal Bureau of Investigation.

(p) A sex offender required to register pursuant to section 178C to 178F, inclusive, who intends to transfer from the institution of higher learning he is attending or stop attending shall notify the board in writing not later than 10 days before leaving the present institution of higher learning and shall provide the board with the name and address of the new institution of higher learning,

M.G.L.A. 6 § 178K

§ 178K. Sex offender registry board; member qualifications; guidelines to assess risk of reoffense; notification; information sharing system relevant for determination or reevaluation of sex offender's level designation

Effective: December 11, 2020

Currentness

(1) There shall be, in the executive office of public safety and security, a sex offender registry board which shall consist of seven members who shall be appointed by the governor for terms of six years, with the exception of the chairman, and who shall devote their full time during business hours to their official duties. The board shall include one person with experience and knowledge in the field of criminal justice who shall act as chairman; at least two licensed psychologists or psychiatrists with special expertise in the assessment and evaluation of sex offenders and who have knowledge of the forensic mental health system; at least one licensed psychologist or psychiatrist with special expertise in the assessment and evaluation of sex offenders, including juvenile sex offenders and who has knowledge of the forensic mental health system; at least two persons who have at least five years of training and experience in probation, parole or corrections; and at least one person who has expertise or experience with victims of sexual abuse. Members shall be compensated at a reasonable rate subject to approval of the secretary of administration and finance.

The chairman shall be appointed by and serve at the pleasure of the governor and shall be the executive and administrative head of the sex offender registry board, shall have the authority and responsibility for directing assignments of members of said board and shall be the appointing and removing authority for members of said board's staff. In the case of the absence or disability of the chairman, the governor may designate one of the members to act as chairman during such absence or disability. The chairman shall, subject to appropriation, establish such staff positions and employ such administrative, research, technical, legal, clerical and other personnel and consultants as may be necessary to perform the duties of said board. Such staff positions shall not be subject to section 9A of chapter 30 or chapter 31.

The governor shall fill any vacancy for the unexpired term. As long as there are four sitting members, a vacancy shall not impair the right of the remaining members to exercise the powers of the board.

The sex offender registry board shall promulgate guidelines for determining the level of risk of reoffense and the degree of dangerousness posed to the public or for relief from the obligation to register and shall provide for three levels of notification depending on such risk of reoffense and the degree of dangerousness posed to the public; apply the guidelines to assess the risk level of particular offenders; develop guidelines for use by city and town police departments in disseminating sex offender registry information; devise a plan, in cooperation with state and local law enforcement authorities and other appropriate agencies, to locate and verify the current addresses of sex offenders including, subject to appropriation, entering into contracts or interagency agreements for such purposes; and conduct hearings as provided in section 178L. The attorney general and the chief counsel of the committee for public counsel services, or their designees, shall assist in the development of such guidelines. Factors relevant to the risk of reoffense shall include, but not be limited to, the following:

- (a) criminal history factors indicative of a high risk of reoffense and degree of dangerousness posed to the public, including:
 - (i) whether the sex offender has a mental abnormality;
 - (ii) whether the sex offender's conduct is characterized by repetitive and compulsive behavior;
 - (iii) whether the sex offender was an adult who committed a sex offense on a child;
 - (iv) the age of the sex offender at the time of the commission of the first sex offense;
 - (v) whether the sex offender has been adjudicated to be a sexually dangerous person pursuant to section 14 of chapter 123A or is a person released from civil commitment pursuant to section 9 of said chapter 123A; and
 - (vi) whether the sex offender served the maximum term of incarceration;
- (b) other criminal history factors to be considered in determining risk and degree of dangerousness, including:
 - (i) the relationship between the sex offender and the victim;
 - (ii) whether the offense involved the use of a weapon, violence or infliction of bodily injury;
 - (iii) the number, date and nature of prior offenses;
- (c) conditions of release that minimize risk of reoffense and degree of dangerousness posed to the public, including whether the sex offender is under probation or parole supervision, whether such sex offender is receiving counseling, therapy or treatment and whether such sex offender is residing in a home situation that provides guidance and supervision, including sex offender-specific treatment in a community-based residential program;
- (d) physical conditions that minimize risk of reoffense including, but not limited to, debilitating illness;
- (e) whether the sex offender was a juvenile when he committed the offense, his response to treatment and subsequent criminal history;
- (f) whether psychological or psychiatric profiles indicate a risk of recidivism;
- (g) the sex offender's history of alcohol or substance abuse;

(h) the sex offender's participation in sex offender treatment and counseling while incarcerated or while on probation or parole and his response to such treatment or counseling;

(i) recent behavior, including behavior while incarcerated or while supervised on probation or parole;

(j) recent threats against persons or expressions of intent to commit additional offenses;

(k) review of any victim impact statement; and

(l) review of any materials submitted by the sex offender, his attorney or others on behalf of such offender.

(2) The guidelines shall provide for three levels of notification depending on the degree of risk of reoffense and the degree of dangerousness posed to the public by the sex offender or for relief from the obligation to register:

(a) Where the board determines that the risk of reoffense is low and the degree of dangerousness posed to the public is not such that a public safety interest is served by public availability, it shall give a level 1 designation to the sex offender. In such case, the board shall transmit the registration data and designation to the police departments in the municipalities where such sex offender lives and works and attends an institution of higher learning or, if in custody, intends to live and work and attend an institution of higher learning upon release and where the offense was committed and to the Federal Bureau of Investigation. The police shall not disseminate information to the general public identifying the sex offender where the board has classified the individual as a level 1 sex offender. The police and the board may, however, release such information identifying such sex offender to the department of correction, any county correctional facility, the department of youth services, the department of children and families, the parole board, the department of probation, the department of early education and care, the department of mental health, the department of developmental services, all city and town police departments and the Federal Bureau of Investigation.

(b) Where the board determines that the risk of reoffense is moderate and the degree of dangerousness posed to the public is such that a public safety interest is served by public availability of registration information, it shall give a level 2 designation to the sex offender. In such case, the board shall transmit the registration data and designation to the police departments in the municipalities where the sex offender lives, has a secondary address and works and attends an institution of higher learning or, if in custody, intends to live and work and attend an institution of higher learning upon release and where the offense was committed and to the Federal Bureau of Investigation. The public shall have access to the information regarding a level 2 offender in accordance with the provisions of sections 178D, 178I and 178J. The sex offender shall be required to register and to verify registration information pursuant to section 178F ½.

(c) Where the board determines that the risk of reoffense is high and the degree of dangerousness posed to the public is such that a substantial public safety interest is served by active dissemination, it shall give a level 3 designation to the sex offender. In such case, the board shall transmit the registration data and designation to the police departments in the municipalities where the sex offender lives, has a secondary address and works and attends an institution of higher learning or, if in custody, intends to live and work and attend an institution of higher learning upon release and where the offense was committed and to the Federal Bureau of Investigation. A level 3 community notification plan shall require the police department to notify organizations in the community which are likely to encounter such sex offender and individual members of the public who are likely to encounter such sex offender. The sex offender shall be required to register and to verify registration information pursuant to sections 178F ½. Neighboring police districts shall share sex offender registration information of level 3 offenders and may inform the

residents of their municipality of a sex offender they are likely to encounter who resides in an adjacent city or town. The police or the board shall actively disseminate in such time and manner as such police department or board deems reasonably necessary the following information:

- (i) the name of the sex offender;
- (ii) the offender's home address and any secondary address;
- (iii) the offender's work address;
- (iv) the offense for which the offender was convicted or adjudicated and the date of the conviction or adjudication;
- (v) the sex offender's age, sex, race, height, weight, eye and hair color; and
- (vi) a photograph of the sex offender, if available; provided, that such active dissemination may include publication of such information on the internet by the police department at such time and in such manner as the police or the board deem reasonably necessary; and provided further, that the police or the board shall not release information identifying the victim by name, address or relation to the sex offender. All notices to the community shall include a warning regarding the criminal penalties for use of sex offender registry information to commit a crime or to engage in illegal discrimination or harassment of an offender and the punishment for threatening to commit a crime under section 4 of chapter 275.
- (vii) the name and address of the institution of higher learning that the sex offender is attending.

The public shall have access to the information regarding a level 3 offender in accordance with sections 178D, 178I and 178J.

If the board, in finally giving an offender a level 3 classification, also concludes that such sex offender should be designated a sexually violent predator, the board shall transmit a report to the sentencing court explaining the board's reasons for so recommending, including specific identification of the sexually violent offense committed by such sex offender and the mental abnormality from which he suffers. The report shall not be subject to judicial review under section 178M. Upon receipt from the board of a report recommending that a sex offender be designated a sexually violent predator, the sentencing court, after giving such sex offender an opportunity to be heard and informing the sex offender of his right to have counsel appointed, if he is deemed to be indigent in accordance with section 2 of chapter 211D, shall determine, by a preponderance of the evidence, whether such sex offender is a sexually violent predator. An attorney employed or retained by the board may make an appearance, subject to section 3 of chapter 12, to defend the board's recommendation. The board shall be notified of the determination. A determination that a sex offender should not be designated a sexually violent predator shall not invalidate such sex offender's classification. Where the sentencing court determines that such sex offender is a sexually violent predator, dissemination of the sexually violent predator's registration data shall be in accordance with a level 3 community notification plan; provided, however, that such dissemination shall include such sex offender's designation as a sexually violent predator.

(d) The board may, upon making specific written findings that the circumstances of the offense in conjunction with the offender's criminal history do not indicate a risk of reoffense or a danger to the public and the reasons therefor, relieve such sex offender of any further obligation to register, shall remove such sex offender's registration information from the registry and shall so notify the police departments where said sex offender lives and works or if in custody intends to live and work upon release,

and where the offense was committed and the Federal Bureau of Investigation. In making such determination the board shall consider factors, including but not limited to, the presence or absence of any physical harm caused by the offense and whether the offense involved consensual conduct between adults. The burden of proof shall be on the offender to prove he comes within the provisions of this subsection. The provisions of this subsection shall not apply if a sex offender has been determined to be a sexually violent predator; has been convicted of two or more sex offenses defined as sex offenses pursuant to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, 42 U.S.C. section 14071, committed on different occasions; or has been convicted of a sexually violent offense. The provisions of this subsection shall also not apply if a sex offender has been convicted of a sex offense involving a child or a sexually violent offense, and such offender has not already registered pursuant to this chapter for at least ten years, or if the sex offender is otherwise subject to lifetime or minimum registration requirements as determined by the board pursuant to section 178D.

(e) No sex offender classified as a level 3 offender shall knowingly and willingly establish living conditions within, move to, or transfer to any convalescent or nursing home, infirmary maintained in a town, rest home, charitable home for the aged or intermediate care facility for the mentally retarded which meets the requirements of the department of public health under section 71 of chapter 111. Any sex offender who violates this paragraph shall, for a first conviction, be punished by imprisonment for not more than 30 days in a jail or house of correction; for a second conviction, be punished by imprisonment for not more than 2 ½ years in a jail or house of correction nor more than 5 years in a state prison or by a fine of not more than \$1,000, or by both such fine and imprisonment; and for a third and subsequent conviction, be punished by imprisonment in a state prison for not less than 5 years; provided, however, that the sentence imposed for such third or subsequent conviction shall not be reduced to less than 5 years, nor suspended, nor shall any person sentenced herein be eligible for probation, parole, work release or furlough, or receive any deduction from his sentence for good conduct until he shall have served 5 years. Prosecutions commenced hereunder shall neither be continued without a finding nor placed on file.

(3) The sex offender registry board shall make a determination regarding the level of risk of reoffense and the degree of dangerousness posed to the public of each sex offender listed in said sex offender registry and shall give immediate priority to those offenders who have been convicted of a sex offense involving a child or convicted or adjudicated as a delinquent juvenile or as a youthful offender by reason of a sexually violent offense or of a sex offense of indecent assault and battery upon a mentally retarded person pursuant to section 13F of chapter 265, and who have not been sentenced to incarceration for at least 90 days, followed, in order of priority, by those sex offenders who (1) have been released from incarceration within the past 12 months, (2) are currently on parole or probation supervision, and (3) are scheduled to be released from incarceration within six months. All agencies shall cooperate in providing files to the sex offender registry board and any information the sex offender registry board deems useful in providing notice under sections 178C to 178P, inclusive, and in assessing the risk of reoffense and the degree of dangerousness posed to the public by the sex offender. All agencies from which registration data, including data within the control of providers under contract to such agencies, is requested by the sex offender registry board shall make such data available to said board immediately upon request. Failure to comply in good faith with such a request within 30 days shall be punishable by a fine of not more than \$1,000 per day.

(4) The sex offender registry board, in cooperation with the executive office of public safety and security, and with the consultation of the offices of the district attorneys, the department of probation, the department of children and families and the Massachusetts Chiefs of Police Association Incorporated, shall establish and maintain a system of procedures for the ongoing sharing of information that may be relevant to the board's determination or reevaluation of a sex offender's level designation among the board, the offices of the district attorneys and any department, agency or office of the commonwealth that reports, investigates or otherwise has access to potentially relevant information, including, but not limited to, the department of youth services, the department of children and families, the department of mental health, the department of developmental services, the department of correction, the department of probation, the department of early education and care, the department of public health and the office of the child advocate. .¹

The board shall promulgate any rules or regulations necessary to establish, update and maintain this system including, but not limited to, the frequency of updates, measures to ensure the comprehensiveness, clarity and effectiveness of information, and metrics to determine what information may be relevant. When sharing information through this system, all members shall have discretion to delay sharing information where it is reasonably believed that disclosure would compromise or impede an investigation or prosecution or would cause harm to a victim.

(5) The sex offender registry board shall have access to any information that is determined to be relevant to the board's determination or reevaluation of a sex offender's level designation, as defined in subsection (4), through the system of procedures established in said subsection (4).

M.G.L.A. 6 § 178L

§ 178L. Classification of sex offenders by board; hearings; right to counsel; reclassification

Effective: July 1, 2013

Currentness

(1) Upon review of any information useful in assessing the risk of reoffense and the degree of dangerousness posed to the public by the sex offender, including materials described in the board guidelines and any materials submitted by the sex offender, the board shall prepare a recommended classification of each offender. Such recommendation may be made by board staff members upon written approval by one board member; provided, however, that if the sex offender was a juvenile at the time of the offense, written approval must be given by a board member who is a licensed psychologist or psychiatrist with special expertise in the assessment and evaluation of juvenile sex offenders.

(a) Not less than 60 days prior to the release or parole of a sex offender from custody or incarceration, the board shall notify the sex offender of his right to submit to the board documentary evidence relative to his risk of reoffense and the degree of dangerousness posed to the public and his duty to register according to the provisions of section 178E. If the sex offender is a juvenile at the time of such notification, notification shall also be mailed to the sex offender's legal guardian or agency having custody of the juvenile in the absence of a legal guardian and his most recent attorney of record. Such sex offender may submit such evidence to the board within 30 days of receiving such notice from the board. Upon a reasonable showing, the board may extend the time in which such sex offender may submit such documentary evidence. Upon reviewing such evidence, the board shall promptly notify the sex offender of the board's recommended sex offender classification, his duty to register, if any, his right to petition the board to request an evidentiary hearing to challenge such classification and duty, his right to retain counsel to represent him at such hearing and his right to have counsel appointed for him if he is found to be indigent as determined by the board using the standards under chapter 211D; provided, however, that such indigent offender may also apply for and the board may grant payment of fees for an expert witness in any case where the board in its classification proceeding intends to rely on the testimony or report of an expert witness prepared specifically for the purposes of the classification proceeding. Such sex offender shall petition the board for such hearing within 20 days of receiving such notice. The board shall conduct such hearing in a reasonable time according to the provisions of subsection (2). The failure timely to petition the board for such hearing shall result in a waiver of such right and the registration requirements, if any, and the board's recommended classification shall become final.

(b) The district attorney for the county where such sex offender was prosecuted may, within ten days of a conviction or adjudication of a sexually violent offense, file a motion with the board to make an expedited recommended classification upon a showing that such sex offender poses a grave risk of imminent reoffense. If the petition is granted, the board shall make such recommendation within ten days of the expiration of the time to submit documentary evidence. If the petition is not granted, the board shall make such recommended classification as otherwise provided in this section.

(c) In the case of any sex offender not in custody, upon receiving registration data from the agency, the police department at which the sex offender registered, the sentencing court or by any other means, the board shall promptly notify the sex offender of his right to submit to the board documentary evidence relative to his risk of reoffense and the degree of dangerousness posed to the public and his duty to register, if any, according to section 178E. If such sex offender is a juvenile at the time of such notification, notification shall also be mailed to such sex offender's legal guardian or agency having custody of the juvenile in the absence of a legal guardian and his most recent attorney of record. Such sex offender may submit such evidence to the board within 30 days of receiving such notice from the board. Upon a reasonable showing, the board may extend the time in which a sex offender may submit such documentary evidence. Upon reviewing such evidence, the board shall promptly notify such sex offender of the board's recommended sex offender classification, his duty to register, if any, and his right to petition the board to request an evidentiary hearing to challenge such classification and duty, his right to retain counsel to represent him at such hearing and his right to have counsel appointed for him if he is found to be indigent as determined by the board using the standards under chapter 211D; provided, however, that such indigent offender may also apply for and the board may grant payment of fees for an expert witness in any case where the board in its classification proceeding intends to rely on the testimony or report of an expert witness prepared specifically for the purposes of the classification proceeding. Such sex offender shall petition the board for such hearing within 20 days of receiving such notice. The board shall conduct such hearing in a reasonable time according to the provisions of subsection (2). The failure timely to petition the board for such hearing shall result in a waiver of such right and the registration requirements, if any, and the board's recommended classification shall become final.

(2) If an offender requests a hearing in accordance with subsection (1), the chair may appoint a member, a panel of three board members or a hearing officer to conduct the hearing, according to the standard rules of adjudicatory procedure or other rules which the board may promulgate, and to determine by a preponderance of evidence such sex offender's duty to register and final classification. The board shall inform offenders requesting a hearing under the provisions of subsection (1) of their right to have counsel appointed if a sex offender is deemed to be indigent as determined by the board using the standards under chapter 211D. If the sex offender does not so request a hearing, the recommended classification and determination of duty to register shall become the board's final classification and determination and shall not be subject to judicial review. All offenders who are juveniles at the time of notification shall be represented by counsel at the hearing.

(3) The board may, on its own initiative or upon written request by a police department or district attorney, seek to reclassify any registered and finally classified sex offender in the event that new information, which is relevant to a determination of a risk of re-offense or degree of dangerousness, is received. The board shall promulgate regulations defining such new information and establishing the procedures relative to a reclassification hearing held for this purpose; provided that (i) the hearing is conducted according to the standard rules of adjudicatory procedure or other rules which the board may promulgate, (ii) the hearing is conducted in a reasonable time, and (iii) the sex offender is provided prompt notice of the hearing, which includes: the new information that led the board to seek reclassification of the offender, the offender's right to challenge the reclassification, the offender's right to submit to the board documentary evidence relative to his risk of reoffense and the degree of dangerousness posed to the public, the offender's right to retain counsel for the hearing, and the offender's right to have counsel appointed if the offender is indigent, as determined by the board using the standards in chapter 211D. An indigent offender may also apply for and the board may grant payment of fees for an expert witness in any case in which the board intends to rely on the testimony or report of an expert witness prepared specifically for the purposes of the reclassification proceeding. The failure of the offender to attend the hearing may result in a waiver of the offender's rights and the board's recommended reclassification becoming final.

All offenders who are juveniles at the time of notification shall be represented by counsel at the hearing and notification shall also be mailed to the sex offender's legal guardian or agency having custody of the juvenile in the absence of a legal guardian and the offender's most recent attorney of record.

Effective: May 22, 2010

The sex offender registry board shall assess upon every sex offender a sex offender registration fee of \$75, hereinafter referred to as a sex offender registry fee. Said offender shall pay said sex offender registry fee upon his initial registration as a sex offender and annually thereafter on the anniversary of said registration; provided, however, that no such fee shall be assessed or collected until the offender has either (1) waived his right to petition for an evidentiary hearing to challenge his duty to register as a sex offender as set forth in section 178L or (2) has completely exhausted the legal remedies made available to him to so challenge said duty to register pursuant to sections 178L and 178M and has not prevailed in his attempt to eliminate said duty. The department of corrections shall maintain a copy of the signed and dated notice in the individual's file. The department of corrections shall forward the original notice to the department within 7 days, regardless of whether the individual signs it.

(4) A report under subsection (3) must be made no earlier than the first day or later than the last day of the month in which the individual is required to report. However, if the registration period for that individual expires during the month in which he or she is required to report under this section, the individual shall report during that month on or before the date his or her registration period expires. When an individual reports under subsection (3), the individual shall review all registration information for accuracy.

(5) When an individual reports under subsection (3) an officer or authorized employee of the registering authority shall verify the individual's residence or domicile and any information required to be reported under section 4a.² The officer or authorized employee shall also determine whether the individual's photograph required under this act matches the appearance of the individual sufficiently to properly identify him or her from that photograph. If not, the officer or authorized employee shall require the individual to obtain a current photograph within 7 days under this section. When all of the verification information has been provided, the officer or authorized employee shall review that information with the individual and make any corrections, additions, or deletions the officer or authorized employee determines are necessary based on the review. The officer or authorized

employee shall sign and date a verification receipt. The officer or authorized employee shall give a copy of the signed receipt showing the date of verification to the individual. The officer or authorized employee shall forward verification information to the department in the manner the department prescribes. (6) Except as otherwise provided in section 5b,⁴ an individual who reports as prescribed under subsection (3) shall pay a \$50.00 registration fee as follows:

(a) Upon initial registration.

(b) Annually following the year of initial registration. The payment of the registration fee under this subdivision must be made at the time the individual reports in the first reporting month for that individual as set forth in subsection (3) of each year in which the fee applies, unless an individual elects to prepay an annual registration fee for any future year for which an annual registration fee is required. Prepaying any annual registration fee must not change or alter the requirement of an individual to report as set forth in subsection (3). The payment of the registration fee under this subdivision is not required to be made for any registration year that has expired before January 1, 2014 or to be made by any individual initially required to register under this act after January 1, 2027. The registration fee required to be paid under this subdivision must not be prorated on grounds that the individual will complete his or her registration period after the month in which the fee is due.

(c) The sum of the amounts required to be paid under subdivisions (a) and (b) must not exceed \$550.00.

(7) Except as otherwise provided in this subsection, an individual required to be registered under this act shall maintain either a valid operator's or chauffeur's license issued under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or an official state personal identification card issued under 1972 PA 222, MCL 28.291 to 28.300, with the individual's current address. The license or card may be used as proof of domicile or residence under this section. In addition, the officer or authorized employee may require the individual to produce another document bearing his or her name and address, including, but not limited to, voter registration or a utility or other bill. The department may specify other satisfactory proof of domicile or residence. The requirement to maintain a valid operator's or chauffeur's license issued under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, or an official state personal identification card issued under 1972 PA 222, MCL 28.291 to 28.300, does not apply to an individual required to be registered under this act who is homeless. As used in this subsection, "homeless" means someone who lacks a fixed or temporary residence.

(8) An individual registered under this act who is incarcerated shall report to the secretary of state under this subsection not more than 7 days after he or she is released to have his or her digitalized photograph taken. The individual is not required to report under this subsection if he or she had a digitized photograph taken for an operator's or chauffeur's license or official state personal identification card before January 1, 2000, or within 2 years before he or she is released unless his or her appearance has changed from the date of that photograph. Unless the person is a nonresident, the photograph must be used on the individual's operator's or chauffeur's license or official state personal identification card. The individual shall have a new photograph taken when he or she renews the license or identification card as provided by law, or as otherwise provided in this act. The secretary of state shall make the digitized photograph available to the department for a registration under this act.

(9) If an individual does not report under this section or under section 4a, the department shall notify all registering authorities as provided in section 8a⁵ and initiate enforcement action as set forth in that section.

(10) The department shall prescribe the form for the notices and verification procedures required under this section.

28.728c. Petition to discontinue registration; eligibility; procedure; powers and duties of court

Effective: July 1, 2011

Currentness

Sec. 8c. (1) An individual classified as a tier I offender who meets the requirements of subsection (12) may petition the court under that subsection for an order allowing him or her to discontinue registration under this act.

(2) An individual classified as a tier III offender who meets the requirements of subsection (13) may petition the court under that subsection for an order allowing him or her to discontinue registration under this act.

(3) An individual classified as a tier I, tier II, or tier III offender who meets the requirements of subsection (14) or (15) may petition the court under that subsection for an order allowing him or her to discontinue registration under this act.

(4) This section is the sole means by which an individual may obtain judicial review of his or her registration requirements under this act. This subsection does not prohibit an appeal of the conviction or sentence as otherwise provided by law or court rule. A petition filed under this section shall be filed in the court in which the individual was convicted of committing the listed offense. However, if the conviction occurred in another state or country and the individual is a resident of this state, the individual may file a petition in the circuit court in the county of his or her residence for an order allowing him or her to discontinue registration under this act only. A petition shall not be filed under this section if a previous petition was filed under this section and was denied by the court after a hearing.

(5) A petition filed under this section shall be made under oath and shall contain all of the following:

(a) The name and address of the petitioner.

(b) A statement identifying the offense for which discontinuation from registration is being requested.

(c) A statement of whether the individual was previously convicted of a listed offense for which registration is required under this act.

(6) An individual who knowingly makes a false statement in a petition filed under this section is guilty of perjury as proscribed under section 423 of the Michigan penal code, 1931 PA 328, MCL 750.423.

(7) A copy of the petition shall be filed with the office of the prosecuting attorney that prosecuted the case against the individual or, for a conviction that occurred in another state or country, the prosecuting attorney for the county of his or her residence, at least 30 days before a hearing is held on the petition. The prosecuting attorney may appear and participate in all proceedings regarding the petition and may seek appellate review of any decision on the petition.

(8) If the name of the victim of the offense is known by the prosecuting attorney, the prosecuting attorney shall provide the victim with written notice that a petition has been filed and shall provide the victim with a copy of the petition. The notice shall be sent by first-class mail to the victim's last known address. The petition shall include a statement of the victim's rights under subsection (10).

(9) If an individual properly files a petition with the court under this section, the court shall conduct a hearing on the petition as provided in this section.

(10) The victim has the right to attend all proceedings under this section and to make a written or oral statement to the court before any decision regarding the petition is made. A victim shall not be required to appear at any proceeding under this section against his or her will.

(11) The court shall consider all of the following in determining whether to allow the individual to discontinue registration under subsection (12) or (13) but shall not grant the petition if the court determines that the individual is a continuing threat to the public:

(e) The petitioner successfully completed a sex offender treatment program certified by the United States attorney general under 42 USC 16915(b)(1), or another appropriate sex offender treatment program. The court may waive the requirements of this subdivision if successfully completing a sex offender treatment program was not a condition of the petitioner's confinement, release, probation, or parole.

(13) The court may grant a petition properly filed by an individual under subsection (2) if all of the following apply:

(a) The petitioner is required to register based on an order of disposition entered under section 18 of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.18, that is open to the general public under section 28 of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.28.

28.721a. Legislative declarations; purpose of registration requirements

Currentness

Sec. 1a. The legislature declares that the sex offenders registration act was enacted pursuant to the legislature's exercise of the police power of the state with the intent to better assist law enforcement officers and the people of this state in preventing and protecting against the commission of future criminal sexual acts by convicted sex offenders. The legislature has determined that a person who has been convicted of committing an offense covered by this act poses a potential serious menace and danger to the health, safety, morals, and welfare of the people, and particularly the children, of this state. The registration requirements of this act are intended to provide law enforcement and the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who pose such a potential danger.

The court shall require the person to read and sign a form stating that the duty of the person to register under this section has been explained. The court shall make available the signed court notification form, the complaint, and sentencing documents to the bureau. If a person required to register under subdivision 1b, paragraph (a), was not notified by the court of the registration requirement at the time of sentencing or disposition, the assigned corrections agent shall notify the person of the requirements of this section. If a person required to register under subdivision 1b, paragraph (a), was not notified by the court of the registration requirement at the time of sentencing or disposition and does not have a corrections agent, the law enforcement authority with jurisdiction over the person's primary address shall notify the person of the requirements. When a person who is required to register under subdivision 1b, paragraph (c) or (d), is released from commitment, the treatment facility shall notify the person of the requirements of this section. The treatment facility shall also obtain the registration information required under this section and forward it to the bureau.

Subd. 3. Registration procedure. (a) Except as provided in subdivision 3a, a person required to register under this section shall register with the corrections agent as soon as the agent is assigned to the person. If the person does not have an assigned corrections agent or is unable to locate the assigned corrections agent, the person shall register with the law enforcement authority that has jurisdiction in the area of the person's primary address.

(b) Except as provided in subdivision 3a, at least five days before the person starts living at a new primary address, including living in another state, the person shall give written notice of the new primary address to the assigned corrections agent or to the law enforcement authority with which the person currently is registered. If the person will be living in a new state and that state

has a registration requirement, the person shall also give written notice of the new address to the designated registration agency in the new state. A person required to register under this section shall also give written notice to the assigned corrections agent or to the law enforcement authority that has jurisdiction in the area of the person's primary address that the person is no longer living or staying at an address, immediately after the person is no longer living or staying at that address. The written notice required by this paragraph must be provided in person. The corrections agent or law enforcement authority shall, within two business days after receipt of this information, forward it to the bureau. The bureau shall, if it has not already been done, notify the law enforcement authority having primary jurisdiction in the community where the person will live of the new address. If the person is leaving the state, the bureau shall notify the registration authority in the new state of the new address. The person's registration requirements under this section are suspended after the person begins living in the new state and the bureau has confirmed the address in the other state through the annual verification process on at least one occasion. The bureau may also attempt to confirm the person's address in the other state by the following methods:

- (1) receipt of a verification letter from the law enforcement authority having primary jurisdiction in the community where the person is now living, acknowledging the person's address;
- (2) receipt of a written communication or verification letter from a criminal justice agency confirming the person's location;
- (3) confirmation of the individual's compliance with registration requirements or incarceration status in the new state via an online registry or website, if applicable; or
- (4) confirmation of the individual's motor vehicle records under United States Code, title 18, section 2721, in the new state via the new state's documentation.

The bureau is the sole determinant as to whether the information provided by any of the methods in clauses (1) to (3) is sufficient for verification purposes and may use more than one of these methods to satisfy the verification requirement. For purposes of this subdivision, "criminal justice agency" means an agency of a state, a political subdivision, a federally recognized Tribe, a United States territory, or the federal government charged with detection, enforcement, prosecution, adjudication, or incarceration with respect to federal or state criminal laws. The person's registration requirements under this section are reactivated if the person resumes living in Minnesota and the registration time period described in subdivision 6 has not expired.

(c) A person required to register under subdivision 1b, paragraph (b), because the person is working or attending school in Minnesota shall register with the law enforcement authority that has jurisdiction in the area where the person works or attends school. In addition to other information required by this section, the person shall provide the address of the school or of the location where the person is employed. A person shall comply with this paragraph within five days of beginning employment or school. A person's obligation to register under this paragraph terminates when the person is no longer working or attending school in Minnesota.

(d) A person required to register under this section who works or attends school outside of Minnesota shall register as a predatory offender in the state where the person works or attends school. The person's corrections agent, or if the person does not have an assigned corrections agent, the law enforcement authority that has jurisdiction in the area of the person's primary address shall notify the person of this requirement.

Subd. 3a. Registration procedure when person lacks primary address. (a) If a person leaves a primary address and does not have a new primary address, the person shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours of the time the person no longer has a primary address.

(b) Notwithstanding the time period for registration in paragraphs (a) and (c), a person with a primary address of a correctional facility who is scheduled to be released from the facility and who does not have a new primary address shall register with the law enforcement authority that has jurisdiction in the area where the person will be staying at least three days before the person is released from the correctional facility.

(c) A person who lacks a primary address shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours after entering the jurisdiction. Each time a person who lacks a primary address moves to a new jurisdiction without acquiring a new primary address, the person shall register with the law enforcement authority that has jurisdiction in the area where the person is staying within 24 hours after entering the jurisdiction.

(d) Upon registering under this subdivision, the person shall provide the law enforcement authority with all of the information the individual is required to provide under subdivision 4a. However, instead of reporting the person's primary address, the person shall describe the location of where the person is staying with as much specificity as possible.

(e) Except as otherwise provided in paragraph (f), if a person continues to lack a primary address, the person shall report in person on a weekly basis to the law enforcement authority with jurisdiction in the area where the person is staying. This weekly report shall occur between the hours of 9:00 a.m. and 5:00 p.m. The person is not required to provide the registration information required under subdivision 4a each time the offender reports to an authority, but the person shall inform the authority of changes to any information provided under this subdivision or subdivision 4a and shall otherwise comply with this subdivision.

(f) If the law enforcement authority determines that it is impractical, due to the person's unique circumstances, to require a person lacking a primary address to report weekly and in person as required under paragraph (e), the authority may authorize the person to follow an alternative reporting procedure. The authority shall consult with the person's corrections agent, if the person has one, in establishing the specific criteria of this alternative procedure, subject to the following requirements:

(1) the authority shall document, in the person's registration record, the specific reasons why the weekly in-person reporting process is impractical for the person to follow;

(2) the authority shall explain how the alternative reporting procedure furthers the public safety objectives of this section;

(3) the authority shall require the person lacking a primary address to report in person at least monthly to the authority or the person's corrections agent and shall specify the location where the person shall report. If the authority determines it would be more practical and would further public safety for the person to report to another law enforcement authority with jurisdiction where the person is staying, it may, after consulting with the other law enforcement authority, include this requirement in the person's alternative reporting process;

(4) the authority shall require the person to comply with the weekly, in-person reporting process required under paragraph (e), if the person moves to a new area where this process would be practical;

(5) the authority shall require the person to report any changes to the registration information provided under subdivision 4a and to comply with the periodic registration requirements specified under paragraph (g); and

(6) the authority shall require the person to comply with the requirements of subdivision 3, paragraphs (b) and (c), if the person moves to a primary address.

(g) If a person continues to lack a primary address and continues to report to the same law enforcement authority, the person shall provide the authority with all of the information the individual is required to provide under this subdivision and subdivision 4a at least annually, unless the person is required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States. If the person is required to register under subdivision 1b, paragraph (c), the person shall provide the law enforcement authority with all of the information the individual is required to report under this subdivision and subdivision 4a at least once every three months.

(h) A law enforcement authority receiving information under this subdivision shall forward registration information and changes to that information to the bureau within two business days of receipt of the information.

(i) For purposes of this subdivision, a person who fails to report a primary address will be deemed to be a person who lacks a primary address, and the person shall comply with the requirements for a person who lacks a primary address.

Subd. 4. Contents of registration. (a) The registration provided to the corrections agent or law enforcement authority, must consist of a statement in writing signed by the person, giving information required by the bureau, fingerprints, biological specimen for DNA analysis as defined under section 299C.155, subdivision 1, and photograph of the person taken at the time of the person's release from incarceration or, if the person was not incarcerated, at the time the person initially registered under this section. The registration information also must include a written consent form signed by the person allowing a treatment facility or residential housing unit or shelter to release information to a law enforcement officer about the person's admission to, or residence in, a treatment facility or residential housing unit or shelter. Registration information on adults and juveniles may be maintained together notwithstanding section 260B.171, subdivision 3.

(b) For persons required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States, in addition to other information required by this section, the registration provided to the corrections agent or law enforcement authority must include the person's offense history and documentation of treatment received during the person's commitment. This documentation is limited to a statement of how far the person progressed in treatment during commitment.

(c) Within three days of receipt, the corrections agent or law enforcement authority shall forward the registration information to the bureau. The bureau shall ascertain whether the person has registered with the law enforcement authority in the area of the person's primary address, if any, or if the person lacks a primary address, where the person is staying, as required by subdivision 3a. If the person has not registered with the law enforcement authority, the bureau shall notify that authority.

(d) The corrections agent or law enforcement authority may require that a person required to register under this section appear before the agent or authority to be photographed. The agent or authority shall submit the photograph to the bureau.

(1) Except as provided in clause (2), the agent or authority may photograph any offender at a time and frequency chosen by the agent or authority.

(2) The requirements of this paragraph shall not apply during any period where the person to be photographed is: (i) committed to the commissioner of corrections and incarcerated, (ii) incarcerated in a regional jail or county jail, or (iii) committed to the Direct Care and Treatment executive board and receiving treatment in a secure treatment facility.

(e) During the period a person is required to register under this section, the following provisions apply:

(1) Except for persons registering under subdivision 3a, the bureau shall mail a verification form to the person's last reported primary address. This verification form must provide notice to the offender that, if the offender does not return the verification form as required, information about the offender may be made available to the public through electronic, computerized, or other accessible means. For persons who are registered under subdivision 3a, the bureau shall mail an annual verification form to the law enforcement authority where the offender most recently reported. The authority shall provide the verification form to the person at the next weekly meeting and ensure that the person completes and signs the form and returns it to the bureau. Notice is sufficient under this paragraph if the verification form is sent by first class mail to the person's last reported primary address, or for persons registered under subdivision 3a, to the law enforcement authority where the offender most recently reported.

(2) The person shall mail the signed verification form back to the bureau within ten days after receipt of the form, stating on the form the current and last address of the person's residence and the other information required under subdivision 4a.

(3) In addition to the requirements listed in this section, an offender who is no longer under correctional supervision for a registration offense, or a failure to register offense, but who resides, works, or attends school in Minnesota, shall have an in-person contact with a law enforcement authority as provided in this section. If the person resides in Minnesota, the in-person contact shall be with the law enforcement authority that has jurisdiction over the person's primary address or, if the person has no address, the location where the person is staying. If the person does not reside in Minnesota but works or attends school in this state, the person shall have an in-person contact with the law enforcement authority or authorities with jurisdiction over the person's school or workplace. During the month of the person's birth date, the person shall report to the authority to verify the accuracy of the registration information and to be photographed. Within three days of this contact, the authority shall enter information as required by the bureau into the predatory offender registration database and submit an updated photograph of the person to the bureau's predatory offender registration unit.

(4) If the person fails to mail the completed and signed verification form to the bureau within ten days after receipt of the form, or if the person fails to report to the law enforcement authority during the month of the person's birth date, the person is in violation of this section.

(5) For any person who fails to mail the completed and signed verification form to the bureau within ten days after receipt of the form and who has been determined to be subject to community notification pursuant to section 253D.32 or is a risk level III offender under section 244.052, the bureau shall immediately investigate and notify local law enforcement authorities to investigate the person's location and to ensure compliance with this section. The bureau also shall immediately give notice

of the person's violation of this section to the law enforcement authority having jurisdiction over the person's last registered primary address.

For persons required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States, the bureau shall comply with clause (1) at least two times each year. For persons who, under section 244.052, are assigned to risk level III and who are no longer under correctional supervision for a registration offense or a failure to register offense, the bureau shall comply with clause (1) at least two times each year. For all other persons required to register under this section, the bureau shall comply with clause (1) each year within 30 days of the anniversary date of the person's initial registration.

(f) For persons registered under this section on July 1, 2019, each person, on or before one year from that date, must provide a biological specimen for the purpose of DNA analysis to the probation agency or law enforcement authority where that person is registered. A person who provides or has provided a biological specimen for the purpose of DNA analysis under chapter 299C or section 609.117 meets the requirements of this paragraph.

(g) For persons registered under this section on July 1, 2019, each person, on or before one year from that date, must provide fingerprints to the probation agency or law enforcement authority where that person is registered.

Subd. 4a. Information required to be provided. (a) A person required to register under this section shall provide to the corrections agent or law enforcement authority the following information:

- (1) the person's primary address;
- (2) all of the person's secondary addresses in Minnesota, including all addresses used for residential or recreational purposes;
- (3) the addresses of all Minnesota property owned, leased, or rented by the person;
- (4) the addresses of all locations where the person is employed;
- (5) the addresses of all schools where the person is enrolled;
- (6) the year, model, make, license plate number, and color of all motor vehicles owned or regularly driven by the person;
- (7) the expiration year for the motor vehicle license plate tabs of all motor vehicles owned by the person; and
- (8) all telephone numbers including work, school, and home and any cellular telephone service.

(b) The person shall report to the agent or authority the information required to be provided under paragraph (a), clauses (2) to (8), within five days of the date the clause becomes applicable. If because of a change in circumstances any information reported under paragraph (a), clauses (1) to (8), no longer applies, the person shall immediately inform the agent or authority

that the information is no longer valid. If the person leaves a primary address and does not have a new primary address, the person shall register as provided in subdivision 3a.

Subd. 4b. Health care facility; notice of status. (a) For the purposes of this subdivision:

(1) “health care facility” means a facility:

(i) licensed by the commissioner of health as a hospital, boarding care home or supervised living facility under sections 144.50 to 144.58, or a nursing home under chapter 144A;

(ii) licensed by the commissioner of health as an assisted living facility as defined in section 144G.01; or

(iii) licensed by the commissioner of human services as a residential facility under chapter 245A to provide adult foster care, adult mental health treatment, substance use disorder treatment to adults, or residential services to persons with disabilities;

(2) “home care provider” has the meaning given in section 144A.43; and

(3) “hospice provider” has the meaning given in section 144A.75.

(b) Prior to admission to a health care facility or home care services from a home care provider or hospice services from a hospice provider, a person required to register under this section shall disclose to:

(1) the health care facility employee or the home care provider or hospice provider processing the admission the person's status as a registered predatory offender under this section; and

(2) the person's corrections agent, or if the person does not have an assigned corrections agent, the law enforcement authority with whom the person is currently required to register, that admission will occur.

(c) A law enforcement authority or corrections agent who receives notice under paragraph (b) or who knows that a person required to register under this section is planning to be admitted and receive, or has been admitted and is receiving health care at a health care facility or home care services from a home care provider or hospice services from a hospice provider, shall notify the administrator of the facility or the home care provider or the hospice provider and deliver a fact sheet to the administrator or provider containing the following information: (1) name and physical description of the offender; (2) the offender's conviction history, including the dates of conviction; (3) the risk level classification assigned to the offender under section 244.052, if any; and (4) the profile of likely victims.

(d) Except for a hospital licensed under sections 144.50 to 144.58, if a health care facility receives a fact sheet under paragraph (c) that includes a risk level classification for the offender, and if the facility admits the offender, the facility shall distribute the fact sheet to all residents at the facility. If the facility determines that distribution to a resident is not appropriate given the resident's medical, emotional, or mental status, the facility shall distribute the fact sheet to the patient's next of kin or emergency contact.

(e) If a home care provider or hospice provider receives a fact sheet under paragraph (c) that includes a risk level classification for the offender, the provider shall distribute the fact sheet to any individual who will provide direct services to the offender before the individual begins to provide the service.

Subd. 4c. Notices in writing; signed. All notices required by this section must be in writing and signed by the person required to register. For purposes of this section, a signature is as defined in section 645.44, subdivision 14, by an electronic method established by the bureau, or by use of a biometric for the person. If a biometric is used, the person must provide a sample that is forwarded to the bureau so that it can be maintained for comparison purposes to verify the person's identity. The bureau shall determine the signature methods available for use and post this determination on the bureau's website.

Subd. 4d. Guardians, conservators, and power of attorney. Guardians and conservators of persons required to register shall have the authority to complete all verification and registration paperwork under this section and section 243.167 on the person's behalf. A validly executed power of attorney under chapter 523 grants the attorney in fact the authority to complete all verification and registration paperwork under this section and section 243.167 on behalf of a person required to register.

Subd. 5. Criminal penalty. (a) A person required to register under this section who was given notice, knows, or reasonably should know of the duty to register and who:

(1) knowingly commits an act or fails to fulfill a requirement that violates any provision of this section; or

(2) intentionally provides false information to a corrections agent, law enforcement authority, or the bureau is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

(b) Except as provided in paragraph (c), a person convicted of violating paragraph (a) shall be committed to the custody of the commissioner of corrections for not less than a year and a day, nor more than five years.

(c) A person convicted of violating paragraph (a), who has previously been convicted of or adjudicated delinquent for violating this section or a similar statute of another state or the United States, shall be committed to the custody of the commissioner of corrections for not less than two years, nor more than five years.

(d) Prior to the time of sentencing, the prosecutor may file a motion to have the person sentenced without regard to the mandatory minimum sentence established by this subdivision. The motion must be accompanied by a statement on the record of the reasons for it. When presented with the motion, or on its own motion, the court may sentence the person without regard to the mandatory minimum sentence if the court finds substantial and compelling reasons to do so. Sentencing a person in the manner described in this paragraph is a departure from the Sentencing Guidelines.

(e) A person convicted and sentenced as required by this subdivision is not eligible for probation, parole, discharge, work release, conditional release, or supervised release, until that person has served the full term of imprisonment as provided by law, notwithstanding the provisions of sections 241.26, 242.19, 243.05, 244.04, 609.12, and 609.135.

Subd. 5a. Ten-year conditional release for violations committed by level III offenders. Notwithstanding the statutory maximum sentence otherwise applicable to the offense or any provision of the sentencing guidelines, when a court commits a person to the custody of the commissioner of corrections for violating subdivision 5 and, at the time of the violation, the person was assigned to risk level III under section 244.052, the court shall provide that after the person has been released from prison, the commissioner shall place the person on conditional release for ten years. The terms of conditional release are governed by section 609.3455, subdivision 8.

Subd. 6. Registration period. (a) Notwithstanding the provisions of section 609.165, subdivision 1, and except as provided in paragraphs (b), (c), and (d), a person required to register under this section shall continue to comply with this section until ten years have elapsed since the person initially registered in connection with the offense, or until the probation, supervised release, or conditional release period expires, whichever occurs later. For a person required to register under this section who is committed under section 253B.18, Minnesota Statutes 2012, section 253B.185, or chapter 253D, the ten-year registration period does not include the period of commitment.

(b) If a person required to register under this section fails to provide the person's primary address as required by subdivision 3, paragraph (b), fails to comply with the requirements of subdivision 3a, fails to provide information as required by subdivision 4a, or fails to return the verification form referenced in subdivision 4 within ten days, the commissioner of public safety shall require the person to continue to register for an additional period of five years. This five-year period is added to the end of the offender's registration period.

(c) If a person required to register under this section is incarcerated due to a conviction for a new offense that requires registration under this section or section 243.167 or following a revocation of probation, supervised release, or conditional release for an offense that requires registration under this section or section 243.167, the person shall continue to register until ten years have elapsed since the person was last released from incarceration or until the person's probation, supervised release, or conditional release period expires, whichever occurs later.

(d) A person shall continue to comply with this section for the life of that person:

(1) if the person is convicted of or adjudicated delinquent for any offense for which registration is required under subdivision 1b, or any offense from another state or any federal offense similar to the offenses described in subdivision 1b, and the person has a prior conviction or adjudication for an offense for which registration was or would have been required under subdivision 1b, or an offense from another state or a federal offense similar to an offense described in subdivision 1b;

(2) if the person is required to register based upon a conviction or delinquency adjudication for an offense under section 609.185, paragraph (a), clause (2), or a similar statute from another state or the United States;

(3) if the person is required to register based upon a conviction for an offense under section 609.342, subdivision 1, clause (a) to (c) or (e), or subdivision 1a, clause (a) to (e) or (h); 609.343, subdivision 1, clause (a) to (c) or (e), or subdivision 1a, clause (a) to (e) or (h); 609.344, subdivision 1, clause (a) or (c), or subdivision 1a, clause (a), (c), (g), or (h); or 609.345, subdivision 1, clause (a) or (c), or subdivision 1a, clause (a), (c), (g), or (h); or a statute from another state or the United States similar to the offenses described in this clause; or

(4) if the person is required to register under subdivision 1b, paragraph (c), following commitment pursuant to a court commitment under Minnesota Statutes 2012, section 253B.185, chapter 253D, Minnesota Statutes 1992, section 526.10, or a similar law of another state or the United States.

(e) A person described in subdivision 1b, paragraph (b), who is required to register under the laws of a state in which the person has been previously convicted or adjudicated delinquent, shall register under this section for the time period required by the state of conviction or adjudication unless a longer time period is required elsewhere in this section.

Subd. 7. Use of data. (a) Except as otherwise provided in subdivision 4b or 7a or sections 244.052 and 299C.093, the data provided under this section is private data on individuals under section 13.02, subdivision 12.

(b) The data may be used only by law enforcement and corrections agencies for law enforcement and corrections purposes. Law enforcement or a corrections agent may disclose the status of an individual as a predatory offender to a child protection worker with a local welfare agency for purposes of doing an investigation or family assessment under chapter 260E. A corrections agent may also disclose the status of an individual as a predatory offender to comply with section 244.057.

(c) The commissioner of human services is authorized to have access to the data for purposes of completing background studies under chapter 245C.

(d) The Direct Care and Treatment executive board is authorized to have access to data for any service, program, or facility owned or operated by the state of Minnesota and under the programmatic direction and fiscal control of the executive board for purposes described in section 246.13, subdivision 2, paragraph (b).

Subd. 7a. Availability of information on offenders who are out of compliance with registration law. (a) The bureau may make information available to the public about offenders who are 16 years of age or older and who are out of compliance with this section for 30 days or longer for failure to provide the offenders' primary or secondary addresses. This information may be made available to the public through electronic, computerized, or other accessible means. The amount and type of information made available is limited to the information necessary for the public to assist law enforcement in locating the offender.

(b) An offender who comes into compliance with this section after the bureau discloses information about the offender to the public may send a written request to the bureau requesting the bureau to treat information about the offender as private data, consistent with subdivision 7. The bureau shall review the request and promptly take reasonable action to treat the data as private, if the offender has complied with the requirement that the offender provide the offender's primary and secondary addresses, or promptly notify the offender that the information will continue to be treated as public information and the reasons for the bureau's decision.

(c) If an offender believes the information made public about the offender is inaccurate or incomplete, the offender may challenge the data under section 13.04, subdivision 4.

(d) The bureau is immune from any civil or criminal liability that might otherwise arise, based on the accuracy or completeness of any information made public under this subdivision, if the bureau acts in good faith.

Subd. 8. Repealed by Laws 2005, c. 136, art. 3, § 31, eff. June 3, 2005.

Subd. 9. Offenders from other states. (a) When the state accepts an offender from another state under a reciprocal agreement under the interstate compact authorized by section 243.1605, or under any authorized interstate agreement, the acceptance is conditional on the offender agreeing to register under this section when the offender is living in Minnesota.

(b) The Bureau of Criminal Apprehension shall notify the commissioner of corrections:

(1) when the bureau receives notice from a local law enforcement authority that a person from another state who is subject to this section has registered with the authority, unless the bureau previously received information about the offender from the commissioner of corrections;

(2) when a registration authority, corrections agent, or law enforcement agency in another state notifies the bureau that a person from another state who is subject to this section is moving to Minnesota; and

(3) when the bureau learns that a person from another state is in Minnesota and allegedly in violation of subdivision 5 for failure to register.

(c) When a local law enforcement agency notifies the bureau of an out-of-state offender's registration, the agency shall provide the bureau with information on whether the person is subject to community notification in another state and the risk level the person was assigned, if any.

(d) The bureau must forward all information it receives regarding offenders covered under this subdivision from sources other than the commissioner of corrections to the commissioner.

(e) When the bureau receives information directly from a registration authority, corrections agent, or law enforcement agency in another state that a person who may be subject to this section is moving to Minnesota, the bureau must ask whether the person entering the state is subject to community notification in another state and the risk level the person has been assigned, if any.

(f) When the bureau learns that a person subject to this section intends to move into Minnesota from another state or has moved into Minnesota from another state, the bureau shall notify the law enforcement authority with jurisdiction in the area of the person's primary address and provide all information concerning the person that is available to the bureau.

(g) The commissioner of corrections must determine the parole, supervised release, or conditional release status of persons who are referred to the commissioner under this subdivision. If the commissioner determines that a person is subject to parole, supervised release, or conditional release in another state and is not registered in Minnesota under the applicable interstate compact, the commissioner shall inform the local law enforcement agency that the person is in violation of section 243.161. If the person is not subject to supervised release, the commissioner shall notify the bureau and the local law enforcement agency of the person's status.

Subd. 10. Venue; aggregation. (a) A violation of this section may be prosecuted in any jurisdiction where an offense takes place. However, the prosecutorial agency in the jurisdiction where the person last registered a primary address is initially responsible to review the case for prosecution.

(b) When a person commits two or more offenses in two or more counties, the accused may be prosecuted for all of the offenses in any county in which one of the offenses was committed.

Subd. 11. Certified copies as evidence. Certified copies of predatory offender registration records are admissible as substantive evidence when necessary to prove the commission of a violation of this section.

Title 45. Public Safety and Good Order
Chapter 33. Registration of Sex Offenders

Miss. Code Ann. § 45-33-21

§ 45-33-21. Legislative findings and declaration of purpose

Currentness

The Legislature finds that the danger of recidivism posed by criminal sex offenders and the protection of the public from these offenders is of paramount concern and interest to government. The Legislature further finds that law enforcement agencies' efforts to protect their communities, conduct investigations, and quickly apprehend criminal sex offenders are impaired by the lack of information shared with the public, which lack of information may result in the failure of the criminal justice system to identify, investigate, apprehend, and prosecute criminal sex offenders.

The Legislature further finds that the system of registering criminal sex offenders is a proper exercise of the state's police power regulating present and ongoing conduct. Comprehensive registration and periodic address verification will provide law enforcement with additional information critical to preventing sexual victimization and to resolving promptly incidents involving sexual abuse and exploitation. It will allow law enforcement agencies to alert the public when necessary for the continued protection of the community.

Persons found to have committed a sex offense have a reduced expectation of privacy because of the public's interest in safety and in the effective operation of government. In balancing offenders' due process and other rights, and the interests of public security, the Legislature finds that releasing such information about criminal sex offenders to the general public will further the primary governmental interest of protecting vulnerable populations and, in some instances the public, from potential harm.

Therefore, the state's policy is to assist local law enforcement agencies' efforts to protect their communities by requiring criminal sex offenders to register, to record their addresses of residence, to be photographed and fingerprinted, and to authorize the release of necessary and relevant information about criminal sex offenders to the public as provided in this chapter, which may be referred to as the Mississippi Sex Offenders Registration Law.

(2)(a) A person required to register as a sex offender who is a parent or guardian of a student attending the school and who complies with subsection (3) may be present on school property if the parent or guardian is:

- (ii) Section 97-3-71 relating to rape and assault with intent to ravish;

(g) A first-time offender fourteen (14) years of age or older adjudicated delinquent in a youth court for a registrable offense of rape pursuant to Section 96-3-65 or a registrable offense of sexual battery pursuant to Section 97-3-95 is subject to lifetime registration, but shall be eligible to petition to be relieved of the duty to register after twenty-five (25) years of registration.

(h) Registration following arrest or arraignment for failure to register is not a defense and does not relieve the sex offender of criminal liability for failure to register.

(i) The department shall continue to list in the registry the name and registration information of all registrants who no longer work, reside or attend school in this state even after the registrant moves to another jurisdiction and registers in the new jurisdiction as required by law. The registry shall note that the registrant moved out of state.

(3) In determining whether to release an offender from the obligation to register, the court shall consider the nature of the registrable offense committed and the criminal and relevant noncriminal behavior of the petitioner both before and after conviction. The court may relieve the offender of the duty to register only if the petitioner shows, by clear and convincing evidence, that the registrant properly maintained his registration as required by law and that future registration of the petitioner will not serve the purposes of this chapter and the court is otherwise satisfied that the petitioner is not a current or potential threat to public safety. The district attorney in the circuit in which the petition is filed must be given notice of the petition at least three (3) weeks before the hearing on the matter. The district attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. If the court denies the petition, the petitioner may not again petition the court for relief until one (1) year has elapsed unless the court orders otherwise in its order of denial of relief.

(4) The offender will be required to continue registration for any sex offense conviction unless the conviction is set aside in any post-conviction proceeding, the offender receives a pardon, the charge is dismissed or the offender has received a court order pursuant to this section relieving him of the duty to register. Upon submission of the appropriate documentation to the department of one (1) of these occurrences, registration duties will be discontinued.

(5) A person required to register as a sex offender who is convicted under Section 45-33-33 of providing false registration information or of failure to register, reregister, update registration, or comply with electronic monitoring shall be subject to electronic monitoring at the expense of the offender under the program provided in Section 45-33-45. Termination of the duty to register also terminates the duty to be monitored.

 - (8) If the petitioner is currently registered under applicable law and has not been adjudicated for failure to register in any jurisdiction and does not have any charges pending for failure to register.
6. The petition shall name as respondents the Missouri state highway patrol and the chief law enforcement official in the county or city not within a county in which the petition is filed.
7. All proceedings under this section shall be governed under the Missouri supreme court rules of civil procedure.

8. The person seeking removal or exemption from the registry shall provide the prosecuting attorney in the circuit court in which the petition is filed with notice of the petition. The prosecuting attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. Failure of the person seeking removal or exemption from the registry to notify the prosecuting attorney of the petition shall result in an automatic denial of such person's petition.

9. The prosecuting attorney in the circuit court in which the petition is filed shall have access to all applicable records concerning the petitioner including, but not limited to, criminal history records, mental health records, juvenile records, and records of the department of corrections or probation and parole.

10. The prosecuting attorney shall make reasonable efforts to notify the victim of the crime for which the person was required to register of the petition and the dates and times of any hearings or other proceedings in connection with such petition.

11. The court shall not enter an order directing the removal of the petitioner's name from the sexual offender registry unless it finds the petitioner:

(1) Has not been adjudicated or does not have charges pending for any additional nonsexual offense for which imprisonment for more than one year may be imposed since the date the offender was required to register for his or her current tier level;

(2) Has not been adjudicated or does not have charges pending for any additional sex offense that would require registration under sections 589.400 to 589.425 since the date the offender was required to register for his or her current tier level, even if the offense was punishable by less than one year imprisonment;

(3) Has successfully completed any required periods of supervised release, probation, or parole without revocation since the date the offender was required to register for his or her current tier level;

(4) Has successfully completed an appropriate sex offender treatment program as approved by a court of competent jurisdiction or the Missouri department of corrections; and

(5) Is not a current or potential threat to public safety.

12. In order to meet the criteria required by subdivisions (1) and (2) of subsection 11 of this section, the fingerprints filed in the case shall be examined by the Missouri state highway patrol. The petitioner shall be responsible for all costs associated with the fingerprint-based criminal history check of both state and federal files under section 43.530.

13. If the petition is denied due to an adjudication in violation of subdivision (1) or (2) of subsection 11 of this section, the petitioner shall not file a new petition under this section until:

(1) Fifteen years have passed from the date of the adjudication resulting in the denial of relief if the petitioner is classified as a tier I offender;

(2) Twenty-five years have passed from the date of adjudication resulting in the denial of relief if the petitioner is classified as a tier II offender; or

(3) Twenty-five years have passed from the date of the adjudication resulting in the denial of relief if the petitioner is classified as a tier III offender on the basis of a juvenile adjudication.

14. If the petition is denied due to the petitioner having charges pending in violation of subdivision (1) or (2) of subsection 11 of this section, the petitioner shall not file a new petition under this section until:

(1) The pending charges resulting in the denial of relief have been finally disposed of in a manner other than adjudication; or

(2) If the pending charges result in an adjudication, the necessary time period has elapsed under subsection 13 of this section.

15. If the petition is denied for reasons other than those outlined in subsection 11 of this section, no successive petition requesting such relief shall be filed for at least five years from the date the judgment denying relief is entered.

16. If the court finds the petitioner is entitled to have his or her name removed from the sexual offender registry, the court shall enter judgment directing the removal of the name. A copy of the judgment shall be provided to the respondents named in the petition.

17. Any person subject to the judgment requiring his or her name to be removed from the sexual offender registry is not required to register under sections 589.400 to 589.425 unless such person is required to register for an offense that was different from that listed on the judgment of removal.

18. The court shall not deny the petition unless the petition failed to comply with the provisions of sections 589.400 to 589.425 or the prosecuting attorney provided evidence demonstrating the petition should be denied.

If an offender resides in more than one location within the same county or municipality, the registration agency shall require the offender to provide all of the locations where the offender regularly resides and to designate one of them as the offender's primary residence.

46-23-506. Duty of registration--duration, frequency, reduction, and relief

Effective: October 1, 2025

Currentness

(1) A sexual offender required to register under this part shall register for the remainder of the sexual offender's life, except as provided in subsection (3) or during a period of time during which the sexual offender is in prison.

(2)(a) A violent offender required to register under this part shall register for the 10 years following release from confinement or, if not confined following sentencing, for the 10 years following the conclusion of the sentencing hearing and after registering for 10 years, is automatically relieved of the duty to register unless convicted as provided in subsection (2)(b).

(b) If convicted during the 10-year period provided in subsection (2)(a) of failing to register or keep registration current or of a felony, the violent offender shall register for the remainder of the violent offender's life unless relieved of the duty to register as provided in subsection (2)(e).

(c) When a violent offender is relieved of the duty to register under subsection (2)(a), the department of justice shall remove the violent offender from the registry.

(d) Petitions for relief from registration under this part must be filed in the appropriate Montana district court. Orders or other documents granting relief from registration requirements that originated in other jurisdictions are not valid in Montana.

(e) Except as provided in subsection (5), at any time after 10 years of registration for a violent offender registered as provided in subsection (2)(b), a violent offender may petition the sentencing court or the district court for the judicial district in which the violent offender resides for an order relieving the violent offender of the duty to register. The petition must be served on the county attorney in the county where the petition is filed. Prior to a hearing on the petition, the county attorney shall mail a copy of the petition to the victim of the last offense for which the violent offender was convicted if the victim's address is reasonably available. The court shall consider any written or oral statements of the victim. The court may grant the petition on finding that:

(i) the violent offender has remained a law-abiding citizen; and

(ii) continued registration is not necessary for public protection and that relief from registration is in the best interests of society.

(3) Except as provided in subsection (7), at any time after 10 years of registration for a level 1 sexual offender and at any time after 25 years of registration for a level 2 sexual offender, an offender may petition the sentencing court or the district court for the judicial district in which the offender resides for an order relieving the offender of the duty to register. The petition must be served on the county attorney in the county where the petition is filed. Prior to a hearing on the petition, the county attorney shall mail a copy of the petition to the attorney general's office and to the victim of the last offense for which the offender was convicted if the victim's address is reasonably available. The court shall consider any written or oral statements of the victim. The court may grant the petition on finding that:

(a) the offender has maintained a clean record during their period of registration; and

(b) continued registration is not necessary for public protection and that relief from registration is in the best interests of society.

(4) A level 3 sexual offender may have their period of registration reduced to 25 years if the sexual offender was adjudicated delinquent of an offense as a juvenile that required level 3 sexual offender registration and the sexual offender has maintained a clean record for 25 consecutive years.

(5) For the purposes of this section, the sexual offender has a clean record if, during the period of time in which the sexual offender was required to register as a sexual offender:

(a) the sexual offender was not convicted of any felony offense;

(b) the sexual offender was not convicted of any sexual offense;

(c) the sexual offender successfully completed, without revocation, any period of supervised release, probation, or parole; and

(d) the sexual offender has successfully completed an appropriate sexual offender treatment program.

(6) The offender may move that all or part of the proceedings in a hearing under subsections (2)(e) and (3) be closed to the public, or the judge may close them on the judge's own motion. If a proceeding under subsections (2)(e) and (3) is closed to the public, the judge shall permit a victim of the offense to be present unless the judge determines that exclusion of the victim is necessary to protect the offender's right of privacy or the safety of the victim. If the victim is present, the judge, at the victim's request, shall permit the presence of an individual to provide support to the victim unless the judge determines that exclusion of the individual is necessary to protect the offender's right of privacy.

(7) Subsection (3) does not apply to an offender who was convicted of:

- (i) the victim was compelled to submit by force, as defined in 45-5-501, against the victim or another; or
- (ii) at the time the offense occurred, the victim was under 12 years of age;
- (b) a violation of 45-5-507 if at the time the offense occurred the victim was under 12 years of age and the offender was 3 or more years older than the victim;

(2) Upon sentencing the offender, the court shall:

(a) review the psychosexual evaluation report, any statement by a victim, and any statement by the offender;

(b) designate the offender as level 1, 2, or 3; and

(c) designate a level 3 offender as a sexually violent predator.

(3) An offender designated as a level 2 offender or given a level designation by another state, the federal government, or the department under subsection (5) that is determined by the court to be similar to level 2 may petition the sentencing court or the district court for the judicial district in which the offender resides to change the offender's designation if the offender has enrolled in and successfully completed the treatment phase of either the prison's sexual offender treatment program or of an equivalent program approved by the department. After considering the petition, the court may change the offender's risk level designation if the court finds by clear and convincing evidence that the offender's risk of committing a repeat sexual offense has changed since the time sentence was imposed. The court shall impose one of the three risk levels specified in this section.

(4) If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement.

(5) If an offense is covered by 46-23-502(10)(a)(xix), the offender registers under 46-23-504(1)(c), and the offender was given a risk level designation after conviction by another state or the federal government, the department of justice may give the offender the risk level designation assigned by the other state or the federal government. All offenders convicted in another state or by the federal government who are not currently under the supervision of the department or the youth court and were not given a risk level designation after conviction shall provide to the department of justice all prior risk assessments and psychosexual evaluations done to evaluate the offender's risk to reoffend. Any offender without a risk assessment or psychosexual evaluation shall, at the offender's expense, undergo a psychosexual evaluation with a sexual offender evaluator who has a license endorsement as provided for in 37-1-139. The results of the psychosexual evaluation may be requested by the attorney general or a county attorney for purposes of petitioning a district court to assign a risk level designation.

(6) The lack of a fixed residence is a factor that may be considered by the sentencing court or by the department in determining the risk level to be assigned to an offender pursuant to this section.

(7) Upon obtaining information that indicates that a sexual offender who is required to register under this part does not have a level 1, 2, or 3 designation, the offender, the attorney general, the county attorney that prosecuted the offender and obtained a conviction for a sexual offense, or the county attorney for the county in which the offender resides may, at any time, petition the district court that sentenced the offender for a sexual offense or the district court for the judicial district in which the offender resides to designate the offender as level 1, 2, or 3. Upon the filing of the petition, the court may order a psychosexual evaluation report at the petitioner's expense, or order that the results of all prior psychosexual evaluations be provided to all parties. The court shall provide the offender with an opportunity for a hearing prior to designating the offender. The petitioner shall provide the offender, the attorney general, and the county attorney that prosecuted the offender with notice of the petition and notice of the hearing. As provided in 46-23-506(2)(d), petitions for relief from registration under this part must be filed in the appropriate Montana district court. Orders or other documents granting relief from registration requirements that originated in other jurisdictions are not valid in Montana.

29-4002. Legislative findings

Currentness

The Legislature finds that sex offenders present a high risk to commit repeat offenses. The Legislature further finds that efforts of law enforcement agencies to protect their communities, conduct investigations, and quickly apprehend sex offenders are impaired by the lack of available information about individuals who have pleaded guilty to or have been found guilty of sex offenses and who live, work, or attend school in their jurisdiction. The Legislature further finds that state policy should assist efforts of local law enforcement agencies to protect their communities by requiring sex offenders to register with local law enforcement agencies as provided by the Sex Offender Registration Act.

The offender shall acknowledge in writing that he or she has received such notice. The petition shall be accompanied by a risk assessment prepared by a qualified psychiatrist or psychologist at the offender's expense. The court may grant the petition if the offender has not been convicted of any felony, class A misdemeanor, sex offense, or offense against a child, has successfully completed any periods of supervised release, probation, or parole, and has successfully completed an appropriate sex offender treatment program as determined by the court. If the court denies the petition, the offender shall not file another petition for 5 years from the date of denial.

(3) A tier I offender may petition the superior court to have his or her name and other information removed from the public list. The petition shall not be filed prior to the completion of all the terms and conditions of the sentence and in no case earlier than 5 years after the date of release. The petition shall be accompanied by a risk assessment prepared by a qualified psychiatrist or psychologist at the offender's expense. The court may grant the petition if the offender has not been convicted of any felony, class A misdemeanor, sexual offense, or offense against a child, has successfully completed any periods of supervised release, probation, or parole, and has successfully completed an appropriate sex offender treatment program as determined by the court.

(b) Prior to granting any petition to remove an offender from the public list, the court shall provide notice to the county attorney who prosecuted the case, the victim advocate, and the victim or victim's family, and permit those parties to be heard on the petition. Prior to any decision granting the application, the court shall provide the victim with the opportunity to address the court. The victim may appear personally, or by counsel, or may provide a written statement to reasonably express his or her views concerning the offense, the person responsible, and the need for maintaining the registration requirement. The judge shall consider the statements of the victim pursuant to this section when making a decision regarding the application. The judge shall grant the application, after a hearing, only where, in the opinion of the court, removal from the registration requirements will assist the individual in the individual's rehabilitation and will be consistent with the public welfare.

IV. Registration of any juvenile required to register pursuant to RSA 651-B:1, XI(a)(3) or (4) shall end when the juvenile turns 18 years of age unless the court which adjudicated the juvenile as a delinquent retains jurisdiction over the juvenile pursuant to RSA 169-B:4, V, in which case registration of the juvenile shall end when the court terminates jurisdiction over the juvenile's case. When the registration of a juvenile terminates, the department shall remove information relating to the juvenile from the SOR system and records of the juvenile's registration shall be handled in accordance with RSA 169-B:35 and RSA 169-B:36.

V. (a) Any tier II or tier III offender who was convicted prior to the establishment of the sex offender registry may petition the court to be relieved from the registration requirements under this chapter. The petition shall include the petitioner's current address and information about each conviction for which he or she is required to register, including the nature of the offense, the sentence imposed, and the court and the jurisdiction in which the petitioner was convicted. The petition shall be accompanied by a certified copy of the petitioner's criminal history record from each jurisdiction in which he or she is required to register. The petition shall not be filed prior to the completion of all the terms and conditions of the sentence, including any period of supervised release. The petition shall also be accompanied by a risk assessment prepared by a qualified psychiatrist or psychologist at the offender's expense, which indicates that the petitioner is not a danger to the public and no longer poses a risk sufficient to justify continued registration. The petition shall be filed in the county where the most recent predicate conviction occurred, except if the most recent predicate conviction occurred in another state or jurisdiction, the petition shall be filed in the county where the petitioner resides. Such petition shall not be filed as or addressed as part of a criminal case.

(b) Prior to granting any petition to relieve an offender from the registration requirements under this chapter, the court shall hold a hearing on the petition. The court shall provide notice of the hearing at least 60 days prior to the hearing to the county attorney, the department of safety sex offender unit, and the department of corrections. The county attorney shall use reasonable efforts to notify the victim or victim's family. The court shall permit those parties to be heard on the petition. The victim may appear personally, or through a representative, or may provide a written statement expressing his or her views concerning the offense, the person responsible, and the need for maintaining the registration requirement. The judge shall consider the statements of the victim when making a decision regarding the petition.

(c) The court may grant the petition if the offender has not been convicted of any subsequent offense requiring registration, has successfully completed any period of supervised release, probation, or parole, has successfully completed an appropriate sex offender treatment program as determined by the court, and has demonstrated that he or she is no longer a danger to the public and no longer poses a risk sufficient to justify continued registration. If the court denies the petition, the offender shall not file another petition for 5 years from the date of denial.

651-B:7 Availability of Information to the Public and Law Enforcement.

Currentness

I. Except as provided in this section, the records established and information collected pursuant to the provisions of this chapter shall not be considered “public records” subject to inspection under RSA 91-A:4. However, nothing in this chapter shall be construed to limit any law enforcement agency from making any use or disclosure of any such information as may be necessary for the performance of a valid law enforcement function. Nothing in this chapter shall be construed to limit an individual's ability to obtain access to the individual's own records, or to limit access to a person's criminal record under the provisions of RSA 106-B:14, including address information obtained under the provisions of this chapter.

II. The division shall maintain a list of all tier I, tier II, and tier III offenders required to register pursuant to this chapter. The list shall also include all offenders about whom the division receives notice pursuant to RSA 651-B:4, V. In addition to the information contained on the public list pursuant to paragraph III, the law enforcement list shall include all information reported to the local law enforcement agency or the department pursuant to RSA 651-B:4. In addition, the information shall include the text of the statute under which the offender was convicted and the criminal history of the offender. The list maintained pursuant to this paragraph shall not be available to the public but shall be available to law enforcement officials for valid law enforcement purposes.

III. (a) The division shall maintain a separate public list of all tier I, tier II, and tier III offenders who are required to register as a result of an offense against a child, any offenders about whom the division receives notice pursuant to RSA 651-B:4, V that will be required to register as a result of an offense against children, and any offender who is required to register for more than one sexual offense or offense against a child. The public list shall include all of the following information:

- (1) Offender's name, alias, age, race, sex, date of birth, height, weight, hair and eye color, and any other relevant physical description.
- (2) Address of any permanent residence and address of any temporary residence, within the state or out-of-state.
- (3) The offense for which the individual is required to register and the text of the provision of law defining the offense, and any other sex offense for which the individual has been convicted.
- (4) The date and court of the adjudication on the offense for which the individual is registered.
- (5) Outstanding arrest warrants, and the information listed in subparagraphs (a)(1)-(3), for any sexual offender or offender against children who has not complied with the obligation to register under this chapter.

(6) Criminal history of the offender, including the date of all convictions and the status of parole, probation, or supervised release, and registration status.

(7) A photograph of the individual.

(8) The address of any place where the individual is or will be a student.

(9) [Repealed.]

(b) Where such information is available, the public list may also include:

(1) Information on the profile of the victim of the individual's offense.

(2) The method of approach utilized by the individual.

(c) The public list shall not include:

(1) The identity of any victim either directly or indirectly. Sexual offenders convicted under RSA 632-A:2 shall be listed on the public list in a manner which does not disclose, directly or indirectly, that the victim and the defendant were related or members of the same household. For sexual offenders convicted under RSA 632-A:2, I, no specific reference to any statutory subparagraph shall appear on the public list.

(2) The social security number of the offender.

(3) Arrests of the offender which did not result in a conviction.

(4) The name of the employer or school which the offender attends.

(5) Information about a juvenile delinquent required to register pursuant to RSA 651-B:1, XI(a)(3) or (4).

IV. (a) The public list shall be made available to interested members of the public upon request to a local law enforcement agency. The department of safety shall also make the list available to the public through the use of the department's official public Internet website. The Internet website shall be available to the public in a manner that will permit the public to obtain relevant information for each sex offender by a single query for any given zip code or geographic radius set by the user. The website may include additional search parameters as determined by the department.

(b) Local law enforcement agencies may photograph, at the time of the registration, any individual who is required to be registered pursuant to this chapter. The consent of the registrant shall not be necessary. Such photographs may be used in the performance of any valid law enforcement function.

(c) In the discretion of the local law enforcement agency, such agency may affirmatively notify the public that an offender who is included on the public list received by the agency pursuant to subparagraph IV(a) is residing in the community.

V. Local law enforcement agencies, employees of local law enforcement agencies, county and state officials, municipal and school officials, and municipalities and school districts shall be immune from civil and criminal liability for good faith conduct under this chapter, including any decision to provide or not provide affirmative notification to the public pursuant to subparagraph IV(c). Nothing in this paragraph shall be deemed to grant any such immunity to any person for that person's reckless or wanton conduct.

651-B:10 Hearing.

Currentness

I. Any offender required to register for an offense committed in another state, country, territory, or tribal territory, or under federal law that is determined to be a reasonably equivalent offense to an offense listed in RSA 651-B:1, V(a) or RSA 651-B:1, VII(a) or (b) may appeal that determination to the commissioner. The offender shall, within 10 days of notification, request a hearing on the matter before the commissioner. If such a request is made, the commissioner shall promptly schedule and conduct a hearing pursuant to rules adopted under RSA 541-A. Either party shall have the right to appeal the commissioner's decision in superior court.

II. Any offender required to register for an offense in the state of conviction pursuant to RSA 651-B:1, V(c), RSA 651-B:1, VII(d), or RSA 651-B:1, XI(a)(4) may petition the superior court for a hearing to review the registration requirement. In determining whether the offender should be required to register, the court may consider the facts of underlying the out-of-state conviction, the offender's prior criminal history, the extent to which public safety would be furthered by requiring the offender to register, and any other relevant information. If the court determines that the offender is required to register, the court shall determine whether the offender is required to register as a tier I, tier II, or tier III offender. In determining the appropriate tier, the court shall consider the nature of other offenses that are currently listed in each tier, the seriousness of the offender's offense, the extent to which public safety would be furthered, whether the victim was a minor when the offense occurred, and any other relevant factors. The hearing at which such a determination is made shall comply with due process requirements, including a right to appeal the findings. The court shall provide the defendant an opportunity to be heard on the issue and shall state on the record the reasons for its findings and the reasons for requiring registration.

III. Any individual required to be registered as a result of any violation or attempted violation of RSA 632-A:3, II in effect prior to January 1, 2009, or RSA 632-A:2, III if the acts constituting the pattern were in violation of RSA 632-A:3, II in effect prior to January 1, 2009, provided that the age difference between the individual required to register and the victim was less than 4 years at the time of the offense and the person has no other adjudications requiring registration under RSA 651-B:2, may file with the clerk of the superior court for the county in which the judgment was rendered an application for review of the registration requirement. No application shall be granted without a hearing, during which the prosecuting attorney and the victim or victim's family shall have an opportunity to be heard. Notice of the hearing shall be provided no less than 30 days prior to the hearing. The victim may appear personally or through a representative, and may reasonably express his or her views concerning the offense, the offender, and the need for continuing the registration requirement. If the court denies the application, the offender shall not file another application for 5 years from the date of the denial.

651-B:11 Registration Fee.

Currentness

I. An offender shall pay a fee of \$50 to the department within 10 days of the registration that occurs within the month of the anniversary of his or her birth. Such payment shall be made in person or shall be mailed to the department. The department shall retain \$40 of this amount to be used to defray the costs of maintaining the sex offender registry. Such funds shall be nonlapsing and shall be continually appropriated to the department for such use. The department shall forward the remaining \$10 to the law enforcement agency which registered the offender within the month of the anniversary of the offender's birth to defray any costs associated with implementing the provisions of this chapter. The department shall forward these fees to the registering law enforcement agencies in a manner determined by the department but no less frequently than once a year.

II. An offender who cannot afford to pay the fee shall, within 10 days of registration, request a waiver of the fee and a hearing on the matter before the commissioner. In order to be considered for a waiver, the offender shall submit a financial affidavit on a form provided by the department. The division may at its discretion request such a waiver on behalf of an offender. If such a request is made, the commissioner shall promptly schedule and conduct a hearing pursuant to rules adopted under RSA 541-A, unless the commissioner or commissioner's designee determines a hearing is not necessary and waives the fee based on the offender's financial affidavit, or at the written request of the division. At the hearing, the burden shall be on the offender to prove that he or she is indigent. The offender may appeal the commissioner's decision to the superior court. Under no circumstances shall the offender's request for a hearing or indigency relieve the offender of the obligation to register as required pursuant to this chapter.

III. Notwithstanding RSA 651-B:9, an offender who violates the provisions of this section shall be guilty of a violation for a first offense and a misdemeanor for a second or subsequent offense.

2C:7-8. Notification guidelines; identification of factors relevant to risk of re-offense

Currentness

a. After consultation with members of the advisory council established pursuant to section 6 of this act¹ and within 60 days of the effective date, the Attorney General shall promulgate guidelines and procedures for the notification required pursuant to the provisions of this act. The guidelines shall identify factors relevant to risk of re-offense and shall provide for three levels of notification depending upon the degree of the risk of re-offense.

b. Factors relevant to risk of re-offense shall include, but not be limited to, the following:

(1) Conditions of release that minimize risk of re-offense, including but not limited to whether the offender is under supervision of probation or parole; receiving counseling, therapy or treatment; or residing in a home situation that provides guidance and supervision;

(2) Physical conditions that minimize risk of re-offense, including but not limited to advanced age or debilitating illness;

(3) Criminal history factors indicative of high risk of re-offense, including:

(a) Whether the offender's conduct was found to be characterized by repetitive and compulsive behavior;

(b) Whether the offender served the maximum term;

(c) Whether the offender committed the sex offense against a child;

(4) Other criminal history factors to be considered in determining risk, including:

(a) The relationship between the offender and the victim;

(b) Whether the offense involved the use of a weapon, violence, or infliction of serious bodily injury;

(c) The number, date and nature of prior offenses;

- (5) Whether psychological or psychiatric profiles indicate a risk of recidivism;
- (6) The offender's response to treatment;
- (7) Recent behavior, including behavior while confined or while under supervision in the community as well as behavior in the community following service of sentence; and
- (8) Recent threats against persons or expressions of intent to commit additional crimes.

c. The regulations shall provide for three levels of notification depending upon the risk of re-offense by the offender as follows:

- (1) If risk of re-offense is low, law enforcement agencies likely to encounter the person registered shall be notified;
- (2) If risk of re-offense is moderate, organizations in the community including schools, religious and youth organizations shall be notified in accordance with the Attorney General's guidelines, in addition to the notice required by paragraph (1) of this subsection;
- (3) If risk of re-offense is high, the public shall be notified through means in accordance with the Attorney General's guidelines designed to reach members of the public likely to encounter the person registered, in addition to the notice required by paragraphs (1) and (2) of this subsection.

d. In order to promote uniform application of the notification guidelines required by this section, the Attorney General shall develop procedures for evaluation of the risk of re-offense and implementation of community notification. These procedures shall require, but not be limited to, the following:

- (1) The county prosecutor of the county where the person was convicted and the county prosecutor of the county where the registered person will reside, together with any law enforcement officials that either deems appropriate, shall assess the risk of re-offense by the registered person;
- (2) The county prosecutor of the county in which the registered person will reside, after consultation with local law enforcement officials, shall determine the means of providing notification.

e. The Attorney General's guidelines shall provide for the manner in which records of notification provided pursuant to this act shall be maintained and disclosed.

Subtitle 1. General Provisions

Chapter 7. Registration and Notification of Release of Certain Offenders (Refs & Annos)

N.J.S.A. 2C:7-12

2C:7-12. Legislative findings and declarations

Currentness

The Legislature finds and declares that the public safety will be enhanced by making information about certain sex offenders contained in the sex offender central registry established pursuant to section 4 of P.L.1994, c. 133 (C.2C:7-4) available to the public through the Internet. Knowledge of whether a person is a convicted sex offender at risk of re-offense could be a significant factor in protecting oneself and one's family members, or those in care of a group or community organization, from recidivist acts by the offender. The technology afforded by the Internet would make this information readily accessible to parents and private entities, enabling them to undertake appropriate remedial precautions to prevent or avoid placing potential victims at risk. Public access to registry information is intended solely for the protection of the public, and is not intended to impose additional criminal punishment upon any convicted sex offender.

The Legislature further finds and declares that, in some instances, countervailing interests support a legislative determination to exclude from the Internet registry the registration information of certain sex offenders. For example, the interest in facilitating rehabilitation of juveniles who have been adjudicated delinquent for the commission of one sex offense, but who do not present a relatively high risk of re-offense, justifies the decision to limit public access to information about such juveniles through the Internet. Other instances where the Legislature has determined that making sex offender registry information available to the general public through the Internet would not necessarily serve the public safety purposes of the law include moderate risk offenders whose sole sex offense involved incest or consensual sex. However, in such cases, the legislature deems it appropriate and consistent with the public safety purposes of the law to provide a process that permits inclusion of information about these individuals in the Internet registry where public access would be warranted, based on the relative risk posed by the particular offender.

Title 2c. The New Jersey Code of Criminal Justice (Refs & Annos)

Subtitle 1. General Provisions

Chapter 7. Registration and Notification of Release of Certain Offenders (Refs & Annos)

N.J.S.A. 2C:7-13

2C:7-13. Information in central registry to be made available on the Internet

Currentness

a. Pursuant to the provisions of this section, the Superintendent of State Police shall develop and maintain a system for making certain information in the central registry established pursuant to subsection d. of section 4 of P.L.1994, c. 133 (C.2C:7-4) publicly available by means of electronic Internet technology.

b. The public may, without limitation, obtain access to the Internet registry to view an individual registration record, any part of, or the entire Internet registry concerning all offenders:

(1) whose risk of re-offense is high;

(2) whose risk of re-offense is moderate or low and whose conduct was found to be characterized by a pattern of repetitive, compulsive behavior pursuant to the provisions of N.J.S.2C:47-3; or

(3) for whom the court has ordered notification in accordance with paragraph (3) of subsection c. of section 3 of P.L.1994, c. 128 (C.2C:7-8), regardless of the age of the offender.

c. Except as provided in subsection d. of this section, the public may, without limitation, obtain access to the Internet registry to view an individual registration record, any part of, or the entire Internet registry concerning offenders whose risk of re-offense is moderate and for whom the court has ordered notification in accordance with paragraph (2) of subsection c. of section 3 of P.L.1994, c. 128 (C.2C:7-8).

d. The individual registration record of an offender whose risk of re-offense has been determined to be moderate and for whom the court has ordered notification in accordance with paragraph (2) of subsection c. of section 3 of P.L.1994, c. 128 (C.2C:7-8) shall not be made available to the public on the Internet registry if the sole sex offense committed by the offender which renders him subject to the requirements of P.L.1994, c. 133 (C.2C:7-1 et seq.) is one of the following:

(1) An adjudication of delinquency for any sex offense as defined in subsection b. of section 2 of P.L.1994, c. 133 (C.2C:7-2);

(2) A conviction or acquittal by reason of insanity for a violation of N.J.S.2C:14-2 or N.J.S.2C:14-3 under circumstances in which the offender was related to the victim by blood or affinity to the third degree or was a resource family parent, a guardian, or stood in loco parentis within the household; or

(3) A conviction or acquittal by reason of insanity for a violation of N.J.S.2C:14-2 or N.J.S.2C:14-3 in any case in which the victim assented to the commission of the offense but by reason of age was not capable of giving lawful consent.

For purposes of this subsection, “sole sex offense” means a single conviction, adjudication of guilty or acquittal by reason of insanity, as the case may be, for a sex offense which involved no more than one victim, no more than one occurrence or, in the case of an offense which meets the criteria of paragraph (2) of this subsection, members of no more than a single household.

e. Notwithstanding the provisions of paragraph d. of this subsection, the individual registration record of an offender to whom an exception enumerated in paragraph (1), (2) or (3) of subsection d. of this section applies shall be made available to the public on the Internet registry if the offender's conduct was characterized by a pattern of repetitive, compulsive behavior, or the State establishes by clear and convincing evidence that, given the particular facts and circumstances of the offense and the characteristics and propensities of the offender, the risk to the general public posed by the offender is substantially similar to that posed by offenders whose risk of re-offense is moderate and who do not qualify under the enumerated exceptions.

f. Unless the offender's conduct was characterized by a pattern of repetitive, compulsive behavior, the individual registration records of offenders whose risk of re-offense is low or of offenders whose risk of re-offense is moderate but for whom the court has not ordered notification in accordance with paragraph (2) of subsection c. of section 3 of P.L.1994, c. 128 (C.2C:7-8) shall not be available to the public on the Internet registry.

g. The information concerning a registered offender to be made publicly available on the Internet shall include: the offender's name and any aliases the offender has used or under which the offender may be or may have been known; any sex offense as defined in subsection b. of section 2 of P.L.1994, c. 133 (C.2C:7-2) for which the offender was convicted, adjudicated delinquent or acquitted by reason of insanity, as the case may be; the date and location of disposition; a brief description of any such offense, including the victim's gender and indication of whether the victim was less than 18 years old or less than 13 years old; a general description of the offender's modus operandi, if any; the determination of whether the risk of re-offense by the offender is moderate or high; the offender's age, race, sex, date of birth, height, weight, hair, eye color and any distinguishing scars or tattoos; a photograph of the offender and the date on which the photograph was entered into the registry; the make, model, color, year and license plate number of any vehicle operated by the offender; and the street address, zip code, municipality and county in which the offender resides.

N.J.S.A. 2C:7-20

2C:7-20. Legislative findings and declarations; implementation and consistent application of Megan's Law across the State

Currentness

The Legislature finds and declares that New Jersey enacted the groundbreaking legislation known as Megan's Law in 1994 to warn citizens that a dangerous sex offender had moved into their neighborhood. At that time more than a decade ago, the law created the most comprehensive system of sex offender registration and community notification in the nation. Subsequently, the Legislature enacted the law establishing the sex offender Internet registry, utilizing modern technology to afford even greater access to information concerning dangerous sex offenders and make that information readily accessible to the public.

Recently, however, questions have been raised concerning the implementation of Megan's Law, and whether the law is not consistently applied in the 21 counties. Published reports indicate that there are great variations among the counties in the number of sex offenders whose registration information is published on the Internet. In addition, many municipalities have limited where sex offenders may reside, or banned residency by them altogether. It also has been observed that sex offenders seem to be relocating at a higher rate to certain areas of the State, suggesting that the law is being implemented differently in some areas. Since the evidence indicates that Megan's Law is being applied inconsistently across the State, the Legislature finds that a study should be undertaken to identify the causes of these inconsistencies and to recommend procedures to make the law's application more uniform and equitable.

Currentness

a. The Violence Institute of the University of Medicine and Dentistry of New Jersey shall undertake a comprehensive study of the implementation and application of Megan's Law. Specifically, the institute shall examine the implementation and application of P.L.1994, c. 133 (C.2C:7-1 et al.), which requires registration by sex offenders and P.L.1994, c. 128 (C.2C:7-6 et seq.), which requires community notification for certain sex offenders.

b. The study shall evaluate the current procedures utilized by the county prosecutors and the courts in determining a sex offender's tier designation and implementing community notification. In evaluating these procedures, the study shall examine the disposition of all sex offenders who have registered and have been assigned a tier rating since the enactment of Megan's Law. The study shall make recommendations regarding the standardization of procedures for evaluating the risk of re-offense, assigning tier designations, implementing community notification, and ensuring uniform application of the Attorney General's guidelines by law enforcement in providing community notification. In addition, the study shall examine the use of the Internet registry in providing information to the public about sex offenders. Specifically, the study shall review the implementation of P.L.2001, c. 167 (C.2C:7-12 et seq.) and determine whether the Internet registry has accomplished its mission to inform the public of dangerous sex offenders, or if geographic inconsistencies have mitigated its effectiveness. Finally, the study shall examine whether a central agency should be charged with the administration of Megan's Law and the determination as to which offenders appear on the Internet registry.

Currentness

A. The legislature finds that:

- (1) sex offenders pose a significant risk of recidivism; and

B. The purpose of the Sex Offender Registration and Notification Act is to assist law enforcement agencies' efforts to protect their communities by:

- (1) requiring sex offenders who are residents of New Mexico to register with the county sheriff of the county in which the sex offender resides;
- (2) requiring sex offenders who are residents in other states, but who are employed in New Mexico or who attend school in New Mexico, to register with the county sheriff of the county in which the sex offender works or attends school;
- (3) requiring the establishment of a central registry for sex offenders; and
- (4) providing public access to information regarding certain registered sex offenders.

McKinney's Correction Law § 168-d

§ 168-d. Duties of the court

Currentness

1. (a) Except as provided in paragraphs (b) and (c) of this subdivision, upon conviction of any of the offenses set forth in subdivision two or three of section one hundred sixty-eight-a of this article the court shall certify that the person is a sex offender and shall include the certification in the order of commitment, if any, and judgment of conviction, except as provided in paragraph (e) of subdivision two of section one hundred sixty-eight-a of this article. The court shall also advise the sex offender of his or her duties under this article. Failure to include the certification in the order of commitment or the judgment of conviction shall not relieve a sex offender of the obligations imposed by this article.

(b) Where a defendant stands convicted of an offense defined in paragraph (b) of subdivision two of section one hundred sixty-eight-a of this article or where the defendant was convicted of patronizing a person for prostitution in the third degree under section 230.04 of the penal law and the defendant controverts an allegation that the victim of such offense was less than eighteen years of age or, in the case of a conviction under section 230.04 of the penal law, less than seventeen years of age, the court, without a jury, shall, prior to sentencing, conduct a hearing, and the people may prove by clear and convincing evidence that the victim was less than eighteen years old or less than seventeen years old, as applicable, by any evidence admissible under the rules applicable to a trial of the issue of guilt. The court in addition to such admissible evidence may also consider reliable hearsay evidence submitted by either party provided that it is relevant to the determination of the age of the victim. Facts concerning the age of the victim proven at trial or ascertained at the time of entry of a plea of guilty shall be deemed established by clear and convincing evidence and shall not be relitigated. At the conclusion of the hearing, or if the defendant does not controvert an allegation that the victim of the offense was less than eighteen years old or less than seventeen years old, as applicable, the court must make a finding and enter an order setting forth the age of the victim. If the court finds that the victim of such offense was under eighteen years old or under seventeen years old, as applicable, the court shall certify the defendant as a sex offender, the provisions of paragraph (a) of this subdivision shall apply and the defendant shall register with the division in accordance with the provisions of this article.

(c) Where a defendant stands convicted of an offense defined in paragraph (c) of subdivision two of section one hundred sixty-eight-a of this article and the defendant controverts an allegation that the defendant was previously convicted of a sex offense or a sexually violent offense defined in this article or has previously been convicted of or convicted for an attempt to commit any of the provisions of section 130.52 or 130.55 of the penal law, the court, without a jury, shall, prior to sentencing, conduct a hearing, and the people may prove by clear and convincing evidence that the defendant was previously convicted of a sex offense or a sexually violent offense defined in this article or has previously been convicted of or convicted for an attempt to commit any of the provisions of section 130.52 or 130.55 of the penal law, by any evidence admissible under the rules applicable to a trial of the issue of guilt. The court in addition to such admissible evidence may also consider reliable hearsay evidence submitted by either party provided that it is relevant to the determination of whether the defendant was previously convicted of a sex offense or a sexually violent offense defined in this article or has previously been convicted of or convicted for an attempt to commit any of the provisions of section 130.52 or 130.55 of the penal law. At the conclusion of the hearing, or if the defendant does not controvert an allegation that the defendant was previously convicted of a sex offense or a sexually violent offense

defined in this article or has previously been convicted of or convicted for an attempt to commit any of the provisions of section 130.52 or 130.55 of the penal law, the court must make a finding and enter an order determining whether the defendant was previously convicted of a sex offense or a sexually violent offense defined in this article or has previously been convicted of or convicted for an attempt to commit any of the provisions of section 130.52 or 130.55 of the penal law. If the court finds that the defendant has such a previous conviction, the court shall certify the defendant as a sex offender, the provisions of paragraph (a) of this subdivision shall apply and the defendant shall register with the division in accordance with the provisions of this article.

2. Any sex offender, who is released on probation or discharged upon payment of a fine, conditional discharge or unconditional discharge shall, prior to such release or discharge, be informed of his or her duty to register under this article by the court in which he or she was convicted. At the time sentence is imposed, such sex offender shall register with the division on a form prepared by the division. The court shall require the sex offender to read and sign such form and to complete the registration portion of such form. The court shall on such form obtain the address where the sex offender expects to reside upon his or her release, and the name and address of any institution of higher education he or she expects to be employed by, enrolled in, attending or employed, whether for compensation or not, and whether he or she expects to reside in a facility owned or operated by such an institution, and shall report such information to the division. The court shall give one copy of the form to the sex offender and shall send two copies to the division which shall forward the information to the law enforcement agencies having jurisdiction. The court shall also notify the district attorney and the sex offender of the date of the determination proceeding to be held pursuant to subdivision three of this section, which shall be held at least forty-five days after such notice is given. This notice shall include the following statement or a substantially similar statement: "This proceeding is being held to determine whether you will be classified as a level 3 offender (risk of repeat offense is high), a level 2 offender (risk of repeat offense is moderate), or a level 1 offender (risk of repeat offense is low), or whether you will be designated as a sexual predator, a sexually violent offender or a predicate sex offender, which will determine how long you must register as a sex offender and how much information can be provided to the public concerning your registration. If you fail to appear at this proceeding, without sufficient excuse, it shall be held in your absence. Failure to appear may result in a longer period of registration or a higher level of community notification because you are not present to offer evidence or contest evidence offered by the district attorney." The court shall also advise the sex offender that he or she has a right to a hearing prior to the court's determination, that he or she has the right to be represented by counsel at the hearing and that counsel will be appointed if he or she is financially unable to retain counsel. If the sex offender applies for assignment of counsel to represent him or her at the hearing and counsel was not previously assigned to represent the sex offender in the underlying criminal action, the court shall determine whether the offender is financially unable to retain counsel. If such a finding is made, the court shall assign counsel to represent the sex offender pursuant to article eighteen-B of the county law. Where the court orders a sex offender released on probation, such order must include a provision requiring that he or she comply with the requirements of this article. Where such sex offender violates such provision, probation may be immediately revoked in the manner provided by article four hundred ten of the criminal procedure law.

3. For sex offenders released on probation or discharged upon payment of a fine, conditional discharge or unconditional discharge, it shall be the duty of the court applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article to determine the level of notification pursuant to subdivision six of section one hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. At least fifteen days prior to the determination proceeding, the district attorney shall provide to the court and the sex offender a written statement setting forth the determinations sought by the district attorney together with the reasons for seeking such determinations. The court shall allow the sex offender to appear and be heard. The state shall appear by the district attorney, or his or her designee, who shall bear the burden of proving the facts supporting the determinations sought by clear and convincing evidence. Where there is a dispute between the parties concerning the determinations, the court shall adjourn the hearing as necessary to permit the sex offender or the district attorney to obtain materials relevant to the determinations from any state or local facility, hospital, institution, office, agency, department or division. Such materials may be obtained by subpoena if not voluntarily provided to the requesting party. In making the determinations, the court shall review any victim's statement and any relevant materials and evidence submitted by the sex offender and the district attorney and the court may consider reliable hearsay evidence submitted by either party

provided that it is relevant to the determinations. Facts previously proven at trial or elicited at the time of entry of a plea of guilty shall be deemed established by clear and convincing evidence and shall not be relitigated. The court shall render an order setting forth its determinations and the findings of fact and conclusions of law on which the determinations are based. A copy of the order shall be submitted by the court to the division. Upon application of either party, the court shall seal any portion of the court file or record which contains material that is confidential under any state or federal statute. Either party may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the sex offender upon the ground that the sex offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

4. If a sex offender, having been given notice, including the time and place of the determination proceeding in accordance with this section, fails to appear at this proceeding, without sufficient excuse, the court shall conduct the hearing and make the determinations in the manner set forth in subdivision three of this section.

§ 168-k. Registration for change of address from another state

Currentness

1. A sex offender who has been convicted of an offense which requires registration under paragraph (d) of subdivision two or paragraph (b) of subdivision three of section one hundred sixty-eight-a of this article shall notify the division of the new address no later than ten calendar days after such sex offender establishes residence in this state.

2. The division shall advise the board that the sex offender has established residence in this state. The board shall determine whether the sex offender is required to register with the division. If it is determined that the sex offender is required to register, the division shall notify the sex offender of his or her duty to register under this article and shall require the sex offender to sign a form as may be required by the division acknowledging that the duty to register and the procedure for registration has been explained to the sex offender. The division shall obtain on such form the address where the sex offender expects to reside within the state and the sex offender shall retain one copy of the form and send two copies to the division which shall provide the information to the law enforcement agency having jurisdiction where the sex offender expects to reside within this state. No later than thirty days prior to the board making a recommendation, the sex offender shall be notified that his or her case is under review and that he or she is permitted to submit to the board any information relevant to the review. After reviewing any information obtained, and applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article, the board shall within sixty calendar days make a recommendation regarding the level of notification pursuant to subdivision six of section one hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. This recommendation shall be confidential and shall not be available for public inspection. It shall be submitted by the board to the county court or supreme court and to the district attorney in the county of residence of the sex offender and to the sex offender. It shall be the duty of the county court or supreme court in the county of residence of the sex offender, applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article, to determine the level of notification pursuant to subdivision six of section one hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. At least thirty days prior to the determination proceeding, such court shall notify the district attorney and the sex offender, in writing, of the date of the determination proceeding and the court shall also provide the district attorney and sex offender with a copy of the recommendation received from the board and any statement of the reasons for the recommendation received from the board. This notice shall include the following statement or a substantially similar statement: "This proceeding is being held to determine whether you will be classified as a level 3 offender (risk of repeat offense is high), a level 2 offender (risk of repeat offense is moderate), or a level 1 offender (risk of repeat offense is low), or whether you will be designated as a sexual predator, a sexually violent offender or a predicate sex offender, which will determine how long you must register as a sex offender and how much information can be provided to the public concerning your registration. If you fail to appear at this proceeding, without sufficient excuse, it shall be held in your absence. Failure to appear may result in a longer period of registration or a higher level of community notification because you are not present to offer evidence or contest evidence offered by the district attorney." The court shall also advise the sex offender that he or she has a right to a hearing prior to the court's determination, that he or she has the right to be represented by counsel at the hearing and that counsel will be appointed if he or she is financially unable to retain counsel. A returnable form shall be enclosed in the court's notice to

the sex offender on which the sex offender may apply for assignment of counsel. If the sex offender applies for assignment of counsel and the court finds that the offender is financially unable to retain counsel, the court shall assign counsel to represent the sex offender pursuant to article eighteen-B of the county law. If the district attorney seeks a determination that differs from the recommendation submitted by the board, at least ten days prior to the determination proceeding the district attorney shall provide to the court and the sex offender a statement setting forth the determinations sought by the district attorney together with the reasons for seeking such determinations. The court shall allow the sex offender to appear and be heard. The state shall appear by the district attorney, or his or her designee, who shall bear the burden of proving the facts supporting the determinations sought by clear and convincing evidence. It shall be the duty of the court applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article to determine the level of notification pursuant to subdivision six of section one hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. Where there is a dispute between the parties concerning the determinations, the court shall adjourn the hearing as necessary to permit the sex offender or the district attorney to obtain materials relevant to the determinations from the state board of examiners of sex offenders or any state or local facility, hospital, institution, office, agency, department or division. Such materials may be obtained by subpoena if not voluntarily provided to the requesting party. In making the determinations the court shall review any victim's statement and any relevant materials and evidence submitted by the sex offender and the district attorney and the recommendation and any material submitted by the board, and may consider reliable hearsay evidence submitted by either party, provided that it is relevant to the determinations. If available, facts proven at trial or elicited at the time of a plea of guilty shall be deemed established by clear and convincing evidence and shall not be relitigated. The court shall render an order setting forth its determinations and the findings of fact and conclusions of law on which the determinations are based. A copy of the order shall be submitted by the court to the division. Upon application of either party, the court shall seal any portion of the court file or record which contains material that is confidential under any state or federal statute. Either party may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the sex offender upon the ground that the sex offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

3. The division shall undertake an information campaign designed to provide information to officials and appropriate individuals in other states and United States possessions concerning the notification procedures required by this article. Such information campaign shall be ongoing, and shall include, but not be limited to, letters, notice forms and similar materials providing relevant information about this article and the specific procedures required to effect notification. Such materials shall include an address and telephone number which such officials and individuals in other states and United States possessions may use to obtain additional information.

4. If a sex offender, having been given notice, including the time and place of the determination proceeding in accordance with this section, fails to appear at this proceeding, without sufficient excuse, the court shall conduct the hearing and make the determinations in the manner set forth in subdivision two of this section.

§ 168-l. Board of examiners of sex offenders

Currentness

1. There shall be a board of examiners of sex offenders which shall possess the powers and duties hereinafter specified. Such board shall consist of five members appointed by the governor. All members shall be employees of the department and shall be experts in the field of the behavior and treatment of sex offenders. The term of office of each member of such board shall be for six years; provided, however, that any member chosen to fill a vacancy occurring otherwise than by expiration of term shall be appointed for the remainder of the unexpired term of the member whom he or she is to succeed. In the event of the inability to act of any member, the governor may appoint some competent informed person to act in his or her stead during the continuance of such disability.
2. The governor shall designate one of the members of the board as chairman to serve in such capacity at the pleasure of the governor or until the member's term of office expires and a successor is designated in accordance with law, whichever first occurs.
3. Any member of the board may be removed by the governor for cause after an opportunity to be heard.
4. Except as otherwise provided by law, a majority of the board shall constitute a quorum for the transaction of all business of the board.
5. The board shall develop guidelines and procedures to assess the risk of a repeat offense by such sex offender and the threat posed to the public safety. Such guidelines shall be based upon, but not limited to, the following:
 - (a) criminal history factors indicative of high risk of repeat offense, including:
 - (i) whether the sex offender has a mental abnormality or personality disorder that makes him or her likely to engage in predatory sexually violent offenses;
 - (ii) whether the sex offender's conduct was found to be characterized by repetitive and compulsive behavior, associated with drugs or alcohol;
 - (iii) whether the sex offender served the maximum term;

- (iv) whether the sex offender committed the felony sex offense against a child;
- (v) the age of the sex offender at the time of the commission of the first sex offense;
- (b) other criminal history factors to be considered in determining risk, including:
 - (i) the relationship between such sex offender and the victim;
 - (ii) whether the offense involved the use of a weapon, violence or infliction of serious bodily injury;
 - (iii) the number, date and nature of prior offenses;
- (c) conditions of release that minimize risk or ¹ re-offense, including but not limited to whether the sex offender is under supervision; receiving counseling, therapy or treatment; or residing in a home situation that provides guidance and supervision;
- (d) physical conditions that minimize risk of re-offense, including but not limited to advanced age or debilitating illness;
- (e) whether psychological or psychiatric profiles indicate a risk of recidivism;
- (f) the sex offender's response to treatment;
- (g) recent behavior, including behavior while confined;
- (h) recent threats or gestures against persons or expressions of intent to commit additional offenses; and
- (i) review of any victim impact statement.

6. Applying these guidelines, the board shall within sixty calendar days prior to the discharge, parole, release to post-release supervision or release of a sex offender make a recommendation which shall be confidential and shall not be available for public inspection, to the sentencing court as to whether such sex offender warrants the designation of sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. In addition, the guidelines shall be applied by the board to make a recommendation to the sentencing court which shall be confidential and shall not be available for public inspection, providing for one of the following three levels of notification depending upon the degree of the risk of re-offense by the sex offender.

- (a) If the risk of repeat offense is low, a level one designation shall be given to such sex offender. In such case the law enforcement agency or agencies having jurisdiction and the law enforcement agency or agencies having had jurisdiction at the time of his or her conviction shall be notified and may disseminate relevant information which may include a photograph and description

of the offender and which may include the name of the sex offender, approximate address based on sex offender's zip code, background information including the offender's crime of conviction, modus of operation, type of victim targeted, the name and address of any institution of higher education at which the sex offender is enrolled, attends, is employed or resides and the description of special conditions imposed on the offender to any entity with vulnerable populations related to the nature of the offense committed by such sex offender. Any entity receiving information on a sex offender may disclose or further disseminate such information at its discretion.

(b) If the risk of repeat offense is moderate, a level two designation shall be given to such sex offender. In such case the law enforcement agency or agencies having jurisdiction and the law enforcement agency or agencies having had jurisdiction at the time of his or her conviction shall be notified and may disseminate relevant information which shall include a photograph and description of the offender and which may include the exact name and any aliases used by the sex offender, exact address, background information including the offender's crime of conviction, mode of operation, type of victim targeted, the name and address of any institution of higher education at which the sex offender is enrolled, attends, is employed or resides and the description of special conditions imposed on the offender to any entity with vulnerable populations related to the nature of the offense committed by such sex offender. Any entity receiving information on a sex offender may disclose or further disseminate such information at its discretion. In addition, in such case, the information described herein shall also be provided in the subdirectory established in this article and notwithstanding any other provision of law, such information shall, upon request, be made available to the public.

Such law enforcement agencies shall compile, maintain and update a listing of vulnerable organizational entities within its jurisdiction. Such listing shall be utilized for notification of such organizations in disseminating such information on level two sex offenders pursuant to this paragraph. Such listing shall include and not be limited to: superintendents of schools or chief school administrators, superintendents of parks, public and private libraries, public and private school bus transportation companies, day care centers, nursery schools, pre-schools, neighborhood watch groups, community centers, civic associations, nursing homes, victim's advocacy groups and places of worship.

(c) If the risk of repeat offense is high and there exists a threat to the public safety a level three designation shall be given to such sex offender. In such case, the law enforcement agency or agencies having jurisdiction and the law enforcement agency or agencies having had jurisdiction at the time of his or her conviction shall be notified and may disseminate relevant information which shall include a photograph and description of the offender and which may include the sex offender's exact name and any aliases used by the offender, exact address, address of the offender's place of employment, background information including the offender's crime of conviction, mode of operation, type of victim targeted, the name and address of any institution of higher education at which the sex offender is enrolled, attends, is employed or resides and the description of special conditions imposed on the offender to any entity with vulnerable populations related to the nature of the offense committed by such sex offender. Any entity receiving information on a sex offender may disclose or further disseminate such information at its discretion. In addition, in such case, the information described herein shall also be provided in the subdirectory established in this article and notwithstanding any other provision of law, such information shall, upon request, be made available to the public.

Such law enforcement agencies shall compile, maintain and update a listing of vulnerable organizational entities within its jurisdiction. Such listing shall be utilized for notification of such organizations in disseminating such information on level three sex offenders pursuant to this paragraph. Such listing shall include and not be limited to: superintendents of schools or chief school administrators, superintendents of parks, public and private libraries, public and private school bus transportation companies, day care centers, nursery schools, pre-schools, neighborhood watch groups, community centers, civic associations, nursing homes, victim's advocacy groups and places of worship.

7. Upon request by the court, pursuant to section one hundred sixty-eight-o of this article, the board shall provide an updated report pertaining to the sex offender petitioning for relief of the duty to register or for a modification of his or her level of notification.

8. A failure by a state or local agency or the board to act or by a court to render a determination within the time period specified in this article shall not affect the obligation of the sex offender to register or verify under this article nor shall such failure prevent a court from making a determination regarding the sex offender's level of notification and whether such offender is required by law to be registered for a period of twenty years or for life. Where a court is unable to make a determination prior to the date scheduled for a sex offender's discharge, parole, release to post-release supervision or release, it shall adjourn the hearing until after the offender is discharged, paroled, released to post-release supervision or released, and shall then expeditiously complete the hearing and issue its determination.

§ 168-n. Judicial determination

Currentness

1. A determination that an offender is a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article shall be made prior to the discharge, parole, release to post-release supervision or release of such offender by the sentencing court applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article after receiving a recommendation from the board pursuant to section one hundred sixty-eight-l of this article.

2. In addition, applying the guidelines established in subdivision five of section one hundred sixty-eight-l of this article, the sentencing court shall also make a determination with respect to the level of notification, after receiving a recommendation from the board pursuant to section one hundred sixty-eight-l of this article. Both determinations of the sentencing court shall be made thirty calendar days prior to discharge, parole or release.

3. No later than thirty days prior to the board's recommendation, the sex offender shall be notified that his or her case is under review and that he or she is permitted to submit to the board any information relevant to the review. Upon receipt of the board's recommendation, the sentencing court shall determine whether the sex offender was previously found to be eligible for assigned counsel in the underlying case. Where such a finding was previously made, the court shall assign counsel to represent the offender, pursuant to article eighteen-B of the county law. At least twenty days prior to the determination proceeding, the sentencing court shall notify the district attorney, the sex offender and the sex offender's counsel, in writing, of the date of the determination proceeding and shall also provide the district attorney, the sex offender and the sex offender's counsel with a copy of the recommendation received from the board and any statement of the reasons for the recommendation received from the board. This notice shall include the following statement or a substantially similar statement: "This proceeding is being held to determine whether you will be classified as a level 3 offender (risk of repeat offense is high), a level 2 offender (risk of repeat offense is moderate), or a level 1 offender (risk of repeat offense is low), or whether you will be designated as a sexual predator, a sexually violent offender or a predicate sex offender, which will determine how long you must register as a sex offender and how much information can be provided to the public concerning your registration. If you fail to appear at this proceeding, without sufficient excuse, it shall be held in your absence. Failure to appear may result in a longer period of registration or a higher level of community notification because you are not present to offer evidence or contest evidence offered by the district attorney." The written notice to the sex offender shall also advise the offender that he or she has a right to a hearing prior to the court's determination, and that he or she has the right to be represented by counsel at the hearing. If counsel has been assigned to represent the offender at the determination proceeding, the notice shall also provide the name, address and telephone number of the assigned counsel. Where counsel has not been assigned, the notice shall advise the sex offender that counsel will be appointed if he or she is financially unable to retain counsel, and a returnable form shall be enclosed in the court's notice to the sex offender on which the sex offender may apply for assignment of counsel. If the sex offender applies for assignment of counsel and the court finds that the offender is financially unable to retain counsel, the court shall assign counsel to represent the sex offender pursuant to article eighteen-B of the county law. If the district attorney seeks a determination that differs from the recommendation submitted by the board, at least ten days prior to the determination proceeding the district attorney shall

provide to the court and the sex offender a statement setting forth the determinations sought by the district attorney together with the reasons for seeking such determinations. The court shall allow the sex offender to appear and be heard. The state shall appear by the district attorney, or his or her designee, who shall bear the burden of proving the facts supporting the determinations sought by clear and convincing evidence. Where there is a dispute between the parties concerning the determinations, the court shall adjourn the hearing as necessary to permit the sex offender or the district attorney to obtain materials relevant to the determinations from the state board of examiners of sex offenders or any state or local facility, hospital, institution, office, agency, department or division. Such materials may be obtained by subpoena if not voluntarily provided to the requesting party. In making the determinations the court shall review any victim's statement and any relevant materials and evidence submitted by the sex offender and the district attorney and the recommendation and any materials submitted by the board, and may consider reliable hearsay evidence submitted by either party, provided that it is relevant to the determinations. Facts previously proven at trial or elicited at the time of entry of a plea of guilty shall be deemed established by clear and convincing evidence and shall not be relitigated. The court shall render an order setting forth its determinations and the findings of fact and conclusions of law on which the determinations are based. A copy of the order shall be submitted by the court to the division. Upon application of either party, the court shall seal any portion of the court file or record which contains material that is confidential under any state or federal statute. Either party may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the sex offender upon the ground that the sex offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

4. Upon determination that the risk of repeat offense and threat to public safety is high, the sentencing court shall also notify the division of such fact for the purposes of section one hundred sixty-eight-q of this article.

5. Upon the reversal of a conviction of a sexual offense defined in paragraphs (a) and (b) of subdivision two or three of section one hundred sixty-eight-a of this article, the appellate court shall remand the case to the lower court for entry of an order directing the expungement of any records required to be kept herein.

6. If a sex offender, having been given notice, including the time and place of the determination proceeding in accordance with this section, fails to appear at this proceeding, without sufficient excuse, the court shall conduct the hearing and make the determinations in the manner set forth in subdivision three of this section.

§ 168-o. Petition for relief or modification

Currentness

1. Any sex offender who is classified as a level two risk, and who has not been designated a sexual predator, or a sexually violent offender, or a predicate sex offender, who is required to register or verify pursuant to this article and who has been registered for a minimum period of thirty years may be relieved of any further duty to register upon the granting of a petition for relief by the sentencing court or by the court which made the determination regarding duration of registration and level of notification. The sex offender shall bear the burden of proving by clear and convincing evidence that his or her risk of repeat offense and threat to public safety is such that registration or verification is no longer necessary. Such petition, if granted, shall not relieve the petitioner of the duty to register pursuant to this article upon conviction of any offense requiring registration in the future. Such a petition shall not be considered more than once every two years. In the event that the sex offender's petition for relief is granted, the district attorney may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the sex offender upon the ground that the sex offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

2. Any sex offender required to register or verify pursuant to this article may petition the sentencing court or the court which made the determination regarding the level of notification for an order modifying the level of notification. The petition shall set forth the level of notification sought, together with the reasons for seeking such determination. The sex offender shall bear the burden of proving the facts supporting the requested modification by clear and convincing evidence. Such a petition shall not be considered more than annually. In the event that the sex offender's petition to modify the level of notification is granted, the district attorney may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the sex offender upon the ground that the sex offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

3. The district attorney may file a petition to modify the level of notification for a sex offender with the sentencing court or with the court which made the determination regarding the level of notification, where the sex offender (a) has been convicted of a new crime, or there has been a determination after a proceeding pursuant to section 410.70 of the criminal procedure law or section two hundred fifty-nine-i of the executive law that the sex offender has violated one or more conditions imposed as part of a sentence of a conditional discharge, probation, parole or post-release supervision for a designated crime, and (b) the conduct underlying the new crime or the violation is of a nature that indicates an increased risk of a repeat sex offense. The petition shall set forth the level of notification sought, together with the reasons for seeking such determination. The district attorney shall bear the burden of proving the facts supporting the requested modification, by clear and convincing evidence. In the event that the district attorney's petition is granted, the sex offender may appeal as of right from the order, pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the offender upon the ground that he or she is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may proceed as a poor person, pursuant to article eighteen-B of the county law.

4. Upon receipt of a petition submitted pursuant to subdivision one, two or three of this section, the court shall forward a copy of the petition to the board and request an updated recommendation pertaining to the sex offender and shall provide a copy of the petition to the other party. The board's updated recommendation on the sex offender shall be confidential and shall not be available for public inspection. After receiving an updated recommendation from the board concerning a sex offender, the court shall, at least thirty days prior to ruling upon the petition, provide a copy of the updated recommendation to the sex offender, the sex offender's counsel and the district attorney and notify them, in writing, of the date set by the court for a hearing on the petition. After reviewing the recommendation received from the board and any relevant materials and evidence submitted by the sex offender and the district attorney, the court may grant or deny the petition. McKinney's Correction Law § 168-p

§ 168-p. Special telephone number

Currentness

1. Pursuant to section one hundred sixty-eight-b of this article, the division shall also operate a telephone number that members of the public may call free of charge and inquire whether a named individual required to register pursuant to this article is listed. The division shall ascertain whether a named person reasonably appears to be a person so listed and provide the caller with the relevant information according to risk as described in subdivision six of section one hundred sixty-eight-l of this article. The division shall decide whether the named person reasonably appears to be a person listed, based upon information from the caller providing information that shall include (a) an exact street address, including apartment number, driver's license number or birth date, along with additional information that may include social security number, hair color, eye color, height, weight, distinctive markings, ethnicity; or (b) any combination of the above listed characteristics if an exact birth date or address is not available. If three of the characteristics provided include ethnicity, hair color, and eye color, other identifying characteristics shall be provided. Any information identifying the victim by name, birth date, address or relation to the person listed by the division shall be excluded by the division.

2. When the telephone number is called, a preamble shall be played which shall provide the following information:

- (a) notice that the caller's telephone number will be recorded;
- (b) that there is no charge for use of the telephone number;
- (c) notice that the caller is required to identify himself or herself to the operator and provide current address and shall be maintained in a written record;
- (d) notice that the caller is required to be eighteen years of age or older;
- (e) a warning that it is illegal to use information obtained through the telephone number to commit a crime against any person listed or to engage in illegal discrimination or harassment against such person;
- (f) notice that the caller is required to have the birth date, driver's license or identification number, or address or other identifying information regarding the person about whom information is sought in order to achieve a positive identification of that person;

(g) a statement that the number is not a crime hotline and that any suspected criminal activity should be reported to local authorities;

(h) a statement that an information package which will include a description of the law and sex abuse and abduction prevention materials is available upon request from the division. Such information package shall include questions and answers regarding the most commonly asked questions about the sex offender registration act, and current sex abuse and abduction prevention material.

2-a. (a) The division shall establish a program allowing non-profit and not-for-profit youth services organizations to pre-register with the division for use of the telephone number. Pre-registration shall include the identification of up to two officials of the organization who may call the telephone number and obtain information on behalf of the organization. A pre-registered certificate issued under this subdivision shall be valid for two years, unless earlier revoked by the division for good cause shown. No fee shall be charged to an applicant for the issuance of a pre-registered certificate pursuant to this subdivision.

(b) An organization granted a pre-registered certificate pursuant to this subdivision may, upon calling the telephone number, inquire whether multiple named individuals are listed on the sex offender registry. Notwithstanding any per call limitation the division may place on calls by private individuals, the division shall allow such pre-registered organizations to inquire about up to twenty prospective coaches, leaders or volunteers in each call to the telephone number.

(c) For purposes of this subdivision, “youth services organization” shall mean a formalized program operated by a corporation pursuant to subparagraph five of paragraph (a) of section one hundred two of the not-for-profit corporation law that functions primarily to: (a) provide children the opportunity to participate in adult-supervised sporting activities; or (b) match children or groups of children with adult volunteers for the purpose of providing children with positive role models to enhance their development.

2-b. The division shall maintain a program allowing a transportation network company (TNC), as defined in section one thousand six hundred ninety-one of the vehicle and traffic law, to electronically submit multiple names, and other necessary identifying information as required by the division and in accordance with subdivision one of this section, of applicants applying to be TNC drivers for the purpose of determining whether such applicants are listed on the sex offender registry pursuant to this article. The division shall respond to such inquiry electronically, within four business days, and notify such TNC of any such applicant who is listed on the registry pursuant to this article. A TNC shall pre-register with the division before the electronic submission of names and shall agree in writing that information obtained by a TNC pursuant to this subdivision be used only for the purposes of determining eligibility of an applicant for a TNC permit, pursuant to sections one thousand six hundred ninety-six and one thousand six hundred ninety-nine of the vehicle and traffic law, by designated employees of such TNC and that such information shall not be distributed or disclosed except as specifically authorized by law.

3. Whenever there is reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of misuse of the telephone number, the attorney general, any district attorney or any person aggrieved by the misuse of the number is authorized to bring a civil action in the appropriate court requesting preventive relief, including an application for a permanent or temporary injunction, restraining order or other order against the person or group of persons responsible for the pattern or practice of misuse. The foregoing remedies shall be independent of any other remedies or procedures that may be available to an aggrieved party under other provisions of law. Such person or group of persons shall be subject to a fine of not less than five hundred dollars and not more than one thousand dollars.

4. The division shall submit to the legislature an annual report on the operation of the telephone number. The annual report shall include, but not be limited to, all of the following:

- (a) number of calls received;
- (b) a detailed outline of the amount of money expended and the manner in which it was expended for purposes of this section;
- (c) number of calls that resulted in an affirmative response and the number of calls that resulted in a negative response with regard to whether a named individual was listed;
- (d) number of persons listed; and
- (e) a summary of the success of the telephone number program based upon selected factors.

Article 27a. Sex Offender and Public Protection Registration Programs (Refs & Annos)

Part 1. Registration Programs, Purpose and Definitions Generally

N.C.G.S.A. § 14-208.5

§ 14-208.5. Purpose

Currentness

The General Assembly recognizes that sex offenders often pose a high risk of engaging in sex offenses even after being released from incarceration or commitment and that protection of the public from sex offenders is of paramount governmental interest.

The General Assembly also recognizes that persons who commit certain other types of offenses against minors, such as kidnapping, pose significant and unacceptable threats to the public safety and welfare of the children in this State and that the protection of those children is of great governmental interest. Further, the General Assembly recognizes that law enforcement officers' efforts to protect communities, conduct investigations, and quickly apprehend offenders who commit sex offenses or certain offenses against minors are impaired by the lack of information available to law enforcement agencies about convicted offenders who live within the agency's jurisdiction. Release of information about these offenders will further the governmental interests of public safety so long as the information released is rationally related to the furtherance of those goals.

Therefore, it is the purpose of this Article to assist law enforcement agencies' efforts to protect communities by requiring persons who are convicted of sex offenses or of certain other offenses committed against minors to register with law enforcement agencies, to require the exchange of relevant information about those offenders among law enforcement agencies, and to authorize the access to necessary and relevant information about those offenders to others as provided in this Article.

Part 1. Registration Programs, Purpose and Definitions Generally

N.C.G.S.A. § 14-208.6A

§ 14-208.6A. Lifetime registration requirements for criminal offenders

Currentness

It is the objective of the General Assembly to establish a 30-year registration requirement for persons convicted of certain offenses against minors or sexually violent offenses with an opportunity for those persons to petition in superior court to shorten their registration time period after 10 years of registration. It is the further objective of the General Assembly to establish a more stringent set of registration requirements for recidivists, persons who commit aggravated offenses, and for a subclass of highly dangerous sex offenders who are determined by a sentencing court with the assistance of a board of experts to be sexually violent predators.

To accomplish this objective, there are established two registration programs: the Sex Offender and Public Protection Registration Program and the Sexually Violent Predator Registration Program. Any person convicted of an offense against a minor or of a sexually violent offense as defined by this Article shall register in person as an offender in accordance with Part 2 of this Article. Any person who is a recidivist, who commits an aggravated offense, or who is determined to be a sexually violent predator shall register in person as such in accordance with Part 3 of this Article.

The information obtained under these programs shall be immediately shared with the appropriate local, State, federal, and out-of-state law enforcement officials and penal institutions. In addition, the information designated under G.S. 14-208.10(a) as public record shall be readily available to and accessible by the public. However, the identity of the victim is not public record and shall not be released as a public record.

§ 14-208.9A. Verification of registration information

Currentness

(1) Every year on the anniversary of a person's initial registration date, and again six months after that date, the Department of Public Safety shall mail a nonforwardable verification form to the last reported address of the person.

(2) The person shall return the verification form in person to the sheriff within three business days after the receipt of the form.

a. Whether the person still resides at the address last reported to the sheriff. If the person has a different address, then the person shall indicate that fact and the new address.

b. Whether the person still uses or intends to use any online identifiers last reported to the sheriff. If the person has any new or different online identifiers, then the person shall provide those online identifiers to the sheriff.

c. Whether the person still uses or intends to use the name under which the person registered and last reported to the sheriff. If the person has any new or different name, then the person shall provide that name to the sheriff.

(c) Additional Photograph May Be Required.--If it appears to the sheriff that the current photograph of the sex offender no longer provides a true and accurate likeness of the sex offender, upon in-person notice from the sheriff, the sex offender shall allow the sheriff to take another photograph of the sex offender at the time of the sheriff's request. If requested by the sheriff, the sex offender shall appear in person at the sheriff's office during normal business hours within three business days of being requested to do so and shall allow the sheriff to take another photograph of the sex offender. N.C.G.S.A. § 14-208.12A

§ 14-208.12A. Request for termination of registration requirement

Currentness

(a) Ten years from the date of initial county registration, a person required to register under this Part may petition the superior court to terminate the 30-year registration requirement if the person has not been convicted of a subsequent offense requiring registration under this Article.

If the reportable conviction is for an offense that occurred in North Carolina, the petition shall be filed in the district where the person was convicted of the offense.

If the reportable conviction is for an offense that occurred in another state, the petition shall be filed in the district where the person resides. A person who petitions to terminate the registration requirement for a reportable conviction that is an out-of-state offense shall also do the following: (i) provide written notice to the sheriff of the county where the person was convicted that the person is petitioning the court to terminate the registration requirement and (ii) include with the petition at the time of its filing, an affidavit, signed by the petitioner, that verifies that the petitioner has notified the sheriff of the county where the person was convicted of the petition and that provides the mailing address and contact information for that sheriff.

Regardless of where the offense occurred, if the defendant was convicted of a reportable offense in any federal court, the conviction will be treated as an out-of-state offense for the purposes of this section.

(a1) The court may grant the relief if:

- (1) The petitioner demonstrates to the court that he or she has not been arrested for any crime that would require registration under this Article since completing the sentence,
- (2) The requested relief complies with the provisions of the federal Jacob Wetterling Act, as amended, and any other federal standards applicable to the termination of a registration requirement or required to be met as a condition for the receipt of federal funds by the State, and
- (3) The court is otherwise satisfied that the petitioner is not a current or potential threat to public safety.

(a2) The district attorney in the district in which the petition is filed shall be given notice of the petition at least three weeks before the hearing on the matter. The petitioner may present evidence in support of the petition and the district attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied.

(a3) If the court denies the petition, the person may again petition the court for relief in accordance with this section one year from the date of the denial of the original petition to terminate the registration requirement. If the court grants the petition to terminate the registration requirement, the clerk of court shall forward a certified copy of the order to the Department of Public Safety to have the person's name removed from the registry.

(b) If there is a subsequent offense, the county registration records shall be retained until the registration requirement for the subsequent offense is terminated by the court under subsection (a1) of this section.

(c) The victim of the underlying offense may appear and be heard by the court in a proceeding regarding a request for termination of the sex offender registration requirement. If the victim has elected to receive notices of such proceedings, the district attorney's office shall notify the victim of the date, time, and place of the hearing. The district attorney's office may provide the required notification electronically or by telephone, unless the victim requests otherwise. The victim shall be responsible for notifying the district attorney's office of any changes in the victim's address and telephone number or other contact information. The judge in any court proceeding subject to this section shall inquire as to whether the victim is present and wishes to be heard. If the victim is present and wishes to be heard, the court shall grant the victim an opportunity to be reasonably heard. The right to be reasonably heard may be exercised, at the victim's discretion, through an oral statement, submission of a written statement, or submission of an audio or video statement.

Part 2. Sex Offender and Public Protection Registration Program

N.C.G.S.A. § 14-208.12B

§ 14-208.12B. Registration requirement review

Currentness

(a) When a person is notified by a sheriff that the person may be required to register based on an out-of-state conviction as provided in G.S. 14-208.6(4)(b), or a federal conviction as provided in G.S. 14-208.6(4)(c), that is substantially similar to a North Carolina sexually violent offense, or an offense against a minor, the sheriff shall notify the person of the right to petition the court for a judicial determination of the requirement to register. Notification shall be served on the person and the district attorney, as provided in G.S. 1A-1, Rule 4(j), or delivery by any other means that the person consented to in writing. The person may petition the court to contest the requirement to register by filing a petition to obtain a judicial determination as to whether the person is required to register under this Article. The judicial review shall be by a superior court judge presiding in the district where the petition is filed. The review under this section is limited to determine whether or not the person's out-of-state or federal conviction is substantially similar to a reportable conviction, as defined in G.S. 14-208.6(4)(a).

(b) The petition shall be filed in the county in which the person resides using a form created by the Administrative Office of the Courts. The petition must be filed with the clerk of court within 30 days of the person's receipt of the notification of the requirement to register from the sheriff. The person filing the petition must serve a copy of the petition on the office of the district attorney and the sheriff in the county where the person resides within three days of filing the petition with the clerk of court. The petition shall be calendared at the next regularly scheduled term of superior court. At the first setting, the petitioner must be advised of the right to have counsel present at the hearing and to the appointment of counsel if the petitioner cannot afford to retain counsel. Appointment of counsel shall be in accordance with rules adopted by the Office of Indigent Defense Services.

(c) At the hearing, the district attorney has the burden to prove by a preponderance of the evidence, that the person's out-of-state or federal conviction is for an offense, which if committed in North Carolina, was substantially similar to a sexually violent offense, or an offense against a minor. The person may present evidence in support of the lack of substantial similarity between the out-of-state or federal conviction, but may not contest the validity of the conviction. The court may review copies of the relevant out-of-state or federal criminal law and compare the elements of the out-of-state or federal offense to those purportedly similar to a North Carolina offense.

(d) After reviewing the petition, receiving any and all evidence presented by the parties at the hearing, considering any arguments of the parties, the presiding superior court judge shall determine whether the out-of-state or federal conviction is substantially similar to a reportable conviction. If the presiding superior court judge determines the out-of-state or federal conviction is substantially similar to a reportable conviction, the judge shall order the person to register as a sex offender pursuant to this Article. If the presiding superior court judge determines the out-of-state or federal conviction is not substantially similar to a reportable conviction, the judge shall indicate in an order that the person is not required to register as a sex offender pursuant to this Article, based on the out-of-state or federal conviction presented in the hearing. The judge shall prepare a written order and shall direct such order be filed with the clerk of court and copied to the district attorney and the sheriff.

(e) A person who properly files a petition in accordance with this provision shall not be required to register with the sheriff until such petition is decided by the court. No person who properly files a petition in accordance with this provision may be charged with failing to register or any other violation applicable to registrants under this Article, while such petition is pending judicial review as provided in this section.

(f) Any person who is notified by the sheriff of the person's requirement to register as a result of an out-of-state or federal conviction and fails to file a petition under this provision within 30 days of receipt of the notification shall be deemed to have waived judicial review of the person's requirement to register.

(g) A person notified of a requirement to register as a result of a conviction for an offense under G.S. 14-208.6(4)(b) or G.S. 14-208.6(4)(c), who willfully (i) does not file a petition under this section and (ii) does not register in accordance with this Article, shall be in violation of G.S. 14-208.11(a)(1) and shall be guilty of a Class F Felony as provided in that section.

(h) This section shall not be used in lieu of the process to terminate the period of registration pursuant to G.S. 14-208.12A.

(i) No sheriff, or employee of a sheriffs' office, district attorney's office, or the North Carolina State Bureau of Investigation shall incur any civil or criminal liability under North Carolina law as the result of the performance of official duties under this Article.

N.C.G.S.A. § 14-208.15A

§ 14-208.15A. Release of online identifiers to entity; fee

Currentness

(a) The Department of Public Safety may release registry information regarding a registered offender's online identifier to an entity for the purpose of allowing the entity to prescreen users or to compare the online identifier information with information held by the entity as provided by this section.

(b) An entity desiring to prescreen its users or compare its database of registered users to the list of online identifiers of persons in the statewide registry may apply to the Department of Public Safety to access the information. An entity that complies with the criteria developed by the Department of Public Safety regarding the release and use of the online identifier information and pays the fee may screen new users or compare its database of registered users to the list of online identifiers of persons in the statewide registry as frequently as the Department of Public Safety may allow for the purpose of identifying a registered user associated with an online identifier contained in the statewide registry.

(c) The Department of Public Safety may charge an entity that submits a request for the online identifiers of persons in the statewide registry an annual fee of one hundred dollars (\$100.00). Fees collected under this section shall be credited to the Department of Public Safety and applied to the cost of providing this service.

(d) The Department of Public Safety shall develop standards regarding the release and use of online identifier information. The standards shall include a requirement that the information obtained from the statewide registry shall not be disclosed for any purpose other than for prescreening its users or comparing the database of registered users of the entity against the list of online identifiers of persons in the statewide registry.

(e) An entity that receives:

(1) A complaint from a user of the entity's services that a person uses its service to solicit a minor by computer to commit an unlawful sex act as defined in G.S. 14-202.3, or

(2) A report that a user may be violating G.S. 14-190.17, G.S. 14-190.17A, or G.S. 14-190.17C by posting or transmitting material that contains a visual representation of a minor engaged in sexual activity,

shall report that information and the online identifier information of the person allegedly committing the offense, including whether that online identifier is included in the statewide registry, to the Cyber Tip Line at the National Center for Missing and Exploited Children, which shall forward that report to an appropriate law enforcement official in this State. The offense is

(f) An entity that complies with this section in good faith is immune from civil or criminal liability resulting from either of the following:

(1) The entity's refusal to provide system service to a person on the basis that the entity reasonably believed that the person was subject to registration under State sex offender registry laws.

If the court finds that the juvenile is a danger to the community, then the court shall consider whether the juvenile should be required to register with the county sheriff in accordance with this Part. § 14-208.39. Legislative finding of efficacy

Currentness

The General Assembly finds that empirical and statistical reports such as the 2015 California Study, “Does GPS Improve Recidivism among High Risk Sex Offenders? Outcomes for California's GPS Pilot for High Risk Sex Offender Parolees,” show that sex offenders monitored with the global positioning system (GPS) are less likely than other sex offenders to receive a violation for committing a new crime, and that offenders monitored by GPS demonstrated significantly better outcomes for both increasing compliance and reducing recidivism. It is the intent of the General Assembly to protect the public from victimization. Therefore, the General Assembly recognizes that the GPS monitoring program is an effective tool to deter criminal behavior among sex offenders.

N.C.G.S.A. § 14-208.40

§ 14-208.40. Establishment of program; creation of guidelines; duties

Currentness

(a) The Division of Community Supervision and Reentry of the Department of Adult Correction shall establish a sex offender monitoring program that uses a continuous satellite-based monitoring system and shall create guidelines to govern the program. The program shall be designed to monitor three categories of offenders as follows:

- (1) Any offender who is convicted of a reportable conviction as defined by G.S. 14-208.6(4) and who is required to register under Part 3 of Article 27A of Chapter 14 of the General Statutes because the defendant is classified as a sexually violent predator, is a reoffender, or was convicted of an aggravated offense as those terms are defined in G.S. 14-208.6 and requires the highest possible level of supervision and monitoring, as determined by a court.
- (2) Any offender who satisfies all of the following criteria: (i) is convicted of a reportable conviction as defined by G.S. 14-208.6(4), (ii) is required to register under Part 2 of Article 27A of Chapter 14 of the General Statutes, (iii) has committed an offense involving the physical, mental, or sexual abuse of a minor, and (iv) requires the highest possible level of supervision and monitoring, as determined by a court.
- (3) Any offender who is convicted of G.S. 14-27.23 or G.S. 14-27.28 and requires the highest possible level of supervision and monitoring, as determined by a court.

(b) In developing the guidelines for the program, the Division of Community Supervision and Reentry shall require that any offender who is enrolled in the satellite-based program submit to an active continuous satellite-based monitoring program, unless an active program will not work as provided by this section. If the Division of Community Supervision and Reentry determines that an active program will not work as provided by this section, then the Division of Community Supervision and Reentry shall require that the defendant submit to a passive continuous satellite-based program that works within the technological or geographical limitations.

(c) The satellite-based monitoring program shall use a system that provides all of the following:

- (1) Time-correlated and continuous tracking of the geographic location of the subject using a global positioning system based on satellite and other location tracking technology.

(2) Reporting of subject's violations of prescriptive and proscriptive schedule or location requirements. Frequency of reporting may range from once a day (passive) to near real-time (active).

(d) The Division of Community Supervision and Reentry may contract with a single vendor for the hardware services needed to monitor subject offenders and correlate their movements to reported crime incidents. The contract may provide for services necessary to implement or facilitate any of the provisions of this Part.

N.C.G.S.A. § 14-208.40A

§ 14-208.40A. Determination of satellite-based monitoring requirement by court

Currentness

(a) When an offender is convicted of a reportable conviction as defined by G.S. 14-208.6(4), during the sentencing phase, the district attorney shall present to the court any evidence of the following:

- (1) That the offender has been classified as a sexually violent predator pursuant to G.S. 14-208.20.
- (2) That the offender is a reoffender.
- (3) That the conviction offense was an aggravated offense.
- (4) That the conviction offense was a violation of G.S. 14-27.23 or G.S. 14-27.28.
- (5) That the offense involved the physical, mental, or sexual abuse of a minor.

The district attorney shall have no discretion to withhold any evidence required to be submitted to the court pursuant to this subsection. The offender shall be allowed to present to the court any evidence that the district attorney's evidence is not correct.

(b) After receipt of the evidence from the parties, the court shall determine whether the offender's conviction places the offender in one of the categories described in G.S. 14-208.40(a), and if so, shall make a finding of fact of that determination, specifying each of the following:

- (1) Whether the offender has been classified as a sexually violent predator pursuant to G.S. 14-208.20.
- (2) Whether the offender is a reoffender.
- (3) Whether the conviction offense was an aggravated offense.

The Department shall have up to 60 days to complete the risk assessment of the offender and report the results to the court. The Department may use a risk assessment of the offender done within six months of the date of the hearing.

(c1) Upon receipt of a risk assessment from the Department of Adult Correction pursuant to subsection (c) of this section, the court shall determine whether, based on the Department's risk assessment and all relevant evidence, the offender requires the highest possible level of supervision and monitoring. If the court determines that the offender does require the highest possible level of supervision and monitoring, the court shall order the offender to enroll in a satellite-based monitoring program for the life of the offender.

(d) The court shall order that the Department of Adult Correction do a risk assessment of the offender if the court finds each of the following:

a. "A crime against a child" means a violation of chapter 12.1-16, section 12.1-17-01.1 if the victim is under the age of twelve, 12.1-17-02, 12.1-17-04, subdivision a of subsection 6 of section 12.1-17-07.1, section 12.1-18-01, 12.1-18-02, 12.1-18-05, chapter 12.1-29, or section 14-09-22, subsection 3 of section 12.1-41-02, subsection 3 of section 12.1-41-03, or an equivalent offense from another court in the United States, a tribal court, or court of another country, in which the victim is a minor or is otherwise of the age required for the act to be a crime or an attempt or conspiracy to commit these offenses.

b. "Department" means the department of corrections and rehabilitation.

c. "Homeless" means an individual who is physically present in this state, but is living in a park, under a bridge, on the streets, in a vehicle or camper, or is otherwise without a traditional dwelling, and also one who resides in this state but does not maintain a permanent address. The term does not include individuals who are temporarily domiciled or individuals residing in public or private shelters that provide temporary living accommodations.

d. "Mental abnormality" means a congenital or acquired condition of an individual that affects the emotional or volitional capacity of the individual in a manner that predisposes that individual to the commission of criminal sexual acts to a degree that makes the individual a menace to the health and safety of other individuals.

e. "Predatory" means an act directed at a stranger or at an individual with whom a relationship has been established or promoted for the primary purpose of victimization.

f. "Reside" means to live permanently or be situated for a considerable time in a home or a particular place.

g. "Sexual offender" means a person who has pled guilty to or been found guilty, including juvenile delinquent adjudications, of a violation of section 12.1-20-03, 12.1-20-03.1, 12.1-20-04, 12.1-20-05, 12.1-20-05.1, 12.1-20-06, 12.1-20-06.1, 12.1-20-07 except for subdivision a of subsection 1, 12.1-20-11, 12.1-20-12.1, 12.1-20-12.2, 12.1-20-12.3 except for subdivision a of subsection 1 and subdivision b of subsection 1 if the offense involves only a demand for money, chapter 12.1-27.2, subdivision b of subsection 1 of section 12.1-41-02, section 12.1-41-04, 12.1-41-05, or 12.1-41-06, or an equivalent offense from another court in the United States, a tribal court, or court of another country, or an attempt or conspiracy to commit these offenses.

h. "Sexually dangerous individual" means an individual who meets the definition specified in section 25-03.3-01.

i. "Temporarily domiciled" means staying or being physically present in this state for more than thirty days in a calendar year or at a location for longer than ten consecutive days, attending school for longer than ten days, or maintaining employment in the jurisdiction for longer than ten days, regardless of the state of the residence.

2. The court shall impose, in addition to any penalty provided by law, a requirement that the individual register, within three days of coming into a county in which the individual resides, is homeless, or within the period identified in this section that the individual becomes temporarily domiciled. The individual must register with the chief of police of the city of the individual's place of residence, or the sheriff of the county if the individual resides in an area other than a city. A homeless individual shall register every three days with the sheriff or chief of police of the jurisdiction in which the individual is physically present. The court shall require an individual to register by stating this requirement on the court records, if that individual:

a. Has pled guilty or nolo contendere to, or been found guilty as a felonious sexual offender or an attempted felonious sexual offender.

b. Has pled guilty or nolo contendere to, or been found guilty as a sexual offender for, a misdemeanor or attempted misdemeanor. The court may deviate from requiring an individual to register if the court first finds the individual is no more than three years older than the victim if the victim is a minor, the individual has not previously been convicted as a sexual offender or of a crime against a child, and the individual did not exhibit mental abnormality or predatory conduct in the commission of the offense.

c. Has pled guilty or nolo contendere to, or been found guilty of, a crime against a child or an attempted crime against a child. Except if the offense is described in section 12.1-29-02, or section 12.1-18-01 or 12.1-18-02 and the person is not the parent of the victim, the court may deviate from requiring an individual to register if the court first finds the individual has not previously been convicted as a sexual offender or for a crime against a child, and the individual did not exhibit mental abnormality or predatory conduct in the commission of the offense.

d. Has pled guilty or nolo contendere or been found guilty of any crime against another individual which is not otherwise specified in this section if the court determines that registration is warranted by the nature of the crime and therefore orders registration for the individual. If the court orders an individual to register as an offender under this section, the individual shall comply with all of the registration requirements in this chapter.

e. Is a child who has been adjudicated delinquent of an offense which would classify the child as a sexual offender, the prosecutor requested the court to consider sexual offender registration, and the court determines the child:

(1) Exhibited a mental abnormality or predatory conduct in the commission of the offense; or

(2) Previously has been adjudicated as a sexual offender.

3. If a court has not ordered an individual to register in this state, an individual who resides, is homeless, or is temporarily domiciled in this state shall register if the individual:

a. Is incarcerated or is on probation or parole after July 31, 1995, for a crime against a child described in section 12.1-29-02, or section 12.1-18-01 or 12.1-18-02 if the individual was not the parent of the victim, or as a sexual offender;

b. Has pled guilty or nolo contendere to, or has been found guilty of, an offense in a court of this state for which registration is mandatory under this section or an offense from another court in the United States, a tribal court, or court of another country equivalent to those offenses set forth in this section; or

c. Has pled guilty or nolo contendere to, or has been found guilty of, a crime against a child or as a sexual offender for which registration is mandatory under this section if the conviction occurred after July 31, 1985.

4. In its consideration of mental abnormality or predatory conduct, the court shall consider the age of the offender, the age of the victim, the difference in ages of the victim and offender, the circumstances and motive of the crime, the relationship of the victim and offender, and the mental state of the offender. The court may order an offender to be evaluated by a qualified counselor, psychologist, or physician before sentencing. Except as provided under subdivision d of subsection 2, the court may state on the record in open court its affirmative finding for not requiring an offender to register.

5. When an individual is required to register under this section, the official in charge of a facility or institution where the individual required to register is confined, or the department, shall, before the discharge, parole, or release of that individual, inform the individual of the duty to register pursuant to this section. The official or the department shall require the individual to read and sign a form as required by the attorney general, stating that the duty of the individual to register has been explained to that individual. The official in charge of the place of confinement, or the department, shall obtain the address where the individual expects to reside, attend school, or work upon discharge, parole, or release and shall report the address to the attorney general. The official in charge of the place of confinement, or the department, shall give three copies of the form to the individual and shall send three copies to the attorney general no later than forty-five days before the scheduled release of that individual. The attorney general shall forward one copy to the law enforcement agency having jurisdiction where the individual expects to reside, attend school, or work upon discharge, parole, or release, one copy to the prosecutor who prosecuted the individual, and one copy to the court in which the individual was prosecuted. All forms must be transmitted and received by the law enforcement agency, prosecutor, and court thirty days before the discharge, parole, or release of the individual.

6. An individual who is required to register pursuant to this section who is released on probation or discharged upon payment of a fine must, before the release or discharge, be informed of the duty to register under this section by the court in which that individual is convicted. The court shall require the individual to read and sign a form as required by the attorney general, stating that the duty of the individual to register under this section has been explained to that individual. The court shall obtain the address where the individual expects to reside, attend school, or work upon release or discharge and shall report the address to the attorney general within three days. The court shall give one copy of the form to the individual and shall send two copies to the attorney general. The attorney general shall forward one copy to the appropriate law enforcement agency having jurisdiction where the individual expects to reside, attend school, or work upon discharge, parole, or release.

7. Registration consists of a written or electronic statement signed by the individual, giving the information required by the attorney general, and the biometric data and photograph of the individual. An individual who is not required to provide a sample of blood and other body fluids under section 31-13-03 or by the individual's state or court of conviction or adjudication shall submit a sample of blood and other body fluids for inclusion in a centralized database of DNA identification records under section 31-13-05. The collection, submission, testing and analysis of, and records produced from, samples of blood and other body fluids, are subject to chapter 31-13. Evidence of the DNA profile comparison is admissible in accordance with section 31-13-02. A report of the DNA analysis certified by the state crime laboratory is admissible in accordance with section 31-13-05. A district court shall order an individual who refuses to submit a sample of blood or other body fluids for registration purposes to show cause at a specified time and place why the individual should not be required to submit the sample required under this subsection. Within three days after registration, the registering law enforcement agency shall forward the statement, biometric data, and photograph to the attorney general and shall submit the sample of the individual's blood and body fluids to the state crime laboratory. If an individual required to register under this section has a change in vehicle or computer online identity, the individual shall register, within three days after the change, with the law enforcement agency having local jurisdiction of the individual's place of residence of the individual's new vehicle or computer online identity. If an individual required to register pursuant to this section has a change in name, school, or residence or employment address, that individual shall register, at least ten days before the change, with the law enforcement agency having local jurisdiction of the individual's place of residence of the individual's new name, school, residence address, or employment address. A change in school or employment address includes the termination of school or employment for which an individual required to register under this section, the individual shall register within three days of the termination with the law enforcement agency having local jurisdiction of the individual's place of residence. The law enforcement agency, within three days after receipt of the information, shall forward it to the attorney general. The attorney general shall forward the appropriate registration data to the law enforcement agency having local jurisdiction of the new place of residence, school, or employment. Upon a change of address, the individual required to register also shall register within three days at the law enforcement agency having local jurisdiction of the new place of residence. If an individual required to register in North Dakota, including in a tribal registry, resides in another state or on tribal lands, that individual shall register employment and school addresses and any changes in required registration information with the law enforcement agency having local jurisdiction over the school or employment address. The individual registering under this section shall periodically confirm the information required under this subsection in a manner and at an interval determined by the attorney general. A law enforcement agency that has previously registered an offender may omit the biometric data portion of the registration if that agency has a set of biometric data on file for that individual and is personally familiar with and can visually identify the offender. These provisions also apply in any other state that requires registration.

8. An individual required to register under this section shall comply with the registration requirement for the longer of the following periods:

- a. A period of fifteen years after the date of sentence or order deferring or suspending sentence upon a plea or finding of guilt or after release from incarceration, whichever is later;
- b. A period of twenty-five years after the date of sentence or order deferring or suspending sentence upon a plea or finding of guilt or after release from incarceration, whichever is later, if the offender is assigned a moderate risk by the attorney general as provided in subsection 12; or
- c. For the life of the individual, if that individual:

(1) On two or more occasions has pled guilty or nolo contendere to, or been found guilty of a crime against a child or as a sexual offender. If all qualifying offenses are misdemeanors, this lifetime provision does not apply unless a qualifying offense was committed after August 1, 1999;

(2) Pleads guilty or nolo contendere to, or is found guilty of, an offense committed after August 1, 1999, which is described in subdivision a of subsection 1 of section 12.1-20-03, section 12.1-20-03.1, or subdivision d of subsection 1 of section 12.1-20-03 if the person is an adult and the victim is under age twelve, or section 12.1-18-01 if that individual is an adult other than a parent of the victim, or an equivalent offense from another court in the United States, a tribal court, or court of another country; or

(3) Is assigned a high risk by the attorney general as provided in subsection 12.

9. An individual required to register under this section who violates this section is guilty of a class C felony. The failure of a homeless individual to register as required in subsections 2 and 3 is prima facie evidence of a violation of this section. The clerk of court shall forward all warrants issued for a violation of this section to the county sheriff, who shall enter all such warrants into the national crime information center wanted person file. A court may not relieve an individual, other than a juvenile, who violates this section from serving a term of at least ninety days in jail and completing probation of one year.

10. When an individual is released on parole or probation and is required to register pursuant to this section, but fails to do so within the time prescribed, the court shall order the probation, or the parole board shall order the parole, of the individual revoked.

11. If an individual required to register pursuant to this section is temporarily sent outside the facility or institution where that individual is confined under conviction or sentence, the local law enforcement agency having jurisdiction over the place where that individual is being sent must be notified within a reasonable time period before that individual is released from the facility or institution. This subsection does not apply to any individual temporarily released under guard from the facility or institution in which that individual is confined.

12. The attorney general, with the assistance of the department and the juvenile courts, shall develop guidelines for the risk assessment of sexual offenders who are required to register, with a low-risk, moderate-risk, or high-risk level being assigned to each offender as follows:

a. The department shall conduct a risk assessment of sexual offenders who are incarcerated in institutions under the control of the department and sexual offenders who are on supervised probation. The department, in a timely manner, shall provide the attorney general any information, including the offender's level of risk and supporting documentation, concerning individuals required to be registered under this section who are about to be released or placed into the community.

b. The attorney general shall conduct a risk assessment of sexual offenders who are not under the custody or supervision of the department. The attorney general may adopt a law enforcement agency's previous assignment of risk level for an individual if the assessment was conducted in a manner substantially similar to the guidelines developed under this subsection.

c. The juvenile courts or the agency having legal custody of a juvenile shall conduct a risk assessment of juvenile sexual offenders who are required to register under this section. The juvenile courts or the agency having legal custody of a juvenile shall provide the attorney general any information, including the offender's level of risk and supporting documentation, concerning juveniles required to register and who are about to be released or placed into the community.

d. The attorney general shall notify the offender of the risk level assigned to that offender. An offender may request a review of that determination with the attorney general's sexual offender risk assessment committee and may present any information that the offender believes may lower the assigned risk level.

13. An individual assessed as a high-risk sexual offender in accordance with subsection 12, may not reside within five hundred feet [152.4 meters] of a public or nonpublic preschool or elementary, middle, or high school.

14. Relevant and necessary conviction and registration information must be disclosed to the public by a law enforcement agency if the individual is a moderate or high risk and the agency determines that disclosure of the conviction and registration information is necessary for public protection. The attorney general shall develop guidelines for public disclosure of offender registration information. Public disclosure may include internet access if the offender:

- a. Is required to register for a lifetime under subsection 8;
- b. Has been determined to be a high risk to the public by the department, the attorney general, or the courts, according to guidelines developed by those agencies; or
- c. Has been determined to be a high risk to the public by an agency of another state or the federal government.

If the offender has been determined to be a moderate risk, public disclosure must include, at a minimum, notification of the offense to the victim registered under chapter 12.1-34 and to any agency, civic organization, or group of persons who have characteristics similar to those of a victim of the offender. Upon request, law enforcement agencies may release conviction and registration information regarding low-risk, moderate-risk, or high-risk offenders.

15. A state officer, law enforcement agency, or public school district or governing body of a nonpublic school or any appointee, officer, or employee of those entities is not subject to civil or criminal liability for making risk determinations, allowing a sexual offender to attend a school function under section 12.1-20-25, or for disclosing or for failing to disclose information as permitted by this section.

16. If a juvenile is adjudicated delinquent and required or ordered to register as a sexual offender or as an offender against a child under this section, the juvenile shall comply with the registration requirements in this section. Notwithstanding any other provision of law, a law enforcement agency shall register a juvenile offender in the same manner as adult offenders and may release any relevant and necessary information on file to other law enforcement agencies, the department of health and human services, or the public if disclosure is necessary to protect public health or safety. The law enforcement agency shall release any relevant and necessary information on file to the superintendent or principal of the school the juvenile attends. The school administration shall notify others in similar positions if the juvenile transfers to another learning institution in or outside the state.

17. If an individual has been required to register as a sexual offender or an offender against a child under section 12.1-32-15 or former section 27-20-52.1 before August 1, 1999, the individual may petition the court to be removed from the offender list if registration is no longer mandatory for that individual. In considering the petition, the court shall comply with the requirements of this section.

18. A sexual offender who is currently assigned a moderate or high-risk level by the attorney general may not use a state park of this state as a residence or residential address to comply with the registration requirements of this section. Before arriving at a state park for overnight lodging or camping, a sexual offender who is assigned a moderate or high-risk level by the attorney general shall notify a parks and recreation department law enforcement officer at the state park where the sexual offender will be staying.

19. When an individual who is required to register pursuant to this section plans to travel outside of the United States, at least twenty-one days before the intended travel, the individual shall inform the agency with which the individual last registered the individual's residence address the details of the intended travel. Upon receipt of the information from the registering law enforcement agency, the attorney general shall report the travel to the United States marshal service.

R.C. § 2950.02

2950.02 Legislative findings; public policy declaration

Currentness

(A) The general assembly hereby determines and declares that it recognizes and finds all of the following:

(1) If the public is provided adequate notice and information about offenders and delinquent children who commit sexually oriented offenses or who commit child-victim oriented offenses, members of the public and communities can develop constructive plans to prepare themselves and their children for the offender's or delinquent child's release from imprisonment, a prison term, or other confinement or detention. This allows members of the public and communities to meet with members of law enforcement agencies to prepare and obtain information about the rights and responsibilities of the public and the communities and to provide education and counseling to their children.

(2) Sex offenders and child-victim offenders pose a risk of engaging in further sexually abusive behavior even after being released from imprisonment, a prison term, or other confinement or detention, and protection of members of the public from sex offenders and child-victim offenders is a paramount governmental interest.

(3) The penal, juvenile, and mental health components of the justice system of this state are largely hidden from public view, and a lack of information from any component may result in the failure of the system to satisfy this paramount governmental interest of public safety described in division (A)(2) of this section.

(4) Overly restrictive confidentiality and liability laws governing the release of information about sex offenders and child-victim offenders have reduced the willingness to release information that could be appropriately released under the public disclosure laws and have increased risks of public safety.

(5) A person who is found to be a sex offender or a child-victim offender has a reduced expectation of privacy because of the public's interest in public safety and in the effective operation of government.

(6) The release of information about sex offenders and child-victim offenders to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal, juvenile, and mental health systems as long as the information released is rationally related to the furtherance of those goals.

(B) The general assembly hereby declares that, in providing in this chapter for registration regarding offenders and certain delinquent children who have committed sexually oriented offenses or who have committed child-victim oriented offenses and for community notification regarding tier III sex offenders/child-victim offenders who are criminal offenders, public registry-qualified juvenile offender registrants, and certain other juvenile offender registrants who are about to be or have been released

from imprisonment, a prison term, or other confinement or detention and who will live in or near a particular neighborhood or who otherwise will live in or near a particular neighborhood, it is the general assembly's intent to protect the safety and general welfare of the people of this state. The general assembly further declares that it is the policy of this state to require the exchange in accordance with this chapter of relevant information about sex offenders and child-victim offenders among public agencies and officials and to authorize the release in accordance with this chapter of necessary and relevant information about sex offenders and child-victim offenders to members of the general public as a means of assuring public protection and that the exchange or release of that information is not punitive.

R.C. § 2950.021

2950.021 Reclassification of wrongly classified tier offender

Currentness

(A) As used in this section:

(1) "Wrongly classified Tier offender" means a sex offender or child-victim offender who has been classified by a court as a Tier I sex offender/child-victim offender, a Tier II sex offender/child-victim offender, or a Tier III sex offender/child-victim offender based on a sexually oriented offense or a child-victim oriented offense committed prior to January 1, 2008, and whose Tier classification based on that offense is invalid under the decision of the Ohio supreme court in *State v. Williams*, 129 Ohio St.3d 344, 2011-Ohio-3374.

(2) "Pre-2008 classification" means one of the categories in which sex offenders and child-victim offenders were included under Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008, and that determined the manner in which, and duration for which, the duties under that chapter applied to such offenders, including habitual sex offenders, sexual predators, habitual child-victim offenders, child-victim predators, sex offenders who were convicted of or pleaded guilty to an aggravated sexually oriented offense, and any other sex offenders or child-victim offenders not included in any of the preceding categories who were subject to duties, responsibilities, and restrictions under that chapter.

(B)(1) At any time before a wrongly classified Tier offender completes any registration and verification duties under this chapter that are associated with the sexually oriented offense or child-victim oriented offense that is the basis of the offender being a wrongly classified Tier offender, the court, upon the request of either the state or the offender or on the court's own initiative, shall hold a hearing to determine the pre-2008 classification that should apply to the offender under the provisions of Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008. This division applies with respect to a wrongly classified Tier offender who is completing registration and verification duties for the first time or one who has completed those duties one or more times previously and subsequently is completing them again in accordance with the provisions of Chapter 2950. of the Revised Code.

(2) The court shall give to both the state and the wrongly classified offender who is the subject of the hearing at least thirty days' notice of the date, time, and location of any hearing held under division (B)(1) of this section. The offender has the right to be represented by counsel and, if indigent, the right to have counsel appointed to represent the offender.

(3) A hearing held under division (B)(1) of this section shall be governed by, and held in accordance with, Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008, including one of the following as appropriate:

(a) As applicable to sexually oriented offenders, section 2950.09 of the Revised Code as it existed immediately prior to that date;

(b) As applicable to child-victim offenders, section 2950.091 of the Revised Code as it existed immediately prior to that date.

(4) If, at the conclusion of the hearing held under division (B)(1) of this section, the court determines that the wrongly classified Tier offender should be classified under the provisions of Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008, the court shall determine the appropriate pre-2008 classification for the offender, shall make any other necessary findings under those provisions, and shall file an entry that does all of the following:

(a) Sets forth the pre-2008 classification that the court determined for the offender and other relevant information;

(b) Specifies that the pre-2008 classification that the court determined for the offender is subject to enforcement under Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008;

(c) Vacates the prior classification of the offender as a Tier I sex offender/child-victim offender, Tier II sex offender/child-victim offender, or Tier III sex offender/child-victim offender.

(5) Any wrongly classified Tier offender who is reclassified under division (B) of this section shall receive credit toward the registration and verification duties under the new pre-2008 classification for all time that the offender has been in compliance with the registration and verification duties as a Tier I sex offender/child-victim offender, Tier II sex offender/child-victim offender, or Tier III sex offender/child-victim offender.

(6) Nothing in division (B) of this section limits either the state or a wrongly classified Tier offender from challenging on direct appeal a classification of the offender as a Tier I sex offender/child-victim offender, Tier II sex offender/child-victim offender, or Tier III sex offender/child-victim offender.

(7) Proceedings under division (B) of this section shall be initiated by the filing of a motion by a wrongly classified Tier offender or the state, or by the court's own initiative, within one year after the effective date of this section. If proceedings are not initiated within one year after the effective date of this section with respect to a wrongly classified Tier offender, the offender's Tier classification thereafter shall be deemed to be a valid classification subject to enforcement under Chapter 2950. of the Revised Code as it exists on and after January 1, 2008.

(8) No hearing may be held under division (B)(1) of this section with respect to a wrongly classified Tier offender if the offender, in writing in a motion or in another document filed with the court in the case, affirmatively accepts the Tier classification assigned to the offender. Upon such acceptance, the court shall issue an order recognizing that the wrongly classified Tier offender affirmatively accepts the Tier classification and is subject to Chapter 2950. of the Revised Code as it exists on and after January 1, 2008.

(C) If, on or after the effective date of this section, a person is convicted of or pleads guilty to a sexually oriented offense or child-victim oriented offense committed prior to January 1, 2008, the court imposing sentence for the offense shall hold a hearing to determine the pre-2008 classification that should apply to the offender under the provisions of Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008. Division (B)(3) of this section applies with respect to a hearing held under this division.

If, at the conclusion of the hearing held under this division, the court determines that the offender should be classified under the provisions of Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008, the court shall determine the appropriate pre-2008 classification for the offender and shall file an entry that does both of the following:

- (1) Sets forth the pre-2008 classification that the court determined for the offender;
- (2) Specifies that the pre-2008 classification that the court determined for the offender is subject to enforcement under Chapter 2950. of the Revised Code as it existed immediately prior to January 1, 2008.

(3) The attorney general shall make the determinations described in division (A)(1) of this section for each offender or delinquent child who has registered an address as described in that division, even if the offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date or the delinquent child is in a category specified in division (C) of section 2950.033 of the Revised Code and the child's duty to comply with those sections is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date. The attorney general shall send the registered letter described in division (A)(2) of this section to each offender or delinquent child who has registered an address as described in that division even if the offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date, or the delinquent child is in a category specified in division (C) of section 2950.033 of the Revised Code, and the child's duty to comply with those sections is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date. Section 2950.033 of the Revised Code applies to any offender who has registered an address as described in division (A)(1) or (2) of this section and whose duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date, or the delinquent child is in a category specified in division (C) of section 2950.033 of the Revised Code, and the child's duty to comply with those sections is scheduled to terminate prior to January 1, 2008, under the version of section 2950.07 of the Revised Code that is in effect prior to that date.

(B) If a sheriff informs the attorney general pursuant to section 2950.043 of the Revised Code that an offender or delinquent child registered with the sheriff pursuant to section 2950.04 or 2950.041 of the Revised Code on or after December 1, 2007, that the offender or delinquent child previously had not registered under either section with that sheriff or any other sheriff, and that the offender or delinquent child was convicted of, pleaded guilty to, or was classified a juvenile offender registrant relative to the sexually oriented offense or child-victim oriented offense upon which the registration was based prior to December 1, 2007, within fourteen days after being so informed of the registration and receiving the information and material specified in division (D) of that section, the attorney general shall determine for the offender or delinquent child all of the matters specified in division (A)(1) of this section. Upon making the determinations, the attorney general immediately shall send to the offender or to the delinquent child and the delinquent child's parents a registered letter pursuant to division (A)(2) of this section that contains the information specified in that division.

(C) The attorney general shall maintain the return receipts for all offenders, delinquent children, and parents of delinquent children who are sent a registered letter under division (A) or (B) of this section. For each offender, delinquent child, and parents of a delinquent child, the attorney general shall send a copy of the return receipt for the offender, delinquent child, or parents to the sheriff with whom the offender or delinquent child most recently registered a residence address and, if applicable, a school, institution of higher education, or place of employment address and to the prosecutor who handled the case in which the offender or delinquent child was convicted of, pleaded guilty to, or was adjudicated a delinquent child for committing the sexually oriented offense or child-victim oriented offense that resulted in the offender's or child's registration duty under section 2950.04 or 2950.041 of the Revised Code. If a return receipt indicates that the offender, delinquent child, or parents of a delinquent child to whom the registered letter was sent does not reside or have temporary domicile at the listed address, the attorney general immediately shall provide notice of that fact to the sheriff with whom the offender or delinquent child registered that residence address.

(D) The attorney general shall mail to each sheriff a list of all offenders and delinquent children who have registered a residence address or a school, institution of higher education, or place of employment address with that sheriff and to whom a registered letter is sent under division (A) or (B) of this section. The list shall specify the offender's or delinquent child's new classification

as a tier I sex offender/child-victim offender, a tier II sex offender/child-victim offender, or a tier III sex offender/child-victim offender under Chapter 2950. of the Revised Code as it will exist under the changes that will be implemented on January 1, 2008, the offender's or delinquent child's duties under Chapter 2950. of the Revised Code as so changed, and, regarding a delinquent child, whether the child is a public registry-qualified juvenile offender registrant.

(E) An offender or delinquent child who is in a category described in division (A)(2) or (B) of this section may request as a matter of right a court hearing to contest the application to the offender or delinquent child of the new registration requirements under Chapter 2950. of the Revised Code as it will exist under the changes that will be implemented on January 1, 2008. The offender or delinquent child may contest the manner in which the letter sent to the offender or delinquent child pursuant to division (A) or (B) of this section specifies that the new registration requirements apply to the offender or delinquent child or may contest whether those new registration requirements apply at all to the offender or delinquent child. To request the hearing, the offender or delinquent child not later than the date that is sixty days after the offender or delinquent child received the registered letter sent by the attorney general pursuant to division (A)(2) of this section shall file a petition with the court specified in this division. If the offender or delinquent child resides in or is temporarily domiciled in this state and requests a hearing, the offender or delinquent child shall file the petition with, and the hearing shall be held in, the court of common pleas or, for a delinquent child, the juvenile court of the county in which the offender or delinquent child resides or temporarily is domiciled. If the offender does not reside in and is not temporarily domiciled in this state, the offender or delinquent child shall file the petition with, and the hearing shall be held in, the court of common pleas of the county in which the offender registered a school, institution of higher education, or place of employment address, but if the offender has registered addresses of that nature in more than one county, the offender may file such a petition in the court of only one of those counties.

If the offender or delinquent child requests a hearing by timely filing a petition with the appropriate court, the offender or delinquent child shall serve a copy of the petition on the prosecutor of the county in which the petition is filed. The prosecutor shall represent the interests of the state in the hearing. In any hearing under this division, the Rules of Civil Procedure or, if the hearing is in a juvenile court, the Rules of Juvenile Procedure apply, except to the extent that those Rules would by their nature be clearly inapplicable. The court shall schedule a hearing, and shall provide notice to the offender or delinquent child and prosecutor of the date, time, and place of the hearing.

If an offender or delinquent child requests a hearing in accordance with this division, until the court issues its decision at or subsequent to the hearing, the offender or delinquent child shall comply prior to January 1, 2008, with Chapter 2950. of the Revised Code as it exists prior to that date and shall comply on and after January 1, 2008, with Chapter 2950. of the Revised Code as it will exist under the changes that will be implemented on that date. If an offender or delinquent child requests a hearing in accordance with this division, at the hearing, all parties are entitled to be heard, and the court shall consider all relevant information and testimony presented relative to the application to the offender or delinquent child of the new registration requirements under Chapter 2950. of the Revised Code as it will exist under the changes that will be implemented on January 1, 2008. If, at the conclusion of the hearing, the court finds that the offender or delinquent child has proven by clear and convincing evidence that the new registration requirements do not apply to the offender or delinquent child in the manner specified in the letter sent to the offender or delinquent child pursuant to division (A) or (B) of this section, the court shall issue an order that specifies the manner in which the court has determined that the new registration requirements do apply to the offender or delinquent child. If at the conclusion of the hearing the court finds that the offender or delinquent child has proven by clear and convincing evidence that the new registration requirements do not apply to the offender or delinquent child, the court shall issue an order that specifies that the new registration requirements do not apply to the offender or delinquent child. The court promptly shall serve a copy of an order issued under this division upon the sheriff with whom the offender or delinquent child most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code and upon the bureau of criminal identification and investigation. The offender or delinquent child and the prosecutor have the right to appeal the decision of the court issued under this division.

If an offender or delinquent child fails to request a hearing in accordance with this division within the applicable sixty-day period specified in this division, the failure constitutes a waiver by the offender or delinquent child of the offender's or delinquent

child's right to a hearing under this division, and the offender or delinquent child is bound by the determinations of the attorney general contained in the registered letter sent to the offender or child.

If a juvenile court issues an order under division (A)(2) or (3) of section 2152.86 of the Revised Code that classifies a delinquent child a public-registry qualified juvenile offender registrant and if the child's delinquent act was committed prior to January 1, 2008, a challenge to the classification contained in the order shall be made pursuant to division (D) of section 2152.86 of the Revised Code.

(A) If an offender or delinquent child is required to register pursuant to division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code, the delinquent child if not a public registry-qualified juvenile offender registrant shall provide written notice of any change of residence address, and the offender and public registry-qualified juvenile offender registrant shall provide notice of any change of residence, school, institution of higher education, or place of employment address, to the sheriff with whom the offender or delinquent child most recently registered the address under division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code or under division (B) of this section. A written notice of a change of school, institution of higher education, or place of employment address also shall include the name of the new school, institution of higher education, or place of employment. Except as otherwise specified in this division, the delinquent child if not a public registry-qualified juvenile offender registrant shall provide the written notice at least twenty days prior to changing the residence address, and the offender and public registry-qualified juvenile offender registrant shall provide the written notice at least twenty days prior to changing the address of the residence, school, or institution of higher education and not later than three days after changing the address of the place of employment. They shall provide the written notices during the period they are required to register. If a residence address change is not to a fixed residence address, the offender or delinquent child shall include in that notice a detailed description of the place or places at which the offender or delinquent child intends to stay for the next thirty days. Until the offender or delinquent child has a fixed residence address, every thirty days the offender or delinquent child shall include in that notice a detailed description of the place or places at which the offender or delinquent child intends to stay for the following thirty days. Not later than the end of the first business day immediately following the day on which the person obtains a fixed residence address, the offender or delinquent child shall provide that sheriff written notice of that fixed residence address. If a person whose residence address change is not to a fixed residence address describes in a notice under this division the place or places at which the person intends to stay, for purposes of divisions (C) to (I) of this section, sections 2950.06 to 2950.13 of the Revised Code, and sections 311.171 and 2919.24 of the Revised Code, the place or places so described in the notice shall be considered the person's residence address and registered residence address until the person provides the written notice of a fixed residence address as described in this division.

(B) Except as otherwise provided in this division, if an offender or public registry-qualified juvenile offender registrant is required to provide notice of a residence, school, institution of higher education, or place of employment address change under division (A) of this section, or a delinquent child who is not a public registry-qualified juvenile offender registrant is required to provide notice of a residence address change under that division, the offender or delinquent child, at least twenty days prior to changing the residence, school, or institution of higher education address and not later than three days after changing the place of employment address, as applicable, also shall register the new address in the manner, and using the form, described in divisions (B) and (C) of section 2950.04 or 2950.041 of the Revised Code, whichever is applicable, with the sheriff of the county in which the offender's or delinquent child's new address is located, subject to division (C) of this section. If a residence address change is not to a fixed residence address, the offender or delinquent child shall include in the registration a detailed description of the place or places at which the offender or delinquent child intends to stay for the next thirty days. Until the offender or delinquent child has a fixed residence address, every thirty days the offender or delinquent child shall include in that written notice a detailed description of the place or places at which the offender or delinquent child intends to stay for the following thirty days. Not later than the end of the first business day immediately following the day on which the person obtains

a fixed residence address, the offender or delinquent child shall register with that sheriff that fixed residence address. If a person whose residence address change is not to a fixed residence address describes in a registration under this division the place or places at which the person intends to stay, for purposes of divisions (C) to (I) of this section, sections 2950.06 to 2950.13 of the Revised Code, and sections 311.171 and 2919.24 of the Revised Code, the place or places so described in the registration shall be considered the person's residence address and registered residence address, until the person registers a fixed residence address as described in this division.

(C) Divisions (A) and (B) of this section apply to a person who is required to register pursuant to division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code regardless of whether the new residence, school, institution of higher education, or place of employment address is in this state or in another state. If the new address is in another state, the person shall register with the appropriate law enforcement officials in that state in the manner required under the law of that state and within the earlier of the period of time required under the law of that state or at least seven days prior to changing the address.

(D) If an offender or delinquent child who is a public registry-qualified juvenile offender registrant is required to register pursuant to division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code, the offender or public registry-qualified juvenile offender registrant shall provide written notice, within three days of the change, of any change in vehicle information, email addresses, internet identifiers, or telephone numbers registered to or used by the offender or registrant to the sheriff with whom the offender or registrant has most recently registered under division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code.

(E)(1) Upon receiving from an offender or delinquent child pursuant to division (A) of this section notice of a change of the offender's or public registry-qualified juvenile offender registrant's residence, school, institution of higher education, or place of employment address or the residence address of a delinquent child who is not a public registry-qualified juvenile offender registrant, a sheriff promptly shall forward the new address to the bureau of criminal identification and investigation in accordance with the forwarding procedures adopted pursuant to section 2950.13 of the Revised Code if the new address is in another state or, if the new address is located in another county in this state, to the sheriff of that county. Upon receiving from an offender or public registry-qualified juvenile offender registrant notice of vehicle and identifier changes pursuant to division (D) of this section, a sheriff promptly shall forward the new information to the bureau of criminal identification and investigation in accordance with the forwarding procedures adopted pursuant to section 2950.13 of the Revised Code. The bureau shall include all information forwarded to it under this division in the state registry of sex offenders and child-victim offenders established and maintained under section 2950.13 of the Revised Code and shall forward notice of the offender's or delinquent child's new residence, school, institution of higher education, or place of employment address, as applicable, to the appropriate officials in the other state.

(2) When an offender or public registry-qualified juvenile offender registrant registers a new residence, school, institution of higher education, or place of employment address or a delinquent child who is not a public registry-qualified juvenile offender registrant registers a new residence address pursuant to division (B) of this section, the sheriff with whom the offender or delinquent child registers and the bureau of criminal identification and investigation shall comply with division (D) of section 2950.04 or 2950.041 of the Revised Code, whichever is applicable.

(F)(1) No person who is required to notify a sheriff of a change of address pursuant to division (A) of this section or a change in vehicle information or identifiers pursuant to division (D) of this section shall fail to notify the appropriate sheriff in accordance with that division.

(2) No person who is required to register a new residence, school, institution of higher education, or place of employment address with a sheriff or with an official of another state pursuant to divisions (B) and (C) of this section shall fail to register with the appropriate sheriff or official of the other state in accordance with those divisions.

(G)(1) It is an affirmative defense to a charge of a violation of division (F)(1) of this section that it was impossible for the person to provide the written notice to the sheriff as required under division (A) of this section because of a lack of knowledge, on the date specified for the provision of the written notice, of a residence, school, institution of higher education, or place of employment address change, and that the person provided notice of the residence, school, institution of higher education, or place of employment address change to the sheriff specified in division (A) of this section as soon as possible, but not later than the end of the first business day, after learning of the address change by doing either of the following:

(a) The person provided notice of the address change to the sheriff specified in division (A) of this section by telephone immediately upon learning of the address change or, if the person did not have reasonable access to a telephone at that time, as soon as possible, but not later than the end of the first business day, after learning of the address change and having reasonable access to a telephone, and the person, as soon as possible, but not later than the end of the first business day, after providing notice of the address change to the sheriff by telephone, provided written notice of the address change to that sheriff.

(b) The person, as soon as possible, but not later than the end of the first business day, after learning of the address change, provided written notice of the address change to the sheriff specified in division (A) of this section.

(2) It is an affirmative defense to a charge of a violation of division (F)(2) of this section that it was impossible for the person to register the new address with the sheriff or the official of the other state as required under division (B) or (C) of this section because of a lack of knowledge, on the date specified for the registration of the new address, of a residence, school, institution of higher education, or place of employment address change, and that the person registered the new residence, school, institution of higher education, or place of employment address with the sheriff or the official of the other state specified in division (B) or (C) of this section as soon as possible, but not later than the end of the first business day, after learning of the address change by doing either of the following:

(a) The person provided notice of the new address to the sheriff or official specified in division (B) or (C) of this section by telephone immediately upon learning of the new address or, if the person did not have reasonable access to a telephone at that time, as soon as possible, but not later than the end of the first business day, after learning of the new address and having reasonable access to a telephone, and the person, as soon as possible, but not later than the end of the first business day, after providing notice of the new address to the sheriff or official by telephone, registered the new address with that sheriff or official in accordance with division (B) or (C) of this section.

(b) The person, as soon as possible, but not later than the end of the first business day, after learning of the new address, registered the new address with the sheriff or official specified in division (B) or (C) of this section, in accordance with that division.

(H) An offender or delinquent child who is required to comply with divisions (A), (B), and (C) of this section shall do so for the period of time specified in section 2950.07 of the Revised Code.

(I) As used in this section, and in all other sections of the Revised Code that refer to the duties imposed on an offender or delinquent child under this section relative to a change in the offender's or delinquent child's residence, school, institution of

higher education, or place of employment address, “change in address” includes any circumstance in which the old address for the person in question no longer is accurate, regardless of whether the person in question has a new address.

(A) An offender or delinquent child who is required to register a residence address pursuant to division (A)(2), (3), or (4) of section 2950.04 or 2950.041 of the Revised Code shall periodically verify the offender's or delinquent child's current residence address, and an offender or public registry-qualified juvenile offender registrant who is required to register a school, institution of higher education, or place of employment address pursuant to any of those divisions shall periodically verify the address of the offender's or public registry-qualified juvenile offender registrant's current school, institution of higher education, or place of employment, in accordance with this section. The frequency of verification shall be determined in accordance with division (B) of this section, and the manner of verification shall be determined in accordance with division (C) of this section.

(B) The frequency with which an offender or delinquent child must verify the offender's or delinquent child's current residence, school, institution of higher education, or place of employment address pursuant to division (A) of this section shall be determined as follows:

(1) Regardless of when the sexually oriented offense or child-victim oriented offense for which the offender or delinquent child is required to register was committed, if the offender or delinquent child is a tier I sex offender/child-victim offender, the offender shall verify the offender's current residence address or current school, institution of higher education, or place of employment address, and the delinquent child shall verify the delinquent child's current residence address, in accordance with division (C) of this section on each anniversary of the offender's or delinquent child's initial registration date during the period the offender or delinquent child is required to register.

(2) Regardless of when the sexually oriented offense or child-victim oriented offense for which the offender or delinquent child is required to register was committed, if the offender or delinquent child is a tier II sex offender/child-victim offender, the offender shall verify the offender's current residence address or current school, institution of higher education, or place of employment address, and the delinquent child shall verify the delinquent child's current residence address, in accordance with division (C) of this section every one hundred eighty days after the offender's or delinquent child's initial registration date during the period the offender or delinquent child is required to register.

(3) Regardless of when the sexually oriented offense or child-victim oriented offense for which the offender or delinquent child is required to register was committed, if the offender or delinquent child is a tier III sex offender/child-victim offender, the offender shall verify the offender's current residence address or current school, institution of higher education, or place of employment address, and the delinquent child shall verify the delinquent child's current residence address and, if the delinquent child is a public registry-qualified juvenile offender registrant, the current school, institution of higher education, or place of employment address, in accordance with division (C) of this section every ninety days after the offender's or delinquent child's initial registration date during the period the offender or delinquent child is required to register.

(4) If, prior to January 1, 2008, an offender or delinquent child registered with a sheriff under a duty imposed under section 2950.04 or 2950.041 of the Revised Code as a result of a conviction of, plea of guilty to, or adjudication as a delinquent child for committing a sexually oriented offense or a child-victim oriented offense as those terms were defined in section 2950.01 of the Revised Code prior to January 1, 2008, the duty to register that is imposed on the offender or delinquent child pursuant to section 2950.04 or 2950.041 of the Revised Code on and after January 1, 2008, is a continuation of the duty imposed upon the offender prior to January 1, 2008, under section 2950.04 or 2950.041 of the Revised Code and, for purposes of divisions (B) (1), (2), and (3) of this section, the offender's initial registration date related to that offense is the date on which the offender initially registered under section 2950.04 or 2950.041 of the Revised Code.

(C)(1) An offender or delinquent child who is required to verify the offender's or delinquent child's current residence, school, institution of higher education, or place of employment address pursuant to division (A) of this section shall verify the address with the sheriff with whom the offender or delinquent child most recently registered the address by personally appearing before the sheriff or a designee of the sheriff, no earlier than ten days before the date on which the verification is required pursuant to division (B) of this section and no later than the date so required for verification, and completing and signing a copy of the verification form prescribed by the bureau of criminal identification and investigation. The sheriff or designee shall sign the completed form and indicate on the form the date on which it is so completed. The verification required under this division is complete when the offender or delinquent child personally appears before the sheriff or designee and completes and signs the form as described in this division.

(2) To facilitate the verification of an offender's or delinquent child's current residence, school, institution of higher education, or place of employment address, as applicable, under division (C)(1) of this section, the sheriff with whom the offender or delinquent child most recently registered the address may mail a nonforwardable verification form prescribed by the bureau of criminal identification and investigation to the offender's or delinquent child's last reported address and to the last reported address of the parents of the delinquent child, with a notice that conspicuously states that the offender or delinquent child must personally appear before the sheriff or a designee of the sheriff to complete the form and the date by which the form must be so completed. Regardless of whether a sheriff mails a form to an offender or delinquent child and that child's parents, each offender or delinquent child who is required to verify the offender's or delinquent child's current residence, school, institution of higher education, or place of employment address, as applicable, pursuant to division (A) of this section shall personally appear before the sheriff or a designee of the sheriff to verify the address in accordance with division (C)(1) of this section.

(2) Regarding an offender or public registry-qualified juvenile offender registrant who is verifying a current school, institution of higher education, or place of employment address, the name and current address of the school, institution of higher education, or place of employment of the offender or public registry-qualified juvenile offender registrant and any other information required by the bureau of criminal identification and investigation.

(E) Upon an offender's or delinquent child's personal appearance and completion of a verification form under division (C) of this section, a sheriff promptly shall forward a copy of the verification form to the bureau of criminal identification and investigation in accordance with the forwarding procedures adopted by the attorney general pursuant to section 2950.13 of the Revised Code. If an offender or public registry-qualified juvenile offender registrant verifies a school, institution of higher education, or place of employment address, or provides a school or institution of higher education address under division (D)(1) of this section, the sheriff also shall provide notice to the law enforcement agency with jurisdiction over the premises of the school, institution of higher education, or place of employment of the offender's or public registry-qualified juvenile offender registrant's name and that the offender or public registry-qualified juvenile offender registrant has verified or provided that address as a place at which the offender or public registry-qualified juvenile offender registrant attends school or an institution of higher education or at which the offender or public registry-qualified juvenile offender registrant is employed. The bureau shall include all information forwarded to it under this division in the state registry of sex offenders and child-victim offenders established and maintained under section 2950.13 of the Revised Code.

(F) No person who is required to verify a current residence, school, institution of higher education, or place of employment address, as applicable, pursuant to divisions (A) to (C) of this section shall fail to verify a current residence, school, institution of higher education, or place of employment address, as applicable, in accordance with those divisions by the date required for the verification as set forth in division (B) of this section, provided that no person shall be prosecuted or subjected to a delinquent child proceeding for a violation of this division, and that no parent, guardian, or custodian of a delinquent child shall be prosecuted for a violation of section 2919.24 of the Revised Code based on the delinquent child's violation of this division, prior to the expiration of the period of time specified in division (G) of this section.

(G)(1) If an offender or delinquent child fails to verify a current residence, school, institution of higher education, or place of employment address, as applicable, as required by divisions (A) to (C) of this section by the date required for the verification as set forth in division (B) of this section, the sheriff with whom the offender or delinquent child is required to verify the current address, on the day following that date required for the verification, shall send a written warning to the offender or to the delinquent child and that child's parents, at the offender's or delinquent child's and that child's parents' last known residence, school, institution of higher education, or place of employment address, as applicable, regarding the offender's or delinquent child's duty to verify the offender's or delinquent child's current residence, school, institution of higher education, or place of employment address, as applicable.

(f) Conspicuously state that, if the offender or public registry-qualified juvenile offender registrant does not verify the current residence, school, institution of higher education, or place of employment address or the delinquent child who is not a public registry-qualified juvenile offender registrant does not verify the current residence address with that sheriff within that seven-day period, the offender or delinquent child will be arrested or taken into custody, as appropriate, and prosecuted or subjected to a delinquent child proceeding for a failure to timely verify a current address and the delinquent child's parent, guardian, or custodian may be prosecuted for a violation of section 2919.24 of the Revised Code based on the delinquent child's failure to timely verify a current residence address.

(2) If an offender or delinquent child fails to verify a current residence, school, institution of higher education, or place of employment address, as applicable, as required by divisions (A) to (C) of this section by the date required for the verification as set forth in division (B) of this section, the offender or delinquent child shall not be prosecuted or subjected to a delinquent child proceeding for a violation of division (F) of this section, and the delinquent child's parent, guardian, or custodian shall not be prosecuted for a violation of section 2919.24 of the Revised Code based on the delinquent child's failure to timely verify a current residence address and, if the delinquent child is a public registry-qualified juvenile offender registrant, the current school, institution of higher education, or place of employment address, as applicable, unless the seven-day period subsequent to that date that the offender or delinquent child is provided under division (G)(1) of this section to verify the current address has expired and the offender or delinquent child, prior to the expiration of that seven-day period, has not verified the current address. Upon the expiration of the seven-day period that the offender or delinquent child is provided under division (G)(1) of this section to verify the current address, if the offender or delinquent child has not verified the current address, all of the following apply:

(a) The sheriff with whom the offender or delinquent child is required to verify the current residence, school, institution of higher education, or place of employment address, as applicable, promptly shall notify the bureau of criminal identification and investigation of the failure.

(b) The sheriff with whom the offender or delinquent child is required to verify the current residence, school, institution of higher education, or place of employment address, as applicable, the sheriff of the county in which the offender or delinquent child resides, the sheriff of the county in which is located the offender's or public registry-qualified juvenile offender registrant's school, institution of higher education, or place of employment address that was to be verified, or a deputy of the appropriate sheriff, shall locate the offender or delinquent child, promptly shall seek a warrant for the arrest or taking into custody, as appropriate, of the offender or delinquent child for the violation of division (F) of this section and shall arrest the offender or take the child into custody, as appropriate.

commences on the date of the delinquent child's discharge or release from custody in the department of youth services secure facility or from the secure facility not operated by the department as described in that division.

(6) If the delinquent child's duty to register is imposed pursuant to division (A)(3) of section 2950.04 or division (A)(3) of section 2950.041 of the Revised Code and if either the delinquent child's classification as a juvenile offender registrant is made at the time of the child's disposition for that sexually oriented offense or child-victim oriented offense, whichever is applicable, and the delinquent child is not committed for the sexually oriented offense or child-victim oriented offense to the department of youth services or to a secure facility that is not operated by the department or the child's classification as a juvenile offender registrant is made pursuant to section 2152.83 or division (A)(2) of section 2152.86 of the Revised Code, subject to divisions (A)(7) of this section, the delinquent child's duty to comply with those sections commences on the date of entry of the court's order that classifies the delinquent child a juvenile offender registrant.

(7) If the offender's or delinquent child's duty to register is imposed pursuant to division (A)(2), (3), or (4) of section 2950.04 or section 2950.041 of the Revised Code and if the offender or delinquent child prior to January 1, 2008, has registered a residence, school, institution of higher education, or place of employment address pursuant to section 2950.04, 2950.041, or 2950.05 of the Revised Code as they existed prior to that date, the offender or delinquent child initially shall register in accordance with section 2950.04 or 2950.041 of the Revised Code, whichever is applicable, as it exists on and after January 1, 2008, not later than the earlier of the dates specified in divisions (A)(7)(a) and (b) of this section. The offender's or delinquent child's duty to comply thereafter with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code as they exist on and after January 1, 2008, commences on the date of that initial registration. The offender or delinquent child initially shall register under section 2950.04 or 2950.041 of the Revised Code as it exists on and after January 1, 2008, not later than the earlier of the following:

(a) The date that is six months after the date on which the offender or delinquent child received a registered letter from the attorney general under division (A)(2) or (B) of section 2950.031 of the Revised Code;

(b) The earlier of the date on which the offender or delinquent child would be required to verify a previously registered address under section 2950.06 of the Revised Code as it exists on and after January 1, 2008, or, if the offender or delinquent child has changed a previously registered address, the date on which the offender or delinquent child would be required to register a new residence, school, institution of higher education, or place of employment address under section 2950.05 of the Revised Code as it exists on and after January 1, 2008.

(8) If the offender's or delinquent child's duty to register was imposed pursuant to section 2950.04 or 2950.041 of the Revised Code as they existed prior to January 1, 2008, the offender's or delinquent child's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code as they exist on and after January 1, 2008, is a continuation of the offender's or delinquent child's former duty to register imposed prior to January 1, 2008, under section 2950.04 or 2950.041 of the Revised Code and shall be considered for all purposes as having commenced on the date that the offender's duty under that section commenced.

(B) The duty of an offender who is convicted of, pleads guilty to, has been convicted of, or has pleaded guilty to a sexually oriented offense or a child-victim oriented offense and the duty of a delinquent child who is or has been adjudicated a delinquent child for committing a sexually oriented offense or a child-victim oriented offense and is classified a juvenile offender registrant or who is an out-of-state juvenile offender registrant to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code continues, after the date of commencement, for whichever of the following periods is applicable:

(1) Except as otherwise provided in this division, if the person is an offender who is a tier III sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, if the person is a delinquent child who is a tier III sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, or if the person is a delinquent child who is a public registry-qualified juvenile offender registrant relative to the sexually oriented offense, the offender's or delinquent child's duty to comply with those sections continues until the offender's or delinquent child's death. Regarding a delinquent child who is a tier III sex offender/child-victim offender relative to the offense but is not a public registry-qualified juvenile offender registrant relative to the offense, if the judge who made the disposition for the delinquent child or that judge's successor in office subsequently enters a determination pursuant to section 2152.84 or 2152.85 of the Revised Code that the delinquent child no longer is a tier III sex offender/child-victim offender, the delinquent child's duty to comply with those sections continues for the period of time that is applicable to the delinquent child under division (B)(2) or (3) of this section, based on the reclassification of the child pursuant to section 2152.84 or 2152.85 of the Revised Code as a tier I sex offender/child-victim offender or a tier II sex offender/child-victim offender. In no case shall the lifetime duty to comply that is imposed under this division on an offender who is a tier III sex offender/child-victim offender be removed or terminated. A delinquent child who is a public registry-qualified juvenile offender registrant may have the lifetime duty to register terminated only pursuant to section 2950.15 of the Revised Code.

(2)(a) Except as otherwise provided in division (B)(2)(b) of this section, if the person is an offender who is a tier II sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, the offender's duty to comply with those sections continues for twenty-five years. Except as otherwise provided in this division, if the person is a delinquent child who is a tier II sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, the delinquent child's duty to comply with those sections continues for twenty years. Regarding a delinquent child who is a tier II sex offender/child-victim offender relative to the offense but is not a public registry-qualified juvenile offender registrant relative to the offense, if the judge who made the disposition for the delinquent child or that judge's successor in office subsequently enters a determination pursuant to section 2152.84 or 2152.85 of the Revised Code that the delinquent child no longer is a tier II sex offender/child-victim offender but remains a juvenile offender registrant, the delinquent child's duty to comply with those sections continues for the period of time that is applicable to the delinquent child under division (B)(3) of this section, based on the reclassification of the child pursuant to section 2152.84 or 2152.85 of the Revised Code as a tier I sex offender/child-victim offender.

(b) If the person is an offender who is a tier II sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense or the person is a delinquent child who is a tier II sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense and if the offender or delinquent child violates section 2950.04, 2950.041, 2950.05, or 2950.06 of the Revised Code, the period of time that the offender or delinquent child has a duty to comply with those sections as described in division (B)(2)(a) of this section is tolled for the amount of time the offender or delinquent child is in violation of any of those sections. The period of time that the offender or delinquent child has a duty to comply with those sections as described in division (B)(2)(a) of this section resumes once the offender or delinquent child is no longer in violation of any of those sections.

(3)(a) Except as otherwise provided in this division and division (B)(3)(b) of this section, if the person is an offender who is a tier I sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, the offender's duty to comply with those sections continues for fifteen years. Except as otherwise provided in this division, if the person is a delinquent child who is a tier I sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense, the delinquent child's duty to comply with those sections continues for ten years. Regarding a delinquent child who is a juvenile offender registrant and a tier I sex offender/child-victim offender but is not a public registry-qualified juvenile offender registrant, if the judge who made the disposition for the delinquent child or that judge's successor in office subsequently enters a determination pursuant to section 2152.84 or 2152.85 of the Revised Code that the delinquent child no longer is to be

classified a juvenile offender registrant, the delinquent child's duty to comply with those sections terminates upon the court's entry of the determination. A person who is an offender who is a tier I sex offender/child-victim offender may have the fifteen-year duty to register terminated only pursuant to section 2950.15 of the Revised Code.

(b) If the person is an offender who is a tier I sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense or the person is a delinquent child who is a tier I sex offender/child-victim offender relative to the sexually oriented offense or child-victim oriented offense and if the offender or delinquent child violates section 2950.04, 2950.041, 2950.05, or 2950.06 of the Revised Code, the period of time that the offender or delinquent child has a duty to comply with those sections as described in division (B)(3)(a) of this section is tolled for the amount of time the offender or delinquent child is in violation of any of those sections. The period of time that the offender or delinquent child has a duty to comply with those sections as described in division (B)(3)(a) of this section resumes once the offender or delinquent child is no longer in violation of any of those sections.

(C)(1) If an offender has been convicted of or pleaded guilty to a sexually oriented offense and the offender subsequently is convicted of or pleads guilty to another sexually oriented offense or a child-victim oriented offense, if an offender has been convicted of or pleaded guilty to a child-victim oriented offense and the offender subsequently is convicted of or pleads guilty to another child-victim oriented offense or a sexually oriented offense, if a delinquent child has been adjudicated a delinquent child for committing a sexually oriented offense and is classified a juvenile offender registrant or is an out-of-state juvenile offender registrant and the child subsequently is adjudicated a delinquent child for committing another sexually oriented offense or a child-victim oriented offense and is classified a juvenile offender registrant relative to that offense or subsequently is convicted of or pleads guilty to another sexually oriented offense or a child-victim oriented offense, or if a delinquent child has been adjudicated a delinquent child for committing a child-victim oriented offense and is classified a juvenile offender registrant or is an out-of-state juvenile offender registrant and the child subsequently is adjudicated a delinquent child for committing another child-victim oriented offense or a sexually oriented offense and is classified a juvenile offender registrant relative to that offense or subsequently is convicted of or pleads guilty to another child-victim oriented offense or a sexually oriented offense, the period of time for which the offender or delinquent child must comply with the sections specified in division (A) of this section shall be separately calculated pursuant to divisions (A)(1) to (8) and (B)(1) to (3) of this section for each of the sexually oriented offenses and child-victim oriented offenses, and the offender or delinquent child shall comply with each separately calculated period of time independently.

If a delinquent child has been adjudicated a delinquent child for committing a sexually oriented offense or a child-victim oriented offense, is classified a juvenile offender registrant or is an out-of-state juvenile offender registrant relative to that offense, and, after attaining eighteen years of age, subsequently is convicted of or pleads guilty to another sexually oriented offense or child-victim oriented offense, the subsequent conviction or guilty plea does not limit, affect, or supersede the duties imposed upon the delinquent child under this chapter relative to the delinquent child's classification as a juvenile offender registrant or as an out-of-state juvenile offender registrant, and the delinquent child shall comply with both those duties and the duties imposed under this chapter relative to the subsequent conviction or guilty plea.

(2) If a delinquent child has been adjudicated a delinquent child for committing a sexually oriented offense or a child-victim oriented offense and is classified a juvenile offender registrant relative to the offense and if the juvenile judge or the judge's successor in office subsequently reclassifies the offense tier in which the child is classified pursuant to section 2152.84 or 2152.85 of the Revised Code, the judge's subsequent determination to reclassify the child does not affect the date of commencement of the delinquent child's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code as determined under division (A) of this section. The child's duty to comply with those sections after the reclassification is a continuation of the child's duty to comply with the sections that was in effect prior to the reclassification, and the duty shall continue for the period of time specified in division (B)(1), (2), or (3) of this section, whichever is applicable.

If, prior to January 1, 2008, an offender had a duty to comply with the sections specified in division (A) of this section as a result of a conviction of or plea of guilty to a sexually oriented offense or child-victim oriented offense as those terms were defined in section 2950.01 of the Revised Code prior to January 1, 2008, or a delinquent child had a duty to comply with those sections as a result of an adjudication as a delinquent child for committing one of those offenses as they were defined prior to January 1, 2008, the period of time specified in division (B)(1), (2), or (3) of this section on and after January 1, 2008, for which a person must comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code applies to the person, automatically replaces the period of time for which the person had to comply with those sections prior to January 1, 2008, and is a continuation of the person's duty to comply with the sections that was in effect prior to the reclassification. If, prior to January 1, 2008, an offender or a delinquent child had a duty to comply with the sections specified in division (A) of this section, the offender's or delinquent child's classification as a tier I sex offender/child-victim offender, a tier II sex offender/child-victim offender, or a tier III sex offender/child-victim offender for purposes of that period of time shall be determined as specified in section 2950.031 or 2950.032 of the Revised Code, as applicable.

(D) The duty of an offender or delinquent child to register under this chapter is tolled for any period during which the offender or delinquent child is returned to confinement in a secure facility for any reason or imprisoned for an offense when the confinement in a secure facility or imprisonment occurs subsequent to the date determined pursuant to division (A) of this section. The offender's or delinquent child's duty to register under this chapter resumes upon the offender's or delinquent child's release from confinement in a secure facility or imprisonment.

(E) An offender or delinquent child who has been or is convicted, has pleaded or pleads guilty, or has been or is adjudicated a delinquent child, in a court in another state, in a federal court, military court, or Indian tribal court, or in a court of any nation other than the United States for committing a sexually oriented offense or a child-victim oriented offense may apply to the sheriff of the county in which the offender or delinquent child resides or temporarily is domiciled, or in which the offender attends a school or institution of higher education or is employed, for credit against the duty to register for the time that the offender or delinquent child has complied with the sex offender or child-victim offender registration requirements of another jurisdiction. The sheriff shall grant the offender or delinquent child credit against the duty to register for time for which the offender or delinquent child provides adequate proof that the offender or delinquent child has complied with the sex offender or child-victim offender registration requirements of another jurisdiction. If the offender or delinquent child disagrees with the determination of the sheriff, the offender or delinquent child may appeal the determination to the court of common pleas of the county in which the offender or delinquent child resides or is temporarily domiciled, or in which the offender attends a school or institution of higher education or is employed.

In making the determination of whether a person would have been subject to the notification provisions under prior law as described in this division, the court shall consider the following factors:

(j) Whether the offender or delinquent child would have been a habitual sex offender or a habitual child victim offender under the definitions of those terms set forth in section 2950.01 of the Revised Code as that section existed prior to January 1, 2008;

(G)(1) The department of children and youth shall compile, maintain, and update in January and July of each year, a list of all agencies, centers, or homes of a type described in division (A)(2) or (6) of this section that contains the name of each agency, center, or home of that type, the county in which it is located, its address and telephone number, and the name of an administrative officer or employee of the agency, center, or home.

(2) The department of education and workforce shall compile, maintain, and update in January and July of each year, a list of all boards of education, schools, or programs of a type described in division (A)(3), (4), or (5) of this section that contains the name of each board of education, school, or program of that type, the county in which it is located, its address and telephone number, the name of the superintendent of the board or of an administrative officer or employee of the school or program, and, in relation to a board of education, the county or counties in which each of its schools is located and the address of each such school.

(3) The chancellor of higher education shall compile, maintain, and update in January and July of each year, a list of all institutions of a type described in division (A)(7) of this section that contains the name of each such institution, the county in which it is located, its address and telephone number, and the name of its president or other chief administrative officer.

(4) A sheriff required by division (A) or (C) of this section, or authorized by division (D)(2) of this section, to provide notices regarding an offender or delinquent child, or a designee of a sheriff of that type, may request the department of children and youth, department of education and workforce, or chancellor of higher education, by telephone, in person, or by mail, to provide the sheriff or designee with the names, addresses, and telephone numbers of the appropriate persons and entities to whom the notices described in divisions (A)(2) to (7) of this section are to be provided. Upon receipt of a request, the department shall provide the requesting sheriff or designee with the names, addresses, and telephone numbers of the appropriate persons and entities to whom those notices are to be provided.

(H)(1) Upon the motion of the offender or the prosecuting attorney of the county in which the offender was convicted of or pleaded guilty to the sexually oriented offense or child-victim oriented offense for which the offender is subject to community notification under this section, or upon the motion of the sentencing judge or that judge's successor in office, the judge may schedule a hearing to determine whether the interests of justice would be served by suspending the community notification requirement under this section in relation to the offender. The judge may dismiss the motion without a hearing but may not issue an order suspending the community notification requirement without a hearing. At the hearing, all parties are entitled to be heard, and the judge shall consider all of the factors set forth in division (K) of this section. If, at the conclusion of the hearing, the judge finds that the offender has proven by clear and convincing evidence that the offender is unlikely to commit in the future a sexually oriented offense or a child-victim oriented offense and if the judge finds that suspending the community notification requirement is in the interests of justice, the judge may suspend the application of this section in relation to the offender. The order shall contain both of these findings.

The judge promptly shall serve a copy of the order upon the sheriff with whom the offender most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code and upon the bureau of criminal identification and investigation.

An order suspending the community notification requirement does not suspend or otherwise alter an offender's duties to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and does not suspend the victim notification requirement under section 2950.10 of the Revised Code.

(2) A prosecuting attorney, a sentencing judge or that judge's successor in office, and an offender who is subject to the community notification requirement under this section may initially make a motion under division (H)(1) of this section upon the expiration of twenty years after the offender's duty to comply with division (A)(2), (3), or (4) of section 2950.04, division (A)(2), (3), or (4) of section 2950.041 and sections 2950.05 and 2950.06 of the Revised Code begins in relation to the offense for which the offender is subject to community notification. After the initial making of a motion under division (H)(1) of this section, thereafter, the prosecutor, judge, and offender may make a subsequent motion under that division upon the expiration of five years after the judge has entered an order denying the initial motion or the most recent motion made under that division.

(3) The offender and the prosecuting attorney have the right to appeal an order approving or denying a motion made under division (H)(1) of this section.

(4) Divisions (H)(1) to (3) of this section do not apply to any of the following types of offender:

(e) An offender who is in a category specified in division (F)(1)(a), (b), or (c) of this section and who, subsequent to being subjected to community notification, has pleaded guilty to or been convicted of a sexually oriented offense or child-victim oriented offense.

(I) If a person is convicted of, pleads guilty to, has been convicted of, or has pleaded guilty to a sexually oriented offense or a child-victim oriented offense or a person is or has been adjudicated a delinquent child for committing a sexually oriented offense or a child-victim oriented offense and is classified a juvenile offender registrant or is an out-of-state juvenile offender registrant based on that adjudication, and if the offender or delinquent child is not in any category specified in division (F)(1)(a), (b), or (c) of this section, the sheriff with whom the offender or delinquent child has most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code and the sheriff to whom the offender or delinquent child most recently sent a notice of intent to reside under section 2950.04 or 2950.041 of the Revised Code, within the period of time specified in

The sheriff shall promptly inform the bureau of criminal identification and investigation of these requests in accordance with the forwarding procedures adopted by the attorney general pursuant to section 2950.13 of the Revised Code.

(K) In making a determination under division (H)(1) of this section as to whether to suspend the community notification requirement under this section for an offender, the judge shall consider all relevant factors, including, but not limited to, all of the following:

- (1) The offender's age;
- (2) The offender's prior criminal or delinquency record regarding all offenses, including, but not limited to, all sexually oriented offenses or child-victim oriented offenses;
- (3) The age of the victim of the sexually oriented offense or child-victim oriented offense the offender committed;
- (4) Whether the sexually oriented offense or child-victim oriented offense the offender committed involved multiple victims;
- (5) Whether the offender used drugs or alcohol to impair the victim of the sexually oriented offense or child-victim oriented offense the offender committed or to prevent the victim from resisting;
- (6) If the offender previously has been convicted of, pleaded guilty to, or been adjudicated a delinquent child for committing an act that if committed by an adult would be a criminal offense, whether the offender completed any sentence or dispositional order imposed for the prior offense or act and, if the prior offense or act was a sexually oriented offense or a child-victim oriented offense, whether the offender or delinquent child participated in available programs for sex offenders or child-victim offenders;

Currentness

(A) As used in this section and section 2950.16 of the Revised Code, “eligible offender” means a person who is convicted of, pleads guilty to, was convicted of, or pleaded guilty to a sexually oriented offense or child-victim oriented offense, regardless of when the offense was committed, and is a tier I sex offender/child-victim offender or a child who is or was adjudicated a delinquent child for committing a sexually oriented offense or child-victim oriented offense, regardless of when the offense was committed, and is a public registry-qualified juvenile offender registrant.

(B) Pursuant to this section, an eligible offender may make a motion to the court of common pleas or, for a delinquent child, the juvenile court of the county in which the eligible offender resides requesting that the court terminate the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code. If the eligible offender is not a resident of this state, the eligible offender may make a motion to the court of common pleas of the county in which the eligible offender has registered pursuant to section 2950.04 or 2950.041 of the Revised Code, but if the eligible offender has registered addresses of that nature in more than one county, the eligible offender may make such a motion in the court of only one of those counties. Notwithstanding any state or local rule assigning costs and fees for filing and processing civil and criminal cases, the fee for filing the motion shall be one hundred fifty dollars. This fee shall be applied to any further processing of the motion, including, but not limited to, the costs associated with investigating the motion, notifying relevant parties, scheduling hearings, and recording and reporting the court's determination.

(C)(1) Except as provided in division (C)(2) of this section, an eligible offender who is classified a tier I sex offender/child-victim offender may make a motion under division (B) of this section upon the expiration of ten years after the eligible offender's duty to comply with division (A)(2) or (4) of section 2950.04 or division (A)(2) or (4) of section 2950.041 and sections 2950.05 and 2950.06 of the Revised Code begins in relation to the offense for which the eligible offender is subject to those provisions.

(2) An eligible offender who is a delinquent child and is classified a public registry-qualified juvenile offender registrant may make a motion under division (B) of this section upon the expiration of twenty-five years after the eligible offender's duty to comply with division (A)(3) or (4) of section 2950.04 and sections 2950.05 and 2950.06 of the Revised Code begins in relation to the offense for which the eligible offender is subject to those provisions.

(D) An eligible offender who makes a motion under division (B) of this section shall include all of the following with the motion:

(1) A certified copy of the judgment entry and any other documentation of the sentence or disposition given for the offense or offenses for which the eligible offender was convicted, pleaded guilty, or was adjudicated a delinquent child;

(2) Documentation of the date of discharge from supervision or release, whichever is applicable;

(3) Evidence that the eligible offender has completed a sex offender or child-victim offender treatment program certified by the department of rehabilitation and correction or the department of youth services pursuant to section 2950.16 of the Revised Code;

(4) Evidence that the eligible offender has not been convicted of, pleaded guilty to, or been adjudicated a delinquent child for committing any subsequent sexually oriented offense, child-victim oriented offense, or other criminal offense, except for a minor misdemeanor traffic offense;

(5) Evidence that the eligible offender has paid any financial sanctions imposed upon the offender pursuant to section 2929.18 or 2929.28 of the Revised Code.

(E) Upon the filing of a motion pursuant to division (B) of this section, the offender or delinquent child shall serve a copy of the motion on the prosecutor who handled the case in which the eligible offender was convicted of, pleaded guilty to, or was adjudicated a delinquent child for committing the sexually oriented offense or child-victim oriented offense. Upon the filing of the motion, the court shall set a tentative date for a hearing on the motion that is not later than one hundred eighty days from the date the motion is filed unless good cause exists to hold the hearing at a later date and shall notify the eligible offender and the prosecutor of the date, time, and place of the hearing. The court shall then forward a copy of the motion and its supporting documentation to the court's probation department or another appropriate agency to investigate the merits of the motion. The probation department or agency shall submit a written report detailing its investigation to the court within sixty days of receiving the motion and supporting documentation.

Upon receipt of the written report from the probation department or other appropriate agency, the court shall forward a copy of the motion, supporting documentation, and the written report to the prosecutor.

(F)(1) After the prosecutor is served with a copy of the motion as described in division (E) of this section, the prosecutor shall notify the victim of any offense for which the eligible offender is requesting a termination of duties under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code. The victim may submit a written statement to the prosecutor regarding any knowledge the victim has of the eligible offender's conduct while subject to the duties imposed by sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code.

(2) At least seven days before the hearing date, the prosecutor may file an objection to the motion with the court and serve a copy of the objection to the motion to the eligible offender or the eligible offender's attorney.

(G) In addition to the evidence that accompanies the motion described in division (D) of this section and the written report submitted pursuant to division (E) of this section, in determining whether to grant a motion made under division (B) of this section, the court may consider any other evidence the court considers relevant, including, but not limited to, evidence of the following while the eligible offender has been subject to the duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code:

(1) Whether the eligible offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege has ever been suspended;

(6) Whether the eligible offender has maintained a residence for a substantial period of time;

(7) Whether the eligible offender has maintained employment or, if the eligible offender has not been employed while under a duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code, whether the eligible offender has satisfied the offender's financial obligations through other manners of support such as disability payments, a pension, spousal or child support, or scholarships or grants;

(8) Whether the eligible offender has adequately addressed any drug or alcohol abuse or addiction;

(9) Letters of reference;

(10) Documentation of the eligible offender's service to the community or to specific individuals in need.

(H)(1) The court, without a hearing, may issue an order denying the eligible offender's motion to terminate the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code if the court, based on the evidence submitted with the motion pursuant to division (D) of this section and the written report submitted pursuant to division (E) of this section and after considering the factors described in division (G) of this section, finds that those duties should not be terminated.

(2) If the prosecutor does not file an objection to the eligible offender's application as provided in division (F)(2) of this section, the court, without a hearing, may issue an order that terminates the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code if the court, based on the evidence submitted with the motion pursuant to division (D) of this section and the written report submitted pursuant to division (E) of this section and after considering the factors described in division (G) of this section, finds that those duties should be terminated.

(3) If the court does not issue an order under division (H)(1) or (2) of this section, the court shall hold a hearing to determine whether to grant or deny the motion. At the hearing, the Rules of Civil Procedure or, if the hearing is in a juvenile court, the Rules of Juvenile Procedure apply, except to the extent that those Rules would by their nature be clearly inapplicable. At the hearing, the eligible offender has the burden of going forward with the evidence and the burden of proof by a preponderance of the evidence. If, after considering the evidence submitted with the motion pursuant to division (D) of this section, the written report submitted pursuant to division (E) of this section, and the factors described in division (G) of this section, the court finds

that the eligible offender has satisfied the burden of proof, the court shall issue an order that terminates the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code. If the court finds that the eligible offender has not satisfied the burden of proof, the court shall issue an order denying the motion.

(4)(a) The court shall provide prompt notice of its order issued pursuant to division (H)(1), (2), or (3) of this section to the eligible offender or the eligible offender's attorney.

(b) If the court issues an order terminating the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code, the court shall promptly forward a copy of the order to the bureau of criminal identification and investigation. Upon receipt of the order, the bureau shall update all records pertaining to the eligible offender to reflect the termination order. The bureau also shall notify every sheriff with whom the eligible offender has most recently registered under section 2950.04, 2950.041, or 2950.05 of the Revised Code of the termination order.

(c) If the court issues an order terminating the eligible offender's duty to comply with sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code, the court shall promptly forward a copy of the order to any court that sentenced the offender or adjudicated the child a delinquent child for a sexually oriented offense or child-victim oriented offense that is the basis of the termination order. The court that receives this notice shall retain a copy of the order in the eligible offender's original case file.

(2) After the eligible offender's initial petition filed under this section, if the court entered an order continuing the offender's classification or reclassifying the offender, the offender may file a second petition not earlier than three years after the court entered the first order. After the second petition, the offender may file one subsequent petition not earlier than five years after

the most recent order continuing the offender's classification or reclassifying the offender. A petition filed under this division shall comply with the requirements described in divisions (C), (D), and (E) of this section.

(3) Upon the filing of a second or subsequent petition by an eligible offender pursuant to division (H)(2) of this section, the court shall schedule a hearing to review any previous order entered under this section, consider all of the documents previously submitted, and evaluate any new evidence of rehabilitation presented with the petition. The court shall notify the offender and the prosecutor of the county in which the petition is filed of the date, time, and place of the hearing. Upon receipt of the notice, the prosecutor shall notify the victim of the date, time, and place of the hearing. The victim may submit a written statement to the prosecutor regarding any knowledge the victim has of the eligible offender's conduct while subject to the duties imposed by sections 2950.04, 2950.05, and 2950.06 of the Revised Code. In addition to reviewing any previous order, considering the documents previously submitted, and evaluating any new evidence of rehabilitation presented with the petition as described in this division, in determining whether to deny the petition or the type of order to enter in response to the petition, the court shall consider any objections submitted by the prosecutor and any written statement submitted by the victim. After the hearing on the petition, the court may deny the petition or enter either of the following orders:

(a) If the previous order continued the offender's classification as a tier II sex offender/child-victim offender, an order to reclassify the offender as a tier I sex offender/child-victim offender or terminate the offender's duty to comply with sections 2950.04, 2950.05, and 2950.06 of the Revised Code;

Currentness

A. Sections 581 et seq. of this title shall be known and may be cited as the “Sex Offenders Registration Act”.

B. The Legislature finds that sex offenders who commit other predatory acts against children and persons who prey on others as a result of mental illness pose a high risk of re-offending after release from custody. The Legislature further finds that the privacy interest of persons adjudicated guilty of these crimes is less important than the state's interest in public safety. The Legislature additionally finds that a system of registration will permit law enforcement officials to identify and alert the public when necessary for protecting the public safety.

C. The offense for which the person is convicted shall serve as the basis for the level assigned to the person. In selecting the level assignment, the sex offender level assignment committee shall use the following general guidelines:

2. Documents the reason for the override in the case file of the offender.

Provided, in no event shall the sex offender level assignment committee, the Department of Corrections, or a court override and reduce a level assigned to an offender as provided in subsection C of this section.

E. All records and files relating to a person for whom a court, or the Department of Corrections is required under this act¹ to determine a level assignment, shall be released to the court or the Department of Corrections as appropriate, for the purpose of determining the level assignment of the person.

F. Upon receiving registration information from a local law enforcement agency of a person who has entered this state and who has registered as a sex offender, as required in Section 583 of this title, the sex offender level assignment committee shall review the registration information and make a determination of the level assignment of the person. The Department of Corrections Sex Offender Registry Unit shall provide written notification to the person and the local law enforcement agency of the level assignment that has been assigned to the person.

G. The provisions of the Oklahoma Open Meeting Act² do not apply to a meeting of the sex offender level assignment committee.

Before releasing information to an Internet entity the Department shall require an Internet entity that requests information to submit to the Department the name, address and telephone number of such entity and the specific legal nature and corporate status of such entity. Except for the purposes specified in this subsection, an Internet entity shall not publish or in any way disclose or redisclose any information provided to it by the Department pursuant to this subsection. The Department shall update any information released pursuant to this subsection on a monthly basis to ensure that the information of every individual that has been removed from the sex offender registry in this state is no longer released pursuant to this subsection. N. Samples of blood or saliva for DNA testing required by subsection A of this section shall be taken by employees or contractors of the Department of Corrections. The individuals shall be properly trained to collect blood or saliva samples. Persons collecting samples for DNA testing pursuant to this section shall be immune from civil liabilities arising from this activity. The Department of Corrections shall ensure the collection of samples is mailed to the Oklahoma State Bureau of Investigation (OSBI) within ten (10) days of the time the subject appears for testing. The Department shall use sample kits provided by the OSBI and procedures promulgated by the OSBI. Persons subject to DNA testing pursuant to this section shall be required to pay to the Department of Corrections a fee of Fifteen Dollars (\$15.00). The person shall allege in the motion that the person meets the criteria provided for in subsection A of this section and that removal of the requirement to register as a sex offender will not conflict with federal law. The district attorney shall be given notice of the motion at least twenty-one (21) days prior to the hearing on the motion. The court shall rule on the motion and, if the court determines that the person meets the criteria provided for in subsection A of this section and that removal of the requirement to register will not conflict with federal law, may grant the motion and order the removal of the registration requirement. If the court denies the motion, the person shall not be authorized to file any further motions or petitions for removal of the registration requirement pursuant to this section.

D. If a person provides to the Department of Corrections a certified copy of the order of the court removing the requirement that the person register as a sex offender, the registration requirement shall not apply to the person and the Department shall remove all information about the person from the public registry of sex offenders maintained by the Department. However, the removal of information about the person from the public registry shall not mean that the public is denied access to information about the criminal history or record of the person that is otherwise available as a public record.

163A.100. Sex offender classification; adoption of risk assessment methodology

Currentness

<Text subject to final change by the Oregon Office of the Legislative Counsel.>

The State Board of Parole and Post-Prison Supervision shall, in consultation with community corrections agencies, adopt by rule a sex offender risk assessment methodology for use in classifying sex offenders. The methodology may consider exclusively the risk the sex offender presented at the time the sex offender was released from custody, sentenced or otherwise discharged from the jurisdiction of a court of this state, or another United States court, for the crime or act for which the sex offender is required to report. Application of the risk assessment methodology to a sex offender must result in placing the sex offender in one of the following levels:

- (1) A level one sex offender who presents, or presented at the time of release, sentencing or discharge, the lowest risk of reoffending and requires a limited range of notification.
- (2) A level two sex offender who presents, or presented at the time of release, sentencing or discharge, a moderate risk of reoffending and requires a moderate range of notification.
- (3) A level three sex offender who presents, or presented at the time of release, sentencing or discharge, the highest risk of reoffending and requires the widest range of notification.

(1) When a person convicted of a crime described in ORS 163.355 to 163.427 is sentenced to a term of imprisonment in a Department of Corrections institution for that crime, the State Board of Parole and Post-Prison Supervision shall assess the person utilizing the risk assessment methodology described in ORS 163A.100. The board shall apply the results of the assessment to place the person in one of the levels described in ORS 163A.100 before the person is released from custody.

(2) When a person convicted of a sex crime is sentenced to a term of incarceration in a jail, or is discharged, released or placed on probation by the court, the supervisory authority as defined in ORS 144.087 shall assess the person utilizing the risk assessment methodology described in ORS 163A.100 and apply the results of the assessment to place the person in one of the levels described in ORS 163A.100 no later than 90 days after the person is released from jail or discharged, released or placed on probation by the court.

(3)(a) When a person is found guilty except for insanity of a sex crime, the Psychiatric Security Review Board shall assess the person utilizing the risk assessment methodology described in ORS 163A.100 and apply the results of the assessment to place the person in one of the levels described in ORS 163A.100 no later than 90 days after the person is:

(B) Discharged from the jurisdiction of the Psychiatric Security Review Board;

(C) Placed on conditional release by the court pursuant to ORS 161.327; or

(D) Discharged by the court pursuant to ORS 161.329.

(b) If the State Board of Parole and Post-Prison Supervision previously completed a risk assessment and assigned a classification level described in ORS 163A.100 for a person described in paragraph (a) of this subsection, the Psychiatric Security Review Board need not complete a reassessment for an initial classification.

(c) The court shall notify the Psychiatric Security Review Board when the court conditionally releases or discharges a person described in paragraph (a) of this subsection.

(d) The Psychiatric Security Review Board shall notify the State Board of Parole and Post-Prison Supervision no later than seven days after the Psychiatric Security Review Board conditionally releases or discharges a person who has a prior sex crime conviction that obligates the person to report as a sex offender, unless the person has also been found guilty except for insanity of a sex crime that obligates the person to report as a sex offender.

(4)(a) Within 90 days after receiving notice of a person's obligation to report in this state from the Department of State Police, the State Board of Parole and Post-Prison Supervision shall assess the person utilizing the risk assessment methodology described in ORS 163A.100 and apply the results of the assessment to place the person in one of the levels described in ORS 163A.100 if the person has been convicted in another United States court of a crime:

(A) That would constitute a sex crime if committed in this state; or

(B) For which the person would have to register as a sex offender in that court's jurisdiction, or as required under federal law, regardless of whether the crime would constitute a sex crime in this state.

(b) If a person has been convicted of a sex crime and was sentenced to a term of imprisonment in a Department of Corrections institution for that sex crime, but was not subjected to a risk assessment utilizing the risk assessment methodology described in ORS 163A.100 before release under subsection (1) of this section, within 90 days after the person's release the State Board of Parole and Post-Prison Supervision shall assess the person utilizing the risk assessment methodology described in ORS 163A.100 and apply the results of the assessment to place the person in one of the levels described in ORS 163A.100.

(5) When the State Board of Parole and Post-Prison Supervision, the Psychiatric Security Review Board or a supervisory authority applies the results of a risk assessment to place a person in one of the levels described in ORS 163A.100, the agency shall notify the Department of State Police of the results of the risk assessment within three business days after the agency's classification. Upon receipt, the Department of State Police shall enter the results of the risk assessment into the Law Enforcement Data System.

(6) The State Board of Parole and Post-Prison Supervision, the Psychiatric Security Review Board or a supervisory authority may reassess or reclassify a person placed in one of the levels described in ORS 163A.100 under this section if:

(a) The classifying board or authority determines that a factual mistake caused an erroneous assessment or classification; or

(b) The person has committed a sexually motivated rule violation while in custody, has committed a sexually motivated violation of a condition of probation, parole or post-prison supervision or has been arrested for or charged with a sex crime.

(7)(a) A person classified under this section as a level two or level three sex offender as described in ORS 163A.100 may petition the classifying board or authority for review. Except for good cause shown, the petition may be filed no later than 60 days after the notice of the classification is provided to the person or, if the notice is mailed, no later than 60 days after the notice is sent.

(b) When good cause is shown, the time for filing a petition under this subsection may not be extended more than 60 days beyond the date of the person's next annual report under ORS 163A.010, 163A.015 or 163A.020.

(c) Upon receipt of a petition described in this subsection, the classifying board or authority shall afford the person an opportunity to be heard as to all factual questions related to the classification.

(d) After providing the person with notice and an opportunity to be heard in accordance with this subsection, the board or authority shall classify the person in accordance with the classifications described in ORS 163A.100, based on all of the information available to the classifying board or authority.

(e) As used in this subsection, "good cause" means that, due to a person's transience, lack of housing, ongoing mental health concerns or other similar circumstances, a notice mailed to the person under paragraph (a) of this subsection was not received by the person.

(8)(a) If the State Board of Parole and Post-Prison Supervision, the Psychiatric Security Review Board or a supervisory authority does not classify a person under ORS 163A.100 because the person has failed or refused to participate in a sex offender risk assessment as directed by the board or authority, the classifying board or authority shall classify the person as a level three sex offender under ORS 163A.100 (3).

(b) If a person classified as a level three sex offender under this subsection notifies the classifying board or authority of the willingness to participate in a sex offender risk assessment, the classifying board or authority shall perform the assessment and classify the person in one of the levels described in ORS 163A.100.

(9) The State Board of Parole and Post-Prison Supervision and the Psychiatric Security Review Board may adopt rules to carry out the provisions of this section.

(1)(a) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to a conviction for a sex crime and is classified as a level one sex offender under ORS 163A.100 (1) may petition the State Board of Parole and Post-Prison Supervision to relieve the person from the obligation to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020.

(b) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to being found guilty except for insanity under ORS 161.295 for a sex crime, and is classified as a level one sex offender under ORS 163A.100 (1), may petition the Psychiatric Security Review Board to relieve the person from the obligation to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020.

(c)(A) Except as otherwise provided in subparagraph (B) of this paragraph, a person described in paragraph (a) or (b) of this subsection may file the petition no sooner than five years after the date supervision for the sex crime is terminated or, if the person was not subject to supervision for the sex crime, five years after the date the person was discharged from the jurisdiction of the court, Psychiatric Security Review Board or Oregon Health Authority.

(B) A person who was reclassified under subsection (2) of this section from a level two sex offender under ORS 163A.100 (2) to a level one sex offender under ORS 163A.100 (1) may file the petition no sooner than five years after the date of reclassification.

(d) Notwithstanding paragraph (c) of this subsection, if a person is required to report because of a conviction or finding of guilty except for insanity from another United States court as that term is defined in ORS 163A.005, the person may not petition for relief from reporting as a sex offender in Oregon unless the laws of the jurisdiction where the person was convicted or found guilty except for insanity would permit a petition for relief from reporting as a sex offender.

(2)(a) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to a conviction for a sex crime and is classified as a level three sex offender under ORS 163A.100 (3) may petition the State Board of Parole and Post-Prison Supervision to reclassify the person as a level two sex offender under ORS 163A.100 (2).

(b) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to being found guilty except for insanity under ORS 161.295 for a sex crime, and is classified as a level three sex offender under ORS

163A.100 (3), may petition the Psychiatric Security Review Board to reclassify the person as a level two sex offender under ORS 163A.100 (2).

(c) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to a conviction for a sex crime and is classified as a level two sex offender under ORS 163A.100 (2) may petition the State Board of Parole and Post-Prison Supervision to reclassify the person as a level one sex offender under ORS 163A.100 (1).

(d) A person who is required to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 due to being found guilty except for insanity under ORS 161.295 for a sex crime, and is classified as a level two sex offender under ORS 163A.100 (2), may petition the Psychiatric Security Review Board to reclassify the person as a level one sex offender under ORS 163A.100 (1).

(e) The petition described in this subsection may be filed no sooner than 10 years after the date supervision for the sex crime is terminated or, if the person was not subject to supervision for the sex crime, 10 years after the date the person was discharged from the jurisdiction of the court, Psychiatric Security Review Board or Oregon Health Authority.

(3)(a) The State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board shall deny a petition filed under this section if, at any time after the person is convicted or found guilty except for insanity of a sex crime, the person is convicted of or found guilty except for insanity of a person felony or a person Class A misdemeanor, as those terms are defined in the rules of the Oregon Criminal Justice Commission.

(b) The appropriate board shall deny a petition filed under subsection (2)(c) or (d) of this section if the board has previously reclassified the person as a level two sex offender under ORS 163A.100 (2) as the result of a petition filed under subsection (2)(a) or (b) of this section.

(4)(a) Except as otherwise provided in subsection (3) of this section, if a person files a petition under subsection (1) of this section, the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board shall hold a hearing. At the hearing, the board shall enter an order relieving the person of the obligation to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 if the board determines, by clear and convincing evidence, that the person:

(A) Is statistically unlikely to reoffend; and

(B) Does not pose a threat to the safety of the public.

(b)(A) Except as otherwise provided in subsection (3) of this section, if a person files a petition under subsection (2)(a) or (b) of this section, the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board shall hold a hearing. At the hearing, the board shall enter an order reclassifying the person as a level two sex offender under ORS 163A.100 (2) if, after completion of a new risk assessment utilizing the risk assessment methodology described in ORS 163A.100, the person is classified as presenting a low or moderate risk of reoffending and the board determines that a lower level of notification is sufficient to protect public safety.

(B) Except as otherwise provided in subsection (3) of this section, if a person files a petition under subsection (2)(c) or (d) of this section, the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board shall hold a hearing. At the hearing, the board shall enter an order reclassifying the person as a level one sex offender under ORS 163A.100 (1) if, after completion of a new risk assessment utilizing the risk assessment methodology described in ORS 163A.100, the person is classified as presenting a low risk of reoffending and the board determines that a lower level of notification is sufficient to protect public safety.

(5) In making the determinations described in subsection (4) of this section, the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board shall consider:

- (a) The nature of and degree of violence involved in the offense that requires reporting;
 - (b) The age and number of victims of the offense that requires reporting;
 - (c) The age of the person at the time of the offense that requires reporting;
 - (d) The length of time since the offense that requires reporting and the time period during which the person has not reoffended;
 - (e) The person's performance on supervision for the offense that requires reporting;
 - (f) Whether the person has participated in or successfully completed a court-approved sex offender treatment program or any other rehabilitative programs;
 - (g) The person's stability in employment and housing;
 - (h) The person's community and personal support system;
 - (i) Other criminal and relevant noncriminal behavior of the person both before and after the offense that requires reporting; and
 - (j) Any other relevant factors.
- (6)(a) The Attorney General may represent the state at a hearing conducted under this section unless the district attorney of the county in which the person was convicted or, if the conviction for which the person is required to report as a sex offender was entered in another United States court, the district attorney of the county in which the person resides, elects to represent the state.
- (b) If a district attorney elects to represent the state, the district attorney shall give timely written notice of the election to the Attorney General, the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board and the person who is the subject of the hearing.

(c) If the district attorney declines to represent the state, the district attorney shall cooperate with the Attorney General in securing the material necessary to represent the state.

(7)(a) When the State Board of Parole and Post-Prison Supervision or the Psychiatric Security Review Board enters an order under this section relieving a person of the obligation to report as a sex offender under ORS 163A.010, 163A.015 or 163A.020 or enters an order reclassifying a person as a level two sex offender under ORS 163A.100 (2) or as a level one sex offender under ORS 163A.100 (1), the board shall forward a copy of the order to the Department of State Police.

(b) Upon receipt of an order relieving a person of the obligation to report, the department shall remove from the Law Enforcement Data System the sex offender information obtained from the sex offender registration form submitted under ORS 163A.010, 163A.015 or 163A.020.

(c) Upon receipt of an order reclassifying a person as a level two sex offender under ORS 163A.100 (2) or as a level one sex offender under ORS 163A.100 (1), the department shall update the Law Enforcement Data System to reflect the reclassification.

(8) The State Board of Parole and Post-Prison Supervision and the Psychiatric Security Review Board shall adopt rules to carry out the provisions of this section. The rules may include a filing fee in an amount determined by the appropriate board. All fees paid under this subsection shall be deposited into the General Fund and credited to the account of the appropriate board.

(9) As used in this section, “supervision” means probation, parole, post-prison supervision or any other form of supervised or conditional release.

(c) In another state and is required to report under the laws of the other state, the petition must be filed in the juvenile court in which the person was adjudicated for the act that requires reporting.

(2) If the act giving rise to the obligation to report would constitute:

(a) A Class A or Class B felony sex crime if committed by an adult, the petition may be filed no sooner than two years after the termination of juvenile court jurisdiction over the person or, if the person is placed under the jurisdiction of the Psychiatric Security Review Board, no sooner than two years after the person is discharged from the jurisdiction of the board.

(b) A Class C felony sex crime if committed by an adult, the petition may be filed no sooner than 30 days before the termination of juvenile court jurisdiction over the person or, if the person is placed under the jurisdiction of the Psychiatric Security Review Board, no sooner than 30 days before the person is discharged from the jurisdiction of the board.

(3)(a) The juvenile court in which a petition under this section is filed may transfer the matter to the juvenile court of the county that last supervised the person if the court determines that the convenience of the parties, the victim and witnesses require the transfer.

(b) The juvenile court has exclusive original jurisdiction in any proceeding under this section.

(c) The person, the district attorney and the juvenile department are parties to a hearing on a petition filed under this section.

(4) The person filing the petition has the burden of proving by clear and convincing evidence that the person is rehabilitated and does not pose a threat to the safety of the public. In determining whether the person has met the burden of proof, the juvenile court may consider but need not be limited to considering:

(a) The extent and impact of any physical or emotional injury to the victim;

(b) The nature of the act that subjected the person to the obligation of reporting as a sex offender;

(c) Whether the person used or threatened to use force in committing the act;

(d) Whether the act was premeditated;

(e) Whether the person took advantage of a position of authority or trust in committing the act;

(f) The age of any victim at the time of the act, the age difference between any victim and the person and the number of victims;

(h) Other acts committed by the person that would be crimes if committed by an adult and criminal activities engaged in by the person before and after the adjudication;

(i) Statements, documents and recommendations by or on behalf of the victim or the parents of the victim;

(j) The person's willingness to accept personal responsibility for the act and personal accountability for the consequences of the act;

(k) The person's ability and efforts to pay the victim's expenses for counseling and other trauma-related expenses or other efforts to mitigate the effects of the act;

(L) Whether the person has participated in and satisfactorily completed a sex offender treatment program or any other intervention, and if so the juvenile court may also consider:

(A) The availability, duration and extent of the treatment activities;

(B) Reports and recommendations from the providers of the treatment;

(C) The person's compliance with court, board or supervision requirements regarding treatment; and

(D) The quality and thoroughness of the treatment program;

(m) The person's academic and employment history;

(n) The person's use of drugs or alcohol before and after the adjudication;

(o) The person's history of public or private indecency;

(p) The person's compliance with and success in completing the terms of supervision;

(q) The results of psychological examinations of the person;

(r) The protection afforded the public by the continued existence of the records; and

(s) Any other relevant factors.

(5) In a hearing under this section, the juvenile court may receive testimony, reports and other evidence without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and 40.310 to 40.585 if the evidence is relevant to the determination and findings required under this section. As used in this subsection, "relevant evidence" has the meaning given that term in ORS 40.150.

(6) When a petition is filed under this section, the state has the right to have a psychosexual evaluation of the person conducted. The state shall file notice with the juvenile court of its intention to have the person evaluated. If the person objects to the evaluator chosen by the state, the juvenile court for good cause shown may direct the state to select a different evaluator.

(7) As soon as practicable after a petition has been filed under this section, the district attorney or juvenile department shall make a reasonable effort to notify the victim of the crime that the person has filed a petition seeking relief under this section and, if the victim has requested, to inform the victim of the date, time and place of a hearing on the petition in advance of the hearing.

(8)(a) When a petition filed under this section is filed:

(A) While the person is under the jurisdiction of the juvenile court or the Psychiatric Security Review Board or less than three years after the date the jurisdiction is terminated, the court shall hold a hearing no sooner than 60 days and no later than 120 days after the date of filing.

(B) Three years or more after the date the juvenile court or board jurisdiction is terminated, the court shall hold a hearing no sooner than 90 days and no later than 150 days after the date of filing.

(b) Notwithstanding paragraph (a) of this subsection, upon a showing of good cause, the court may extend the period of time in which a hearing on the petition must be held.

(9)(a) When the person proves by clear and convincing evidence that the person is rehabilitated and does not pose a threat to the safety of the public, the court shall grant the petition.

(b) Notwithstanding paragraph (a) of this subsection, the court may not grant a petition filed under this section before the date the juvenile court or board jurisdiction over the person is terminated.

(10) When a juvenile court enters an order relieving a person of the requirement to report under ORS 163A.025, the person shall send a certified copy of the juvenile court order to the Department of State Police.

(11) If a person commits an act for which the person could be waived under ORS 419C.349 (1)(a) and the person is 15, 16 or 17 years of age at the time the act is committed, the state and the person may stipulate that the person may not petition for relief under this section as part of an agreement that the state not file a motion requesting waiver under ORS 419C.349 (1)(a).

(12) When a petition is filed under subsection (2)(b) of this section before the termination of juvenile court or board jurisdiction, the court shall appoint suitable counsel to represent the person for purposes of the petition described in this section if the appointment of counsel is requested by the person or, if the person is under 18 years of age, by the parent or guardian of the person. - (8) In a hearing under this section, the court may receive testimony, reports and other evidence without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and 40.310 to 40.585 if the evidence is relevant to the determination and findings required under this section. § 9799.10. Purposes of subchapter

Currentness

This subchapter shall be interpreted and construed to effectuate the following purposes:

- (1) To bring the Commonwealth into substantial compliance with the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248, 120 Stat. 587).¹
- (2) To require individuals convicted or adjudicated delinquent of certain sexual offenses to register with the Pennsylvania State Police and to otherwise comply with this subchapter if those individuals reside within this Commonwealth, intend to reside within this Commonwealth, attend an educational institution within this Commonwealth or are employed or conduct volunteer work within this Commonwealth.
- (3) To require individuals convicted or adjudicated delinquent of certain sexual offenses who fail to maintain a residence and are therefore homeless but can still be found within the borders of this Commonwealth to register with the Pennsylvania State Police.
- (4) To require individuals who are subject to the criminal justice system of this Commonwealth as inmates, supervised with respect to probation or parole or registrants due to committing a sexually violent offense on or after December 20, 2012, for which the individual was convicted, to register with the Pennsylvania State Police and to otherwise comply with this subchapter. To the extent practicable and consistent with the requirements of the Adam Walsh Child Protection and Safety Act of 2006, this subchapter shall be construed to maintain existing procedures regarding registration of sexual offenders who are subject to the criminal justice system of this Commonwealth.
- (5) To provide a mechanism for members of the general public to obtain information about certain sexual offenders from a public Internet website and to include on that Internet website a feature which will allow a member of the public to enter a zip code or a geographic radius and determine whether a sexual offender resides within that zip code or radius.
- (6) To provide a mechanism for law enforcement entities within this Commonwealth to obtain information about certain sexual offenders and to allow law enforcement entities outside this Commonwealth, including those within the Federal Government, to obtain current information about certain sexual offenders.

Formerly cited as PA ST 42 Pa.C.S.A. § 9791

§ 9799.11. Legislative findings, declaration of policy and scope

Currentness

(a) Legislative findings.--The General Assembly finds as follows:

(1) In 1995 the General Assembly enacted the act of October 24, 1995 (1st Sp.Sess. P.L. 1079, No. 24),¹ commonly referred to as Megan's Law. Through this enactment, the General Assembly intended to comply with legislation enacted by Congress requiring that states provide for the registration of sexual offenders. The Federal statute, the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (Public Law 103-322, 42 U.S.C. 14071 et seq.), has been superseded by the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248, 120 Stat. 587).²

(2) This Commonwealth's laws regarding registration of sexual offenders need to be strengthened. The Adam Walsh Child Protection and Safety Act of 2006 provides a mechanism for the Commonwealth to increase its regulation of sexual offenders in a manner which is nonpunitive but offers an increased measure of protection to the citizens of this Commonwealth.

(3) If the public is provided adequate notice and information about sexual offenders, the community can develop constructive plans to prepare for the presence of sexual offenders in the community. This allows communities to meet with law enforcement to prepare and obtain information about the rights and responsibilities of the community and to provide education and counseling to residents, particularly children.

(4) Sexual offenders pose a high risk of committing additional sexual offenses and protection of the public from this type of offender is a paramount governmental interest.

(5) Sexual offenders have a reduced expectation of privacy because of the public's interest in public safety and in the effective operation of government.

(6) Release of information about sexual offenders to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal and mental health systems so long as the information released is rationally related to the furtherance of those goals.

(7) Knowledge of whether a person is a sexual offender could be a significant factor in protecting oneself and one's family members, or those in care of a group or community organization, from recidivist acts by such offenders.

(8) The technology afforded by the Internet and other modern electronic communication methods makes this information readily accessible to parents, minors and private entities, enabling them to undertake appropriate remedial precautions to prevent or avoid placing potential victims at risk.

(b) Declaration of policy.--The General Assembly declares as follows:

(1) It is the intention of the General Assembly to substantially comply with the Adam Walsh Child Protection and Safety Act of 2006 and to further protect the safety and general welfare of the citizens of this Commonwealth by providing for increased regulation of sexual offenders, specifically as that regulation relates to registration of sexual offenders and community notification about sexual offenders.

(2) It is the policy of the Commonwealth to require the exchange of relevant information about sexual offenders among public agencies and officials and to authorize the release of necessary and relevant information about sexual offenders to members of the general public as a means of assuring public protection and shall not be construed as punitive.

(3) It is the intention of the General Assembly to address the Pennsylvania Supreme Court's decision in *Commonwealth v. Neiman*, No. 74 MAP 2011 (Pa. 2013), by amending this subchapter in the act of March 14, 2014 (P.L. 41, No. 19).

(4) It is the intention of the General Assembly to address the Pennsylvania Supreme Court's decision in *Commonwealth v. Muniz*, 164 A.3d 1189 (Pa. 2017) and the Pennsylvania Superior Court's decision in *Commonwealth v. Butler* (2017 WL 4914155).

(c) Scope.--This subchapter shall apply to individuals who committed a sexually violent offense on or after December 20, 2012, for which the individual was convicted.

- (2) An individual convicted of a Tier II sexual offense shall register for a period of 25 years.
- (3) An individual convicted of a Tier III sexual offense shall register for the life of the individual.
- (4) A juvenile offender who was adjudicated delinquent in this Commonwealth, or who was adjudicated delinquent in another jurisdiction or foreign country as a consequence of having committed an offense similar to an offense which would require the individual to register if the offense was committed in this Commonwealth, shall register for the life of the individual.
- (4.1) A juvenile offender who is required to register in a sexual offender registry in another jurisdiction or foreign country as a consequence of having been adjudicated delinquent for an offense similar to an offense which, if committed in this Commonwealth, would not require the individual to register shall register for a period of time equal to that required of the individual in the other jurisdiction or foreign country.
- (5) A sexually violent delinquent child shall register for the life of the individual.
- (6) A sexually violent predator shall register for the life of the individual.
- (7) An individual subject to registration under section 9799.13(7.1) shall register for the period of time equal to the time for which the individual was required to register in another jurisdiction or foreign country.

(a.1) Deleted by 2018, Feb. 21, P.L. 27, No. 10, § 10, imd. effective.

(a.2) Assessment by court after 25 years.--An individual required to register under subsection (a)(3), (5), (6) and (7) may be exempt from the requirement to register, the requirement to verify residence, employment and enrollment in an educational institution, the requirement to appear on the publicly accessible Internet website maintained by the Pennsylvania State Police and all other requirements of this subchapter if:

(1) Subject to subsection (c), at least 25 years have elapsed prior to filing a petition with the sentencing court to be exempt from the requirements of this subchapter, during which time the petitioner has not been convicted in this Commonwealth or any other jurisdiction or foreign country of an offense punishable by imprisonment of more than one year, or the petitioner's release from custody following the petitioner's most recent conviction for an offense, whichever is later.

(2) Upon receipt of a petition filed under paragraph (1), the sentencing court shall enter an order directing that the petitioner be assessed by the board. Upon receipt from the court of an order for an assessment under this subsection, a member of the board designated by the administrative officer of the board shall conduct an assessment of the petitioner to determine if the relief sought, if granted, is likely to pose a threat to the safety of any other person. The board shall establish standards for evaluations and for evaluators conducting assessments.

(3) The order for an assessment under this subsection shall be sent to the administrative officer of the board within 10 days of the entry. No later than 90 days following receipt of the order, the board shall submit a written report containing the board's assessment to the sentencing court, the district attorney and the attorney for the petitioner.

(4) Within 120 days of filing the petition under paragraph (1), the sentencing court shall hold a hearing to determine whether to exempt the petitioner from the application of any or all of the requirements of this subchapter. The petitioner and the district attorney shall be given notice of the hearing and an opportunity to be heard, the right to call witnesses and the right to cross-examine witnesses. The petitioner shall have the right to counsel and to have a lawyer appointed to represent the petitioner if the petitioner cannot afford one.

(5) The sentencing court shall exempt the petitioner from application of any or all of the requirements of this subchapter, at the discretion of the court, only upon a finding of clear and convincing evidence that exempting the sexual offender from a particular requirement or all of the requirements of this subchapter is not likely to pose a threat to the safety of any other person.

(6) A court granting relief under this subsection shall notify the Pennsylvania State Police in writing within 10 days from the date the relief is granted. If a memorandum of understanding has been entered into under section 9799.26 (relating to victim notification) with respect to relief granted to the petitioner, the Pennsylvania State Police shall transmit the information about the relief to the Office of Victim Advocate as soon as is practicable. The Office of Victim Advocate shall notify the victim of the relief, in accordance with the memorandum of understanding, as described in section 9799.26.

(7) The petitioner and the Commonwealth shall have the right to appellate review of the actions of the sentencing court under this subsection. An appeal by the Commonwealth shall stay the order of the sentencing court.

(8) The petitioner may file an additional petition with the sentencing court no sooner than five years from the date of the final determination of a court regarding the petition and no sooner than every five years thereafter.

(9) If the petitioner is exempt from any provisions of this subchapter and the petitioner is subsequently convicted under 18 Pa.C.S. § 4915.1 (relating to failure to comply with registration requirements), relief granted under this subsection shall be void and the petitioner shall automatically and immediately again be subject to the provisions of this subchapter, as previously determined by this subchapter.

42 Pa.C.S.A. § 9799.51

§ 9799.51. Legislative findings and declaration of policy

Currentness

(a) Legislative findings.--It is hereby determined and declared as a matter of legislative finding:

(1) If the public is provided adequate notice and information about sexually violent predators and offenders as well as those sexually violent predators and offenders who do not have a fixed place of habitation or abode, the community can develop constructive plans to prepare itself for the release of sexually violent predators and offenders. This allows communities to meet with law enforcement to prepare and obtain information about the rights and responsibilities of the community and to provide education and counseling to their children.

(2) These sexually violent predators and offenders pose a high risk of engaging in further offenses even after being released from incarceration or commitments, and protection of the public from this type of offender is a paramount governmental interest.

(3) The penal and mental health components of our justice system are largely hidden from public view, and lack of information from either may result in failure of both systems to meet this paramount concern of public safety.

(4) Overly restrictive confidentiality and liability laws governing the release of information about sexually violent predators and offenders have reduced the willingness to release information that could be appropriately released under the public disclosure laws and have increased risks to public safety.

(5) Persons found to have committed a sexual offense have a reduced expectation of privacy because of the public's interest in public safety and in the effective operation of government.

(6) Release of information about sexually violent predators and offenders to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal and mental health systems so long as the information released is rationally related to the furtherance of those goals.

(b) Declaration of policy.--It is hereby declared to be the intention of the General Assembly to:

(1) Protect the safety and general welfare of the people of this Commonwealth by providing for registration, community notification and access to information regarding sexually violent predators and offenders who are about to be released from custody and will live in or near their neighborhood.

(2) Require the exchange of relevant information about sexually violent predators and offenders among public agencies and officials and to authorize the release of necessary and relevant information about sexually violent predators and offenders to members of the general public, including information available through the publicly accessible Internet website of the Pennsylvania State Police, as a means of assuring public protection and shall not be construed as punitive.

(3) Address the Superior Court's opinion in the case of *Commonwealth v. Wilgus*, 975 A.2d 1183 (2009), by requiring sexually violent predators and offenders without a fixed place of habitation or abode to register under this subchapter.

(4) Address the Pennsylvania Supreme Court's decision in *Commonwealth v. Muniz*, No. 47 MAP 2016 (Pa. 2016),¹ and the Pennsylvania Superior Court's decision in *Commonwealth v. Butler*, 173 A.3d 1212 (Pa. Super. 2017).
